## SBL Update

## **New Underwriting Appraisal Checklist**

Effective March 4, Freddie Mac underwriters will begin completing a new compliance checklist for the initial appraisals submitted to Freddie Mac for each loan/property. Optigo® lenders and their appraisers are advised to review the checklist items to ensure submitted appraisal reports contain all the listed items and meet all Freddie Mac requirements.

## **Updated Web Search Tool**

In case you missed it, at the beginning of February we updated our Web Search Tool. Freddie Mac does not require lenders use our tool — this is provided as an additional resource if you'd like to utilize it for due diligence. The updated tool can be found on our Originate & Underwrite webpage under the Org Chart, AML, OFAC, Fraud Resources drop-down.
