All references to the “Seller” or “Seller/Servicer” in the representations and warranties, including references to the knowledge of the “Seller” or to acts or disclosures of the “Seller,” will be deemed to refer to the Resulting Entity.

As of the Effective Date, for purposes of the representations and warranties, any knowledge of either of the Acquired Entity or the Resulting Entity will be attributed to the Resulting Entity, and any acts or disclosures by either of the Acquired Entity or the Resulting Entity prior to Freddie Mac's purchase of a Mortgage will be deemed to have been committed or made by the Resulting Entity.

c. Commitment, delivery and purchase of Loans-in-Process (02/07/08)

1. In the case of a Loan-in-Process, “Seller's full underwriting package” in the “Material Differences” provision of the Commitment will be deemed to refer to any full underwriting package submitted by the Acquired Entity with respect to that Loan-in-Process, together with any underwriting information submitted by the Resulting Entity.

2. As of the Effective Date, the Resulting Entity will be obligated for all representations and warranties with respect to the Loans-in-Process that are set forth in the fully-executed
Commitment, the Guide and any other Purchase and Servicing Documents. All references to the “Seller” or “Seller/Servicer” in the representations and warranties, including references to the knowledge of the “Seller” or to acts or disclosures of the “Seller,” will be deemed to refer to the Resulting Entity. As of the Effective Date, for purposes of the representations and warranties, any knowledge of either of the Acquired Entity or the Resulting Entity will be attributed to the Resulting Entity, and any acts or disclosures by either of the Acquired Entity or the Resulting Entity prior to Freddie Mac's purchase of a Loan-in-Process will be deemed to have been committed or made by the Resulting Entity.

3. Upon Freddie Mac's purchase of each Loan-in-Process, the Resulting Entity must service the Loan-in-Process in accordance with the applicable fully-executed Commitment, the Guide and any other Purchase and Servicing Documents.

d. Categories of Loans-in-Process (07/31/12)

Upon the effective date of an acquisition of a Seller/Servicer or the merger of two Seller/Servicers, the commitment, delivery and purchase for Loans-in-Process will be completed as described in whichever of the following subsections (1) through (4) is applicable to that Loan-in-Process, and in accordance with the provisions in Section 3.10(c).

1. Loans-in-Process that are the subject of fully-executed Commitments and have been originated by the Acquired Entity before the Effective Date, but have not been purchased by Freddie Mac as of the Effective Date

The Resulting Entity represents and warrants to Freddie Mac that the Acquired Entity has originated each Loan-in-Process in this category that has not yet been delivered to Freddie Mac, since Freddie Mac has no independent knowledge that a Mortgage has been originated until it receives delivery of that Mortgage.

As the successor to the Acquired Entity, the Resulting Entity assumes all of the obligations of the Acquired Entity under each such fully-executed Commitment as of the Effective Date. Each such Loan-in-Process that has not been delivered to Freddie Mac as of the Effective Date may be delivered to Freddie Mac by either the Resulting Entity or, so long as the Acquired Entity remains a legal entity, the Acquired Entity. Freddie Mac will wire the purchase price for each such Loan-in-Process in accordance with the wire transfer instructions included in the Final Delivery Package for the Loan-in-Process.

2. Loans-in-Process that are the subject of fully-executed Commitments but have not been originated by the Acquired Entity before the Effective Date

As the successor to the Acquired Entity, the Resulting Entity assumes all of the obligations of the Acquired Entity under each such fully-executed Commitment as of the Effective Date. If interest rate-lock under any such fully-executed Commitment has not been completed as of the Effective Date, the Resulting Entity will complete the interest rate-lock. The Resulting Entity will originate each such Loan-in-Process and will deliver it to Freddie Mac.

3. Loans-in-Process for which Freddie Mac has issued commitments that have not become fully-executed Commitments because the Acquired Entity has not accepted the Commitments before the Effective Date
As the successor to the Acquired Entity, the Resulting Entity assumes all of the rights of the Acquired Entity under each such issued Commitment as of the Effective Date. The Resulting Entity may accept each such Commitment by following the acceptance procedure set forth in Section 17.11(b), whereupon the accepted Commitment will become a fully-executed Commitment between Freddie Mac and the Resulting Entity. The Resulting Entity will complete the interest rate-lock under each such fully-executed Commitment, originate the related Loan-in-Process and deliver that Loan-in-Process to Freddie Mac.

4. Loans-in-Process for which the Acquired Entity has submitted early rate-lock applications to Freddie Mac that Freddie Mac has not yet executed (accepted) as of the Effective Date

For each such Loan-in-Process, as of the Effective Date, the Resulting Entity makes an irrevocable offer to sell the Loan-in-Process to Freddie Mac on the terms and conditions described in the applicable early rate-lock application, which offer will be irrevocable through the Expiration Date specified in that application. Freddie Mac may accept any such offer at any time by executing the related early rate-lock application, whereupon the early rate-lock application will become a fully-executed Commitment between the Resulting Entity and Freddie Mac. The Resulting Entity will be substituted fully for the Acquired Entity as the offerer and Seller under each such application. If and when such an early rate-lock application or a resulting fully-executed Commitment requires a refund of the good faith deposit, Freddie Mac will make that refund to the Resulting Entity.

3.11 Disposition of application; confidentiality (02/07/08)

If a Seller/Servicer fails to seek or obtain any approval of Freddie Mac as required by this chapter, Freddie Mac may suspend or terminate with cause certain rights and approvals of the Seller/Servicer, including its right to sell Mortgages to Freddie Mac, in accordance with Chapters 4 and 48.

A Seller/Servicer may designate information submitted in connection with any notice or request for approval under this chapter as confidential. Freddie Mac will receive and hold all such confidential information in strict confidence, to be used only for Freddie Mac's internal review and approval process. Freddie Mac may release such confidential information to independent auditors, accountants, attorneys and other professionals acting on behalf of Freddie Mac or if ordered to do so by a court, regulator, administrative agency or other entity with enforceable subpoena power.

3.12 Changes that affect Seller/Servicer's single-family Freddie Mac approval (02/07/08)

The requirements of Sections 3.8 through 3.11 apply to entities selling multifamily Mortgages to Freddie Mac or servicing multifamily Mortgages for Freddie Mac. Requirements for notification to Freddie Mac of changes affecting the Seller/Servicer's single-family Freddie Mac activities may differ. Multifamily Seller/Servicers that are approved for both single-family and multifamily purposes must comply with both sets of requirements relating to changes in the Seller/Servicer's organization or status.
