Document Management System (DMS)

Multifamily Loan Servicing Site

(For access to the recorded webinar, click here)
New Site Simplifies Loan Accounting Reporting

- Secure data transfer vehicle
- Gives Servicers direct access to upload deliverables into one central location
- Reduces risk of mishandling and/or misplacing submission
- Gives Servicers direct access to current and historical Servicing Account Statements and Fee Notifications
DMS Resources

- To access DMS, contact your organization’s Freddie Mac System Administrator for your username and password.
- Use the following link https://www.blitzdocs.net
- If you need a password reset please e-mail multifamily_security@freddiemac.com
- Existing DMS users will need to click on the Active Company drop down as shown below.
