Submit Your Questions

During the **Optigo Essentials: SBL Workshop** next month, one of the sessions will feature a panel of experts representing Credit, Production, Appraisals and Asset Management teams.

In this session, we will draw upon the panelist's experiences to answer questions relating to their respective areas, as well as answer and opine on questions with one another. Due to time restrictions, we will not be able to take any live questions. Please send any questions you have in advance to sbl_weekly_questions@freddiemac.com by next **Friday, March 22**.
