3. Status of consent request and why inquiring Servicer is seeking guidance

Empty text box for status of consent request and why inquiring Servicer is seeking guidance.

**Instructions (cont.)**

4. We would appreciate Freddie Mac's review of the recommendation and its indication of whether our analysis and recommendation are consistent with the conclusions and recommendations that Freddie Mac would have made if Freddie Mac were the current holder of the Loan.
  
5. We understand that Freddie Mac (a) will not re-underwrite the Borrower Consent Request, (b) will not take any action to verify any information provided by the Inquiring Servicer, and (c) will assume that the information provided by each of the Borrower and by the Inquiring Servicer is complete and accurate. We also understand that Freddie Mac cannot and will not direct the Inquiring Servicer to take any particular action with respect to the Borrower Consent Request.
