All references to the "Seller" or "Seller/Servicer" in the representations and warranties, including references to the knowledge of the "Seller" or to acts or disclosures of the "Seller," will be deemed to refer to the Resulting Entity.

As of the Effective Date, for purposes of the representations and warranties, any knowledge of either of the Acquired Entity or the Resulting Entity will be attributed to the Resulting Entity, and any acts or disclosures by either of the Acquired Entity or the Resulting Entity prior to Freddie Mac's purchase of a Mortgage will be deemed to have been committed or made by the Resulting Entity.

As of the Effective Date, for purposes of the representations and warranties, any knowledge of either of the Acquired Entity or the Resulting Entity will be attributed to the Resulting Entity, and any acts or disclosures by either of the Acquired Entity or the Resulting Entity prior to Freddie Mac’s purchase of a Loan-in-Process will be deemed to have been committed or made by the Resulting Entity.

3. Upon Freddie Mac’s purchase of each Loan-in-Process, the Resulting Entity must service the Loan-in-Process in accordance with the applicable fully-executed Commitment, the Guide and any other Purchase and Servicing Documents.

d. Categories of Loans-in-Process (07/31/12)

Upon the effective date of an acquisition of a Seller/Servicer or the merger of two Seller/Servicers, the commitment, delivery and purchase for Loans-in-Process will be completed as described in whichever of the following subsections (1) through (4) is applicable to that Loan-in-Process, and in accordance with the provisions in Section 3.10(c).

1. Loans-in-Process that are the subject of fully-executed Commitments and have been originated by the Acquired Entity before the Effective Date, but have not been purchased by Freddie Mac as of the Effective Date

The Resulting Entity represents and warrants to Freddie Mac that the Acquired Entity has originated each Loan-in-Process in this category that has not yet been delivered to Freddie Mac, since Freddie Mac has no independent knowledge that a Mortgage has been originated until it receives delivery of that Mortgage.

As the successor to the Acquired Entity, the Resulting Entity assumes all of the obligations of the Acquired Entity under each such fully-executed Commitment as of the Effective Date. Each such Loan-in-Process that has not been delivered to Freddie Mac as of the Effective Date may be delivered to Freddie Mac by either the Resulting Entity or, so long as the Acquired Entity remains a legal entity, the Acquired Entity. Freddie Mac will wire the purchase price for each such Loan-in-Process in accordance with the wire transfer instructions included in the Final Delivery Package for the Loan-in-Process.

2. Loans-in-Process that are the subject of fully-executed Commitments but have not been originated by the Acquired Entity before the Effective Date

As the successor to the Acquired Entity, the Resulting Entity assumes all of the obligations of the Acquired Entity under each such fully-executed Commitment as of the Effective Date. If interest rate-lock under any such fully-executed Commitment has not been completed as of the Effective Date, the Resulting Entity will complete the interest rate-lock. The Resulting Entity will originate each such Loan-in-Process and will deliver it to Freddie Mac.

3. Loans-in-Process for which Freddie Mac has issued commitments that have not become fully-executed Commitments because the Acquired Entity has not accepted the Commitments before the Effective Date

As the successor to the Acquired Entity, the Resulting Entity assumes all of the rights of the Acquired Entity under each such issued Commitment as of the Effective Date. The Resulting Entity may accept each such Commitment by following the acceptance procedure set forth in

Section 17.11(b), whereupon the accepted Commitment will become a fully-executed Commitment between Freddie Mac and the Resulting Entity. The Resulting Entity will complete the interest rate-lock under each such fully-executed Commitment, originate the related Loan-in-Process and deliver that Loan-in-Process to Freddie Mac.

4. Loans-in-Process for which the Acquired Entity has submitted early rate-lock applications to Freddie Mac that Freddie Mac has not yet executed (accepted) as of the Effective Date

For each such Loan-in-Process, as of the Effective Date, the Resulting Entity makes an irrevocable offer to sell the Loan-in-Process to Freddie Mac on the terms and conditions described in the applicable early rate-lock application, which offer will be irrevocable through the Expiration Date specified in that application. Freddie Mac may accept any such offer at any time by executing the related early rate-lock application, whereupon the early rate-lock application will become a fully-executed Commitment between the Resulting Entity and Freddie Mac. The Resulting Entity will be substituted fully for the Acquired Entity as the offerer and Seller under each such application. If and when such an early rate-lock application or a resulting fully-executed Commitment requires a refund of the good faith deposit, Freddie Mac will make that refund to the Resulting Entity.

3.11 Disposition of application; confidentiality (02/07/08)

If a Seller/Servicer fails to seek or obtain any approval of Freddie Mac as required by this chapter, Freddie Mac may suspend or terminate with cause certain rights and approvals of the Seller/Servicer, including its right to sell Mortgages to Freddie Mac, in accordance with Chapters 4 and 48.

A Seller/Servicer may designate information submitted in connection with any notice or request for approval under this chapter as confidential. Freddie Mac will receive and hold all such confidential information in strict confidence, to be used only for Freddie Mac's internal review and approval process. Freddie Mac may release such confidential information to independent auditors, accountants, attorneys and other professionals acting on behalf of Freddie Mac or if ordered to do so by a court, regulator, administrative agency or other entity with enforceable subpoena power.

h. Other Seller/Servicer obligations for fidelity and E&O insurance (02/16/23)

1. Notice of change in coverage

The Seller/Servicer must report to Freddie Mac the following events within 10 Business Days of their occurrence using Form 1107M, Seller/Servicer Change Notification Form:

- The receipt of a notice from the insurer that the insurer has taken or intends to take action to cancel, reduce, not renew or restrictively modify the Seller/Servicer's fidelity or mortgagee's E&O insurance for any reason. The Seller/Servicer must include a copy of the insurer's notice and detail the reasons for the insurer's action or intended action if not stated in the insurer's notice. The Seller/Servicer must also report its efforts to obtain replacement coverage or otherwise satisfy Freddie Mac's insurance requirements.
- The determination that any single act of embezzlement, theft of funds or fraud or mortgagee's E&O loss has caused a loss exceeding \$100,000, whether or not Freddie Mac's interests are affected, or a claim is filed with the insurer.

2. Obligation to compensate

The Seller/Servicer is obligated to compensate Freddie Mac in full for any loss Freddie Mac sustains that is not recovered from the proceeds of claims made against the required fidelity and/or mortgagee's E&O insurance.

Freddie Mac's requirements for fidelity and mortgagee's E&O insurance do not diminish, restrict or otherwise limit the Seller/Servicer's responsibilities and obligations stated in the Purchase and Servicing Documents.

3. Notice of loss

Within 10 Business Days of a loss greater than \$100,000, the Seller/Servicer must:

- Notify *Multifamily Counterparty Risk & Compliance* in all instances.
- If the loss impacts Freddie Mac's interests, file a claim with its insurer and provide evidence of the claim report to *Multifamily Counterparty Risk & Compliance*, or notify *Multifamily Counterparty Risk & Compliance* of its intent not to file a claim.

4. Annual certification

The Seller/Servicer must certify compliance with Freddie Mac's requirements, including Freddie Mac's requirements for fidelity and mortgagee's E&O insurance, as specified in Section 3.5.

3.17 Non-discrimination (12/14/23)

1. Freddie Mac requires all Seller/Servicers to:
 - Practice the principles of equal employment opportunity and non-discrimination in all its business activities. As such, each Seller/Servicer must not discriminate on the basis of race, color, religion, sex, age, marital status, disability, veteran status, genetic information (including family medical history), pregnancy status, national origin, ethnicity, familial status, sexual orientation, gender identity or other characteristic protected by law.

- Contractually require each subcontractor it engages to provide services or goods for the use of Freddie Mac to practice the principles of equal employment opportunity and non-discrimination in all its business activities.
2. Upon request by Freddie Mac, a Seller/Service must provide Freddie Mac with information and appropriate certifications regarding:
- The diversity status of the Seller/Service
 - The diversity status of subcontractors engaged by the Seller/Service to provide services or goods for the use of Freddie Mac with respect to originating or servicing Mortgages under the Purchase Documents
 - Any other information Freddie Mac requests in order to comply with HERA and applicable diversity and inclusion regulations

This chapter details Freddie Mac's requirements for the Borrower. These Borrower requirements may also apply to Special Servicing Requests when appropriate.

The individual program and product chapters detail specific program or product requirements. In the event of a conflict between any provision of this chapter and any provision of another chapter of the Guide that contains requirements for a specific mortgage purchase program or product, the program- or product-specific chapter will control.

See Chapter 9SBL for Freddie Mac's Borrower and Borrower Principal requirements for an SBL Mortgage.

9.2 Borrower requirements (~~06/13/24~~10/17/24)

a. General Borrower requirements (06/13/24)

1. The following types of Borrower are generally acceptable:
 - Limited partnership
 - Corporation
 - Limited liability company
 - Limited liability limited partnership
 - Tenancy-in-Common (TIC), provided that the TIC meets the requirements of Section 9.12
2. The following types of Borrower may be acceptable in limited circumstances and may be subject to additional requirements:
 - General partnership
 - Limited liability partnership
 - Revocable or irrevocable trust, including a Delaware Statutory Trust
 - Real estate investment trust (REIT)
 - Illinois, Indiana, Florida or Virginia land trust, provided that the Borrower meets the requirements of Section 9.4, or
 - Unincorporated business trust such as a Massachusetts business trust.
3. The Borrower must be an entity formed in the United States.
4. The Borrower is not permitted to be a pension, retirement fund or account.

5. Seller must immediately notify Freddie Mac if any Key Borrower Principal, or Borrower Principal with direct or indirect Control of Borrower, is a trust or other investment vehicle controlled by or created on behalf of an individual retirement account, pension fund or other retirement investment fund.
6. If an Equity Conflict of Interest as defined in Section 2.25 exists, then the Seller must disclose the nature and extent of the Equity Conflict of Interest in writing to Freddie Mac when the Seller delivers to Freddie Mac the preliminary underwriting package for a Seller utilizing the early rate lock delivery option, or the full underwriting package for a Seller utilizing the standard delivery option. The Seller must notify Freddie Mac in writing immediately if an Equity Conflict of Interest arises following delivery of the underwriting package to Freddie Mac.

b. Single Purpose Entity (SPE) requirements; newly-formed vs. recycled entities (05/01/14)

Each Borrower and each SPE Equity Owner (if applicable) must be a Single Purpose Entity (SPE). If the Borrower is a TIC, each tenant must be an SPE.

However, for each Mortgage with an initial principal balance of less than \$5 million, at the request of the Borrower (except for TICs), Freddie Mac will not require the Borrower to be an SPE.

Each SPE Borrower and each SPE Equity Owner (if applicable) must be newly formed; provided, however, that if a Mortgage has an initial principal balance of \$100,000,000 or less, Freddie Mac may accept a recycled SPE if all recycled SPE requirements set forth in the Letter of Commitment or early rate lock application are met.

The Property must be the Borrower's sole asset and the operation of the Property must be the Borrower's sole business. Additional SPE limitations for the Borrower and SPE Equity Owner are set forth in the Loan Documents available at mf.freddie.com/lenders/legal.

c. SPE Equity Owners (05/01/14)

For each Mortgage with an initial principal balance of \$25 million or greater, or each Mortgage that is part of a cross-collateralized and cross-defaulted pool of Mortgages that are, when aggregated, \$25 million or greater, each Borrower must have an SPE Equity Owner unless the Borrower is a single member limited liability company formed in Delaware or is a corporation.

d. Key Borrower Principal due diligence (04/18/2410/17/24)

If a Key Borrower Principal falls under one of the categories noted below, then the Key Borrower Principal ~~will~~may be subject to additional due diligence requirements, as outlined in Section 11.6, Section 55.2, and/or the underwriting checklists:

- **First-Time Sponsor:** When neither the Key Borrower Principal nor its Ultimate Control, when applicable, has transacted multifamily business in the past 10 years with Freddie Mac.

- **Limited Multifamily Experience Sponsor:** When neither the Key Borrower Principal nor its Ultimate Control, when applicable, has had Control of at least 5 properties in the past 5 years, the majority of which are or were substantially similar to the Property in the number of units or type of property.

e. **Borrower requirements specific to a Single Member Limited Liability company (06/25/20)**

Except as noted below, each Borrower and each SPE Equity Owner, if applicable, that is a limited liability company with a single member must be formed in Delaware and must have one or more “springing members” in the event the single member ceases to be a member of the Borrower or SPE Equity Owner, as applicable. Additional “springing member” requirements are set forth in the Loan Documents.

Whenever the Guide refers to a “single member” limited liability company, the term “single member” refers to a Borrower or SPE Equity Owner’s organizational structure in which the Borrower or SPE Equity Owner has a sole equity member (i.e., the “single member”). A Borrower or SPE Equity Owner that has a sole equity member but has other members or managers that each have a zero percent interest in the Borrower or SPE Equity Owner is also a “single member” limited liability company and must be formed in Delaware.

A Borrower that is a limited liability company (LLC) with a single member will not be required to satisfy the above requirements if the Mortgage has an initial principal balance of \$20 million or less, unless the Mortgage is a Supplemental Mortgage and the combined initial principal balance of the Supplemental Mortgage and the unpaid principal balances of any senior Mortgages encumbering the Property are at least \$25 million in the aggregate.

f. **Borrower requirements specific to non-profit Borrowers and Key Borrower Principals (04/13/23)**

This Section 9.2(f) does not apply to partnerships in States in which a non-profit general partner is in place solely to satisfy the eligibility requirement for receiving a tax abatement or other benefits, where there is also a qualified Key Borrower Principal in addition to the non-profit general partner.

1. General Borrower and Key Borrower Principal requirements

In transactions where the ownership structure of the Borrower and/or Key Borrower Principal contains multiple non-profit entities performing differing functions, the Seller/Servicer must evaluate each entity on its capacity to perform its particular function, for example, acquisition, development, ownership, asset management, property management or social service provider. The non-profit Borrower and/or Key Borrower Principal being evaluated may not be equally strong with respect to all criteria. Therefore, only the criteria for the areas in which the non-profit entity has direct responsibility or authority need to be applied during the evaluation process.

The Seller/Servicer must apply a higher standard when the non-profit developer is involved in a large-scale development with complicated structures than in a small-scale development with simple structures.

The non-profit Borrower and/or Key Borrower Principal must have reasonable Liquidity (nonrestricted cash balances or restricted cash balances related to the Property), working capital reserves appropriate for the proposed transaction and no material unmitigated contingent liabilities.

When the Seller/Servicer is assessing a non-profit Borrower or Key Borrower Principal for whom the Seller/Servicer originated a Mortgage or assumption within the most recent three years, the Seller/Servicer needs only to update its initial evaluation. Freddie Mac will determine if a non-profit Borrower or Key Borrower Principal meets its requirements.

2. Specific non-profit Borrower and Key Borrower Principal requirements

The following requirements apply when a non-profit entity is the Borrower or the Key Borrower Principal:

- The non-profit Borrower/Key Borrower Principal must have a minimum of three years' experience
 - In the same capacity that it will have for the proposed transaction, and
 - Acquiring, developing or owning a minimum of three properties.
- The Borrower/Key Borrower Principal must own and manage other properties in the market where the Property is located.
- The executive director and key staff of the Borrower/Key Borrower Principal must have adequate experience to successfully fulfill their respective roles and responsibilities.
- The non-profit Borrower/Key Borrower Principal must not have any unresolved internal control or compliance findings.
- The non-profit Borrower/Key Borrower Principal must have no unresolved issues of integrity or conflict of interest.

When the non-profit Key Borrower Principal demonstrates a significant weakness in one or more of the evaluation criteria, Freddie Mac may require the funding of one or more of the following Reserves to mitigate the risk:

- A debt service Reserve in the minimum amount of six months of debt service payments that is funded by the Origination Date, a portion of which may be deferred
- A lease-up Reserve that is funded by the Origination Date
- An operating Reserve that will remain in place until specified rental achievement
- A funded Replacement Reserve that is subject to re-evaluation at 10-year intervals or shorter periods at Freddie Mac's discretion

g. Borrower requirements specific to Crowdfunding (04/13/23)

1. No direct or indirect interest in Borrower that constitutes a Controlling interest may consist of investments raised via Crowdfunding.
2. No direct or indirect interest in Borrower which may assume Control of Borrower under any terms of either Borrower's organizational documents, or the organizational documents of any entity in Borrower's ownership structure, regardless of whether the change in Control is the subject of a preapproved transfer right, may consist of investments raised via Crowdfunding.
3. The preliminary legal issues memorandum (PLIM) described in Section 6.4 must include analysis of any Crowdfunding in the ownership structures of the Borrower or Key Borrower Principals.

9.3 Persons or entities unacceptable as Borrowers, Borrower Principals, SPE Equity Owners, Master Tenants, Operators, Guarantors and Non-U.S. Equity Holders (04/13/23)

a. Unacceptable persons or entities (04/13/23)

Freddie Mac will not purchase any Mortgage or allow any Transfer of Ownership under Chapter 41, or approve any other Servicing-related transaction if it determines that any of the following is true with regard to a Borrower, Borrower Principal, SPE Equity Owner, Guarantor or Non-U.S. Equity Holder or any person or entity that is proposed as a potential Borrower, Borrower Principal, SPE Equity Owner, Guarantor or Non-U.S. Equity Holder:

1. Is a confirmed match to a name on any of the following lists:
 - OFAC Specially Designated Nationals and Blocked Persons List
 - OFAC Consolidated Sanctions List
 - FHFA Suspended Counterparty List (subject to any conditions or exclusions set forth in the final suspension order)
 - Freddie Mac Exclusionary List
2. Has a civil or criminal Conviction for the commission of terrorism, terrorism financing, or money laundering
3. Has a civil or criminal Conviction in connection with a financial crime such as embezzlement, fraud, misappropriation of funds
4. Is named as an accused or defendant in any pending or current criminal or civil proceeding relating to any of the crimes set forth in subsection 2 and 3 above
5. Is insolvent or the subject of a pending bankruptcy or similar proceeding
6. Is an adverse party to Freddie Mac in any pending or current litigation

b. Potentially unacceptable persons or entities (04/13/23)

Freddie Mac, in its sole discretion, may refuse to enter into a Letter of Commitment to purchase a Mortgage or allow any Transfer of Ownership under Chapter 41, or approve any other Servicing-related transaction if a Web Search indicates any of the following with regard to a Borrower, Borrower Principal, SPE Equity Owner, Guarantor or Non-U.S. Equity Holder or any person or entity that is proposed as a potential Borrower, Borrower Principal, SPE Equity Owner, Guarantor or Non-U.S. Equity Holder or any person or entity that Controls any Borrower, Borrower Principal, Guarantor or Non-U.S. Equity Holder:

1. Adverse information regarding Financial Crime
2. Negative credit events
3. Adverse actions that may pose a reputational risk for Freddie Mac including prior suits by tenants for improperly maintaining facilities with regard to insects or rodent pest control or other negative news events

9.4 Land trusts (03/03/14)

Under limited circumstances, Freddie Mac will consider purchasing Mortgages secured by multifamily properties owned by land trusts and located in Illinois, Indiana, Florida and Virginia. Mortgages secured by properties owned by land trusts and located in other States that do not provide for statutory land trusts are not eligible for purchase.

Land trust Mortgages must meet all Freddie Mac multifamily Mortgage eligibility requirements in addition to meeting the specific requirements of this section and Section 32.4.

A land trust that owns Property securing a Mortgage to be purchased by Freddie Mac must be a "sole asset" land trust; that is, the Property must be the only asset of the land trust.

9.5 Cooperatives (09/28/18)

Freddie Mac purchases Mortgages secured by multifamily Properties owned by Cooperatives (Co-ops). Co-op Mortgages must comply with the multifamily Mortgage eligibility requirements in addition to meeting the warranties detailed in Section 5.8.

9.6 Trusts (06/15/23)

a. Revocable and irrevocable trusts (06/15/23)

- A revocable or irrevocable trust may be an eligible Guarantor.
- If a revocable trust is a Guarantor, the settlor is a co-Guarantor with the trust.
- A revocable or irrevocable trust or a Massachusetts business trust may be a Borrower only in Freddie Mac's discretion following review of the information described below. A Massachusetts business trust will not be eligible to be a Borrower with respect to a Mortgage that will be securitized in a REMIC trust.

- A trust may not be an SPE Equity Owner.

b. Trust underwriting requirements (06/15/23)

In addition to its ordinary underwriting procedures, the Seller must take the following steps when reviewing an application for a Mortgage to a trust Borrower or for a Mortgage with a trust Guarantor. The Seller must examine the trust agreement to determine that

- The Seller has received a complete copy of the trust agreement including all amendments.
- If the trust is a revocable trust (also known as a living or inter vivos trust), the settlor (also known as the grantor) is the trustee or one of the co-trustees or there is an institutional trustee.
- If the trust is a revocable trust, the settlor is still alive and is a co-obligor or co-guarantor with the trust.

c. Trust legal requirements (06/30/15)

1. Legal analysis

The Seller/Service's legal counsel must examine the trust agreement to determine that the trust meets all of the following conditions in addition to meeting the general conditions set forth in Section 9.7, where applicable. This analysis is not required for a trust that is a Borrower Principal but is not a Guarantor unless specifically requested by Freddie Mac.

- a. If the trust is the Borrower, there are no statutory or contractual restrictions on the activities of the trust or the trustee that would impair the Borrower's ability to hold and manage the Property.
- b. If the trust is the Borrower, there is no unusual risk of impairment of Lender's rights (for example, the trust agreement should only permit distributions to be made from net income remaining after payment of amounts due under the Mortgage).
- c. The beneficiary does not need to grant written consent for the trust to borrow money or to guarantee the debt of another entity (as applicable); or, if the beneficiary must grant such consent, the beneficiary has granted the consent in writing for purposes of the Mortgage.
- d. If the trust is the Guarantor, the trustee is authorized to guarantee the debts of another entity.
- e. If the trust is the Guarantor, there are no statutory or contractual restrictions on the activities of the trust or the trustee that would impair the Guarantor's ability to guarantee the Mortgage.
- f. A lender can enforce its security interest in the trust property in the event of a default.
- g. The title insurer will provide full title protection to Freddie Mac, without exception for the trust structure.

- h. For a Massachusetts business trust, third parties may rely on a recorded certificate of the trustee certifying that he or she was authorized and directed by the beneficiary to execute and deliver deeds, mortgages, promissory notes, and all other documents required to be executed in connection with the Mortgage.
- i. If the trust is the Borrower, the form of identification of the Borrower in the deed conveying the Property to the trustee or trust is the same as that in each Loan Document and the title policy is the same as the form in which the Borrower holds title to the Property.

2. Additional requirements

If the trust fails to fully satisfy any of the above requirements and the trust will not be modified prior to the Origination Date of the Mortgage to comply with all of the requirements, the Seller/Servicer's legal counsel must provide a legal analysis detailing which requirements(s) will not be satisfied and the counsel's recommendation as to whether and why Freddie Mac should accept the trust agreement without it being fully compliant with this Section 9.6. The legal analysis memorandum must be in compliance with the preliminary legal issues memorandum (PLIM) requirements described in Section 6.4. If the trust agreement fully satisfies all of the above requirements, the Seller/Servicer's legal counsel must confirm in a PLIM that all such requirements have been satisfied.

9.7 Review of Borrower, SPE Equity Owner and Guarantor organizational documents (06/30/15)

The Seller/Servicer's legal counsel must review the organizational documents for any entity (including a trust, investment fund or REIT) that is a Borrower, SPE Equity Owner, or Guarantor to ensure that the following conditions are met:

1. The entity is validly formed under the laws of the State in which it was organized.
2. The entity (except the Guarantor, unless required by Freddie Mac) is qualified to do business in the State in which the Property is located.
3. The entity has the required organizational power to execute, deliver and perform its obligations under the Loan Documents or the Guaranty (as applicable).
4. The individual executing the Loan Documents or the Guaranty (as applicable) on behalf of the entity has been properly authorized by the entity to take such actions on its behalf.
5. The entity complies with any Freddie Mac conditions set forth in the Guide, the Letter of Commitment or the early rate lock application concerning the identity of Borrower Principals.
6. There is no risk of impairment of Freddie Mac's rights resulting from the structure or operation of the entity that would be unacceptable to a prudent institutional lender originating a mortgage loan secured by a comparable property in the same locale as the Property.
7. The entity does not expire during the term of the Mortgage.

8. The organizational documents of a Borrower that is required to be an SPE contain SPE covenants which require the Borrower to meet the requirements set forth in Section 6.13 of the Loan Agreement. The SPE covenants in the organizational documents are not required to be identical to those contained in the Loan Agreement but must be substantially similar.
9. The organizational documents of each SPE Equity Owner that is required to be an SPE contain SPE covenants that meet the requirements set forth in Section 6.13 of the Loan Agreement. The SPE covenants in the organizational documents are not required to be identical to those contained in the Loan Agreement but must be substantially similar.
10. If applicable, if the Borrower or SPE Equity Owner is a single member limited liability company, the provisions of Section 9.2(e) are met.
11. If required by Freddie Mac, the Borrower or SPE Equity Owner has one Independent Director/Manager as set forth in Section 9.2(d).

The Seller/Servicer's legal counsel will continue to be responsible for review of such documents, notwithstanding any submission of such documents to Freddie Mac. If the organizational documents do not meet the requirements set forth above, the Seller/Servicer's legal counsel must describe the differences and the counsel's recommendations in a PLIM. The legal analysis memorandum must be in compliance with the PLIM requirements described in Section 6.4. If the organizational documents fully satisfy all of the above requirements, the Seller/Servicer's legal counsel must confirm in a PLIM that all such requirements have been satisfied.

9.8 Adverse circumstances—Borrower (09/08/04)

There must be no circumstances or conditions of which the Seller is aware involving the credit standing of the Borrower that adversely affect the value or marketability of the Mortgage.

9.9 Preferred equity (02/16/23)

a. Equity contributions requiring Freddie Mac consent (04/14/22)

All Preferred Equity is subject to Freddie Mac's prior approval.

b. Definitions (02/16/23)

1. Common Equity

A form of investment in an entity provided by an equity investor, where the equity investor:

- Has an equal right to receive distributions, payments or returns (i.e., no such investor or class of investors receives any preferential payments or returns as compared to other equity investors) (sometimes referred to as "pari-passu" equity), or
- Is entitled to receive preferred distributions, payments or returns only out of net cash flow from the Property (i.e., cash flow, if any, available after payment of all operating expenses for the Property, lender's debt service, and any escrows and reserves

required by the lender) before any other investor receives any distributions, payments or returns (sometimes referred to as “soft pay” preferred equity)

If Common Equity has any characteristics constituting Preferred Equity or any unacceptable attributes of Preferred Equity as noted in Sections 9 c. and d. below, it will be considered to be a Preferred Equity investment for the purpose of the Guide. Additionally, if any other investment by the Common Equity investor, or an affiliate of the Common Equity investor, is determined to be Preferred Equity, then the Common Equity investment will be considered to be a Preferred Equity investment for the purpose of the Guide.

2. Preferred Equity

Any investment in an entity provided by an equity investor where the equity investor is entitled to receive periodic distributions, payments or returns (e.g., monthly, quarterly, annually, or other set period), that have priority over distributions, payments or returns to any other equity owner, whether or not there is sufficient net cash flow from the Property (sometimes referred to as “hard pay” preferred equity) (“Preferred Equity Return”).

c. Characteristics constituting Preferred Equity (02/16/23)

Any of the following characteristics constitute Preferred Equity:

- The equity contribution and/or any accrued Preferred Equity Return must be paid on a set date, or the property is subject to a predetermined date of sale or other disposition (“Redemption Date”)
- Equity investor has rights or remedies if not paid the Preferred Equity Return or all or any part of its equity contribution; provided, however, the right to force a sale of the property is not in and of itself a characteristic constituting Preferred Equity
- Equity investor has rights or remedies other than a forced sale if the Property fails to achieve any particular debt coverage ratio (DCR), loan-to-value ratio or other economic performance measure, while the Property is performing under the Mortgage
- Common Equity investments in the Borrower’s organizational structure made by the Preferred Equity investor, or its affiliate(s)

d. Unacceptable attributes of Preferred Equity (04/14/22)

The following are unacceptable attributes of Preferred Equity:

1. Any of the obligations related to the Preferred Equity are secured by any form of collateral
2. A Redemption Date that is prior to the maturity date of the Mortgage
3. A cash sweep at the Property level

4. The assignment of any cash reserves at the Property level other than reserves established solely from the proceeds of the equity contribution
5. An intercreditor agreement, subordination agreement, recognition agreement, or any other agreement with the Property lender to limit or delay lender's rights or remedies
6. An equity investment that also directly or indirectly capitalizes an entity affiliated with the Borrower which owns another property ("Affiliated Property") unless (a) Freddie Mac also intends to purchase a mortgage secured by the Affiliated Property and (b) the Mortgage and the mortgage on the Affiliated Property will be cross-collateralized or cross-defaulted.
7. The right for the Preferred Equity investor or its assignee(s) to remove or replace the person or entity with direct or indirect control of the Borrower ("Preferred Equity Control Takeover") based on the actions or inactions of any Person in any entity other than the Borrower or an entity in the Borrower's ownership structure
8. The right for the Preferred Equity investor or its assignee(s) to exercise any rights or remedies based on the economic performance of a property other than the Property
9. The right for the Preferred Equity investor or its assignee(s) to make protective advances that increase the size of the Preferred Equity investment for any reason other than to pay debt service, taxes, or insurance
10. The right for the Preferred Equity investor or its assignee(s) to acquire the equity interests of (i) the person or entity with direct or indirect control of the Borrower, or (ii) any other equity owner, without purchasing those interests for fair market value
11. Documentation of additional terms and requirements of the Preferred Equity investment other than in the organizational documents (i.e., there may not be any side letters)
12. The Preferred Equity investment is subject to draws, phased or deferred funding. Any Preferred Equity investment must be fully contributed on or prior to the Origination Date.
13. The right to exercise a Preferred Equity Control Takeover based on the Property's failure to achieve specific, quantifiable occupancy, NOI, debt service or other economic performance measures while the Property is performing under the Mortgage
14. Permits any payment to an equity investor before payment of operating expenses of the Property and all sums due to the lender under the Loan Documents
15. Includes any other attribute that Freddie Mac determines circumvents Freddie Mac's intent with respect to an acceptable Preferred Equity investment

e. Preferred Equity guaranty (04/14/22)

Any guaranty provided in connection with Preferred Equity must:

1. Not include a guaranty of repayment of the Preferred Equity from any person or entity that is also providing a Guaranty in connection with the Mortgage (“Mortgage Guaranty”)
2. Be expressly subordinate in all respects to the Loan Documents
3. Not include any guaranteed obligations other than:
 - Obligations that are substantially similar to the guaranteed obligations under the Mortgage Guaranty, and
 - The obligation to guaranty loss or damage caused by the trigger events set forth in the document “Preferred Equity Guaranty Acceptable Trigger Events”

f. Required analysis; compliance (02/16/23)

1. Prior to issuance of the Quote, the Seller/Servicer must advise Freddie Mac of any Preferred Equity, and provide the following information to the extent known:
 - Name of the Preferred Equity investor
 - Summary of the financial terms of the Preferred Equity and any Common Equity investment to be made by the Preferred Equity investor or its affiliate
 - a. Amount
 - b. Initial rate of the Preferred Equity Return (and if the rate changes, any deferred rate of the Preferred Equity Return)
 - Anticipated schedule for the funding of the Preferred Equity
 - Proposed Redemption Date
 - Any other material relating to the Preferred Equity
2. Seller/Servicer’s counsel must deliver the Equity Analysis no later than the delivery of the full underwriting package.
3. Seller/Servicer must require the Borrower to complete the Borrower’s Preferred Equity Financial Terms Summary and deliver it to Freddie Mac no later than the delivery of the full underwriting package
4. Seller/Servicer’s counsel must confirm that the operating agreement, joint venture agreement or similar agreement governing the Preferred Equity investment contains a prohibition against modifying any of the terms of the Preferred Equity, including the terms relating to the Preferred Equity Return, the Redemption Date or the amount of the Preferred Equity (except to decrease the amount of the Preferred Equity or the Preferred Equity Return) during the term of the Mortgage without the lender’s consent

g. Underwriting Preferred Equity (02/16/23)

1. The following underwriting requirements will apply to a Mortgage with Preferred Equity, and will be based upon Freddie Mac's final determination of NOI and value:
 - The amount of all Mortgages secured by the Property plus the Preferred Equity must not exceed 90 percent of value of the Property on the Origination Date. For purposes of this calculation, the Preferred Equity will include any Common Equity investment deemed to be a Preferred Equity investment pursuant to Section 9.9 (b) above.
 - For fixed-rate Mortgages, including supplemental loans, the NOI divided by the sum of each Mortgage's amortizing debt service payment and the amount of the Preferred Equity Return must be at least 1.05x.
 - For Floating-Rate Mortgages, including supplemental loans, the NOI divided by the sum of each Mortgage's amortizing debt service payment based on the comparable fixed rate and the amount of the Preferred Equity Return must be at least 1.05x.
2. If the Preferred Equity investment provides that the Preferred Equity Return changes during the term of the Mortgage, Freddie Mac will use the weighted average of the total Preferred Equity Returns to calculate the DCR
3. If Freddie Mac permits a Preferred Equity investment that would otherwise not be permitted pursuant to Section 9.9(d)(12) above, then for purposes of underwriting the proposed Mortgage with Preferred Equity, Freddie Mac will deem any Preferred Equity not fully contributed until after the Origination Date to be fully funded on the Origination Date

9.10 Investment fund (12/14/17)

a. Investment fund requirements (12/14/17)

In addition to its ordinary underwriting procedures, the Seller/Servicer must provide any information requested by Freddie Mac when it reviews an application for a Mortgage with an investment fund Guarantor.

b. Investment fund legal requirements (12/14/17)

If any Guarantor is an investment fund, the Seller/Servicer's counsel must review the organizational documents for the investment fund to ensure that, in addition to meeting the general conditions set forth in Section 9.7, where applicable, the following conditions are met:

1. The investment fund's termination date does not occur prior to the maturity date of the Mortgage.
2. The investment fund's organizational documents contain a customary provision regarding the orderly dissolution of the fund upon the occurrence of the investment fund's termination date.

Additionally, if specifically requested by Freddie Mac, this analysis of whether the conditions set forth in (1) and (2) above have been met may be required for an investment fund that is a non-guarantor Borrower Principal.

The Seller/Service's legal counsel will continue to be responsible for review of such organizational documents, notwithstanding any submission of such documents to Freddie Mac.

The Seller/Service's legal counsel must confirm in a preliminary legal analysis memorandum (PLIM) described in Section 6.4 that the organizational documents for the investment fund fully satisfy the above requirements. If the investment fund's organizational documents do not meet the above requirements, the PLIM must include a description of the differences and recommendations as to why Freddie Mac should approve the investment fund as a Guarantor or non-guarantor Borrower Principal, if required, without its organizational documents being fully compliant with this Section. Additionally, if the investment fund's termination date occurs prior to the maturity date of the Mortgage, the PLIM must include an explanation of any renewal options available to extend the fund and how such renewal options are exercised.

9.11 Foreign Guarantor (02/22/24)

A Foreign Guarantor is one of the following:

- Not a United States entity
- Not a United States citizen or lawful permanent resident of the United States
- A United States citizen or lawful permanent resident of the United States who does not reside in the United States

If Freddie Mac approves a Foreign Guarantor, Freddie Mac will require the Foreign Guarantor to appoint an agent in the United States acceptable to Freddie Mac for service of process on behalf of the Foreign Guarantor. The Borrower ownership structure must at all times comply with the requirements of Section 9.2.

If there is no additional financially compliant United States Guarantor, the Foreign Guarantor will be required to:

- Maintain a minimum Liquidity in one or more U.S. bank account(s) of five percent of the original principal balance of the Mortgage, or such other amount as Freddie Mac may require. If there is more than one Foreign Guarantor, the minimum five percent Liquidity requirement may be held in the aggregate by the Foreign Guarantors. The bank(s) holding the account(s) must be acceptable to Freddie Mac.
- For any Mortgage greater than \$40 million, provide an additional non-consolidation opinion acceptable to Freddie Mac, written in English, from the Foreign Guarantor's country of citizenship and/or residency.
- For any Mortgage greater than \$50 million, deliver an opinion of counsel, written in English, covering (i) the validity and enforceability of the form of appointment of the process agent

under the laws of the Foreign Guarantor's country of citizenship and/or residency, even if there were to be a change, whether voluntary or involuntary, in the Foreign Guarantor's permanent residence status in the United States, and (ii) the procedure for the collection and enforcement of any U.S. judgment obtained against the Foreign Guarantor in the Foreign Guarantor's country of citizenship and/or residency. The opinion must be acceptable to Freddie Mac and must be given by a firm that is familiar with the applicable laws of the country and which is otherwise acceptable to Freddie Mac.

9.12 Tenancy-in-common (TIC) (04/15/21)

A TIC may be an eligible Borrower if it meets all of the following conditions.

a. Conditions applicable to TIC owners (06/30/15)

- There may not be more than 10 TIC owners.
- Each TIC owner must be a Single Purpose Entity (SPE) regardless of the size of the loan.

b. Tenant in common agreement (09/25/15)

The tenant in common agreement ("TIC Agreement") must include the following (all references to Freddie Mac may be to any mortgage lender in general; all references to the Mortgage may be to any loan in general; all references to Freddie Mac Loan Documents may be to loan documents in general):

1. General

- Name, address, telephone number and percentage of ownership interests of each TIC owner
- Requirement that no termination, modification or waiver of the TIC Agreement may be made without Freddie Mac's prior written consent
- Provision that names Freddie Mac as a third-party beneficiary of the TIC Agreement
- Provision that allows Freddie Mac to enforce the provisions of the TIC Agreement against any party to the TIC Agreement
- Specific provision for transfer of ownership interests, particularly in the event of death of an individual, or divorce of a couple owning a common interest

2. Management

- The name of the entity that is responsible for the management of the Property ("Manager")
- The authority of the Manager for both actions and expenditures

The Manager must have actual or effective authority for managing the day-to-day operation of the Property and leasing the Property and must control the operating

budget, operating account(s), and other accounts with respect to the Property. The Manager must at all times be a “Qualifying Manager” as set forth below. The TIC owners and the Manager (unless the Manager is a third-party manager) must agree to stand still with respect to the enforcement of any of their rights and remedies under the management agreement and must not take any enforcement action with respect to the management agreement so long as the Mortgage is outstanding.

A “Qualifying Manager” is a property manager acceptable to Lender which meets all of the following requirements:

- Is a reputable management company having at least five years’ experience in the management of multifamily properties and in the metropolitan area or other appropriate geographic area in which the Property is located
- Has, for at least five years prior to its engagement as property manager, managed at least five multifamily properties
- At the time of its engagement as property manager, has units of the same property type as the Property equal to the lesser of (A) 10,000 units and (B) five times the number of units the Property has
- Is not the subject of a bankruptcy or similar insolvency proceeding
- Decisions for which consent from the TIC owners is required
- If the TIC owners’ consent is required, the percentage required and how that consent can be given (For example, does consent need to be in writing?)
- An irrevocable power-of-attorney from the TIC owners for the Manager to deal with Freddie Mac on matters relating to the operation and maintenance of the Property

3. Limitations on TIC owners

The TIC Agreement must provide that at all times while the Mortgage is outstanding, each TIC owner will agree to the following:

- Not to seek to partition the Property
- Not to allow its interest in the Property to become subject to any liens from any third parties and if a lien is filed by a third party to promptly discharge such lien
- To the extent applicable, to waive its rights to residency in the Property
- To promptly notify all other TIC owners and Freddie Mac of any change in address or telephone numbers
- To waive any and all lien rights it holds against any other TIC owners, including any capital calls, for a failure of such TIC owner to perform its obligations as a tenant in common, either under the TIC Agreement or at law

- To subordinate any and all rights and remedies, including rights of indemnity or otherwise, under the TIC Agreement or at law, to the lien of the Mortgage and all other terms and provisions of the Loan Documents
- To stand still with respect to the enforcement of any of their rights and remedies, under the TIC Agreement or at law, and take no enforcement action with respect to such rights and remedies

4. Requirements related to the Mortgage

The TIC Agreement must include all of the following;

- Provision that all payments under the Mortgage have priority over distributions to the TIC owners and that all distributions to TIC owners will in all ways be subordinate and subject to the terms and conditions of the Mortgage
- Requirement that each TIC owner will promptly respond to requests for information from other TIC owners and Freddie Mac
- Requirement that each TIC owner will promptly make themselves available for execution of documents required by Freddie Mac
- Agreement that any rights of first refusal with respect to or options to purchase the Property will be subordinate to the lien of the Mortgage
- Provision that the TIC Agreement is subject to all requirements and restrictions set forth in the Freddie Mac Loan Documents, noting particularly that any provisions for transfer of ownership interests are subject to, and may be limited by, the provisions of the Loan Documents

c. Additional requirements pertaining to TIC Agreements (04/15/21)

If the TIC Agreement fails to fully satisfy any of the requirements outlined in Sections 9.12(a) and (b) above, and the TIC Agreement will not be modified prior to the Origination Date of the Mortgage to comply with all of the requirements, the Seller/Servicer's legal counsel must provide a legal analysis detailing which requirement(s) will not be satisfied and the counsel's recommendation as to whether and why Freddie Mac should accept the TIC Agreement without it being fully compliant with this Section 9.12. If the TIC Agreement fully satisfies all of the requirements above, the Seller/Servicer's legal counsel must confirm in a PLIM that all such requirements have been satisfied.

10.1 Freddie Mac's core credit principles (11/30/12)

Freddie Mac bases its credit decisions on the following core credit principles:

- **Cash Flow:** Freddie Mac invests in Mortgages secured by residential rental properties that produce sustainable cash flow sufficient to provide net operating income that will cover the debt service for the entire term of the Mortgages.
- **Market Knowledge:** Freddie Mac considers a current and comprehensive knowledge of the economic strength and resiliency of the applicable market to be key to any prudent credit decision.
- **Equity:** Borrower Principals (sponsors) who have verifiable cash investment in a Property will receive the best credit terms since they have a strong incentive to actively manage the operation of the Property, which contributes to the growth of equity.
- **Viable Exit:** Each Mortgage must show a clear, definable exit at loan maturity through refinance, sale or amortization. The projection of exit at maturity must take into consideration future interest rate and value estimates as well as other possible market constraints.
- **Sponsorship:** Borrower Principals (sponsors) who have the most operational experience, the greatest financial strength and the most extensive property ownership will be eligible for the best credit terms since these are key factors to the long-term success of multifamily properties.
- **Quality Real Estate Collateral:** Properties securing Freddie Mac-owned Mortgages must be of good quality, representing high standards for the applicable property class and market.

The individual program and product chapters detail specific program or product requirements. If there is a conflict between any provision of this chapter and any provision of another chapter of the Guide that contains requirements for a specific Mortgage purchase program or product, the program- or product-specific chapter will control.

10.2 Seller/Servicer evaluation of Property and Borrower (04/13/23)

a. Seller/Servicer evaluation factors (04/13/23)

The underwriting of a multifamily Mortgage involves consideration of the economics of the Property as well as of the financial capability, credit standing and managerial ability of the Borrower.

The Seller/Servicer must determine that each multifamily Mortgage offered for sale to Freddie Mac meets the purchase standards and other requirements commonly acceptable to private institutional mortgage investors in the area in which the Property is located. The Seller/Servicer must base this determination on its thorough evaluation of all available pertinent information. The Seller/Servicer's evaluation must include an analysis of the Borrower's investment policy and long-range plans for the Property.

The Seller/Servicer must memorialize the gathered information and its evaluation in writing.

The Seller/Servicer must include the following in its evaluation:

Guide Bulletin Update ~~10/19/23~~10/17/24 Chapter 10 – Page 2

1. Management

The quality of the management of the Property is significant to maintaining or increasing net income and, therefore, to the success of the Property. Good management will keep the Property competitive and rented to the extent necessary to operate the Property at a profit when possible. Good management also enacts good maintenance and replacement policies that maintain the Property at adequate standards to maximize rents. Maintenance must be consistent with the Property's quality and financial ability to pay while maintaining maximum occupancy. The Borrower must recognize the difference between minimal maintenance and maintenance that may improve the net income of the Property on a continuing basis.

2. Borrower's creditworthiness

The Seller/Servicer must analyze each Borrower's and Key Borrower Principal's creditworthiness. The evaluation of the Borrower's and Key Borrower Principal's financial responsibility and credit history is a major consideration in the underwriting. Not only must there be strong evidence of ability to repay and/or guaranty the Mortgage, but also a history of making payments according to the terms of other financing.

3. Borrower's equity

The Seller/Servicer must carefully analyze the Borrower's and Key Borrower Principal's financial statements to determine the Borrower's and Key Borrower Principal's equity as it relates to real estate investments, mortgage debt and attendant mortgage demands on equity. If the Borrower's or Key Borrower Principal's holdings are encumbered so that the debt service on those holdings requires a high percentage of the rental income from those properties or if the holdings consist substantially of unimproved or underimproved properties having little or no gross income, the Seller/Servicer must exercise care to determine whether the Borrower and Key Borrower Principals can and will be able to meet all of the loan obligations of the Property.

b. Key Borrower Principal guaranty and spousal information (04/13/23)

The evaluation of the Property and Borrower may result in Freddie Mac requiring one or more of the Key Borrower Principals, in the Key Borrower Principal's individual capacity, to guaranty the payment of all or a portion of the amounts due and the performance of certain obligations of the Borrower under the Mortgage. If more than one Key Borrower Principal provides such a guaranty, the Guarantors' liability may be joint and several.

If Freddie Mac requires one or more of the Key Borrower Principals to guaranty the payment of all or a portion of the amounts due under the Mortgage, such Key Borrower Principal must satisfy Freddie Mac's standards for creditworthiness. If it is determined that a Key Borrower Principal's financial strength does not meet Freddie Mac's standards for creditworthiness for the Mortgage, then Freddie Mac may require additional credit enhancement or an additional Guarantor.

In determining the financial strength of the Key Borrower Principal, the Seller/Servicer must not request information about the Key Borrower Principal's spouse or former spouse and

must not require the Key Borrower Principal's spouse or former spouse to guaranty the Mortgage except for the following reasons:

- The Key Borrower Principal is relying on the spouse's income or assets as a basis for guarantying the Mortgage, or
- The spouse has a substantial interest in the Borrower and/or the Property.

10.3 Creditworthiness of a previous Borrower (04/13/23)

Freddie Mac does not consider the creditworthiness of a previous Borrower in its underwriting process. If the Borrower purchased the Property subject to the Mortgage or assumed the Mortgage, Freddie Mac will consider only the current Borrower's and Key Borrower Principal's creditworthiness.

10.4 Underwriting analysis (11/30/12)

High-quality underwriting is essential to protect Freddie Mac's interests in its purchase of Mortgages. This includes consideration of objective and subjective criteria in the review of the Borrower's qualifications and of the proposed Property. The information required in Sections 10.2 and 10.3 and under each program or product is essential for a meaningful underwriting.

Some of the foremost factors the Seller/Serviceicer must consider include the following:

1. Borrower's qualifications (see Section 10.2)
2. Property vacancy, market vacancy and/or collection loss
3. Rental concessions and rent levels
4. Tenant demand and housing supply
5. Property operating and maintenance expenses
6. Property physical condition
7. Debt Coverage Ratio
8. Loan-to-Value Ratio
9. The return on the Borrower's equity
10. Estimated long-term marketability of the Property

Freddie Mac will not purchase a Mortgage unless there is a positive return on the Borrower's equity before income tax considerations.

10.5 SPE Equity Owner (11/30/12)

An SPE Equity Owner may not be the Guarantor.

10.6 Amortization/term (09/08/04)

All monthly payments on a Mortgage must be due on the first day of the month.

For an amortizing mortgage, the monthly payments on the Mortgage, including principal and interest, must be sufficient to fully amortize the Mortgage within a period of not more than 30 years. The term of the Mortgage may be the same as or shorter than the amortization period.

For purposes of calculating the original maturity of a fixed-rate or interest-only Mortgage, the commencement date of the Mortgage term is

- For newly originated fixed-rate or interest-only Mortgages, the date one month prior to the Due Date of the first amortization payment or full interest-only payment
- For fixed-rate or interest-only Mortgages that have been modified prior to delivery to Freddie Mac, the date one month prior to the Due Date of the first amortization payment or full interest-only payment on the modified Mortgage

For example, in both of the above cases, if the Due Date of the first amortization payment is April 1, 1986, the commencement of the Mortgage term is March 1, 1986.

10.7 Investment quality (04/13/23)

The Mortgage must have the characteristics of an “investment quality mortgage,” which is defined as a loan to a Borrower from whom timely repayment of the debt can be expected and that is secured by real property providing sufficient value to recover the lender’s investment if a default occurs. The characteristics of an “investment quality mortgage,” may include:

1. Strong market (which is demonstrated by low vacancy, minimal rental concessions, stable or increasing tenant demand, good balance of housing supply and demand, stable economic base, and employment diversification)
2. Strong property operations (which is shown by low vacancy, minimal rental concessions, stable or increasing rents, and stable or decreasing operating and maintenance expenses)
3. Excellent property condition
4. Strong Borrower and Key Borrower Principals (which is evidenced by a strong net worth, liquidity, credit history and experience)
5. Proven management ability of the Borrower, Key Borrower Principals or third-party property manager

10.8 Mortgage lien priority (11/30/12)

a. Mortgages which are not supplemental Mortgages (11/30/12)

Each Mortgage must be a valid First Lien on the Property. The Property must be free and clear of all prior liens and encumbrances. No rights may be outstanding that could give rise to such liens, except for liens for real estate taxes and special assessments not yet due and payable and those that Freddie Mac has waived in writing.

Each Mortgage must also be a valid First Lien security interest in all fixtures, all of the Borrower's personal property that is located in or on the Property or is used or is intended to be used in connection with the Property and any other UCC collateral defined in the Security Instrument, whether owned at the time the Mortgage is made or acquired after that date. (See Section 29.4 for requirements related to Uniform Commercial Code searches.)

A security interest must be perfected on all personal property of the Borrower which is located in or on the Property or is used or intended to be used in connection with the Property, whether owned at the time the Mortgage is made or acquired after that date.

b. Supplemental Mortgages (11/30/12)

Each supplemental Mortgage originated pursuant to Chapter 20 must be a valid lien on the Property, with the applicable priority approved by Freddie Mac. Except as approved in writing by Freddie Mac

- The Property must be free and clear of all prior liens and encumbrances.
- No rights may be outstanding that could give rise to any prior liens, except for liens for real estate taxes and special assessments not yet due and payable.

Each supplemental Mortgage must also be a valid security interest in all fixtures, all of the Borrower's personal property that is located in or on the Property or is used or is intended to be used in connection with the Property and any other UCC collateral defined in the Security Instrument, whether owned at the time the Mortgage is made or acquired after that date. (See Section 29.4 for requirements related to Uniform Commercial Code searches.)

A security interest must be perfected on all personal property of the Borrower which is located in or on the Property or is used or intended to be used in connection with the Property, whether owned at the time the Mortgage is made or acquired after that date.

10.9 Adverse circumstances -- Mortgage (09/08/04)

There must be no circumstances or conditions of which the Seller is aware involving the Mortgage that adversely affect the value or marketability of the Mortgage.

10.10 Originator and origination fees (09/28/18)

The Seller is fully liable for all warranties and representations made to Freddie Mac regardless of who originated the Mortgage, including the warranties and representations regarding origination fees in Section 5.3(d).

10.11 Mortgage not modified (11/30/12)

The Mortgage must be a legal, valid and binding obligation of the Borrower, enforceable according to its terms and conditions, and free from any right of setoff, counterclaim or other claim or defense. No part of the Property may have been released from the Mortgage.

The terms of the Mortgage may not be modified, amended or in any way waived or changed, except as approved by Freddie Mac prior to the delivery of the Mortgage and as evidenced in a

Guide Bulletin Update ~~10/19/23~~10/17/24 Chapter 10 – Page 6

written modification agreement or other document that the Seller delivers to Freddie Mac with the Mortgage.

10.12 Principal amount advanced; no mandatory future advances; outstanding balance (04/30/13)

The Mortgage originator must have advanced the full principal amount of each Mortgage to the Borrower or according to the direction of the Borrower. The Borrower must not have an option under the Loan Documents to borrow additional funds secured by the Security Instrument from the Seller or the Servicer or any other person.

The outstanding principal balance of the Mortgage must be as represented by the Seller to Freddie Mac and must be fully secured by the Security Instrument.

10.13 Compliance with laws (04/30/13)

a. General requirements (04/30/13)

The Seller, as Mortgage originator, and the Mortgage must meet all requirements of all federal, State, and local laws, rules and regulations applicable to Mortgages and mortgage transactions, including truth in lending laws, licensing laws, doing-business laws and usury laws.

b. Equal Credit Opportunity Act and Fair Credit Reporting Act compliance (04/30/13)

If the Seller declines a Mortgage application or if the Mortgage application is incomplete, the Seller, as Mortgage originator, must comply with all applicable laws, rules and regulations, including the Equal Credit Opportunity Act and Fair Credit Reporting Act, as amended from time to time.

1. Equal Credit Opportunity Act (ECOA)

If an application is incomplete or declined, the Seller must deliver written notice to the Borrower on behalf of Freddie Mac within the applicable timeframe stated in ECOA and in substantial conformity of the applicable model notices included in Appendix C of ECOA.

2. Fair Credit Reporting Act (FCRA)

In addition to the requirements above, if a Mortgage application is declined due to an adverse credit report of an individual Borrower Principal (i.e., the general partner in a partnership), the Seller must comply with the FCRA, including the delivery of written notice solely to the individual Borrower Principal on behalf of Freddie Mac with the adverse credit report in accordance with Section 615 of FCRA, as amended from time to time.

The Seller must maintain a record of all written notices that it sends out on behalf of Freddie Mac and must maintain copies in accordance with ECOA and FCRA, as applicable.

10.14 Mortgage not in default (09/08/04)

All costs, fees and expenses incurred in making, closing and recording the Mortgage must have been paid. Within the three-month period before the Delivery Date, there must not have been outstanding any advance of funds by the Seller or any prior holder of the Mortgage, or by another at the request of the Seller or any prior holder of the Mortgage, to or on behalf of the Borrower to be used by the Borrower for the payment of any monthly installment, principal, interest or other charges payable under the terms of the Mortgage.

10.15 Seller authorized to sell Mortgage; Purchase and Servicing Documents authorized (04/30/13)

As of the Freddie Mac Funding Date, the Seller must

- Be the sole owner of the Mortgage
- Have full legal authority to sell, transfer and assign the Mortgage to Freddie Mac, and
- Have duly taken all required corporate action and obtained any consents required to sell, transfer and assign the Mortgage to Freddie Mac free and clear of all claims, security interests, participations or other encumbrances

The Seller must have duly authorized, executed and delivered the Purchase Contract, which must be valid, binding and enforceable according to its terms and conditions.

Compliance by the Seller with the terms and conditions of the Purchase and Servicing Documents must not conflict with, result in a breach of or default under, or be adversely affected by any of the following:

- Any terms and conditions of the charter or bylaws of the Seller
- Any agreement or instrument to which the Seller is a party
- Any judgment, order or regulation to which the Seller is subject

The Seller must be a Seller/Service in good standing on the date of the Seller's offer, on the Delivery Date and on the Freddie Mac Funding Date.

10.16 Characterization and nature of SBL Mortgages (06/30/16)

For SBL Mortgages:

1. The Seller and Freddie Mac agree that with respect to every SBL Mortgage purchase and sale transaction entered into under the Purchase and Servicing Documents, the Seller and Freddie Mac intend the transaction
 - To be construed as the Seller's sale, transfer, conveyance and delivery of each SBL Mortgage to Freddie Mac

- To be construed as Freddie Mac's purchase and receipt of such SBL Mortgage
 - Not to be construed as the Seller's pledge to secure a debt or any other obligation
2. The Seller and Freddie Mac intend for the sale, transfer, conveyance and delivery of all SBL Mortgages to Freddie Mac by the Seller to be true, absolute and unconditional sales.

If despite the intent of the Seller and Freddie Mac, the SBL Mortgages (or any of them) are determined to be the property of the Seller (i.e., the sale was not a true sale), Freddie Mac and the Seller agree that

- The Purchase and Servicing Documents create a security agreement within the meaning of the Uniform Commercial Code (UCC) in effect in the applicable State, conveying to Freddie Mac a security interest in all of the Seller's right, title, and interest in and to the Mortgage and all proceeds from the Mortgage
- Freddie Mac is the secured party under such security agreement
- The possession by Freddie Mac of the Notes (and any related documents) will be deemed to be possession by Freddie Mac for purposes of perfecting the security interest pursuant to the UCC
- The Seller will assist Freddie Mac with any reasonable actions necessary to ensure that Freddie Mac receives a perfected security interest of first priority under applicable law
- Freddie Mac will have all of the rights and remedies of a secured party and creditor under the UCC and may execute and file UCC financing statements as reasonably necessary

10.17 Purchase amount (09/08/04)

Generally, the amount paid by Freddie Mac to purchase a multifamily Mortgage will not exceed 100 percent of the outstanding principal balance of the Mortgage, adjusted for prepaid or accrued interest as of the day before the Freddie Mac Funding Date.

10.18 Permitted Mortgage amount - Acquisition financing ~~(10/19/23)~~ and certain refinances ~~(10/17/24)~~

The Mortgage amount must be based on the lesser of the appraised value or the total acquisition cost. This section applies not only to acquisition transactions, but also to refinance loans in which the Property was acquired within the ~~prior~~-12 months prior to Mortgage origination when required by the Letter of Commitment for the Mortgage. A description of the appraised value is found in Chapter 60. (See also Section 32.3 for settlement statement content regarding closing costs.)

a. Total acquisition costs (10/19/23)

11.2 Letters of credit (08/18/22)

a. General requirements for a letter of credit (04/15/21)

Freddie Mac will accept a letter of credit in the following circumstances:

- As part of the Seller/Servicer's good faith deposit delivered as security for part of the Seller's obligations under an early rate-lock application under Chapter 27 (see Section 27.10), so long as the letter of credit meets the requirements set forth in Section 11.2(b); or
- As security for the Borrower's obligations (for example, under a Rental Achievement Agreement or any other agreement for Reserves), subject to Freddie Mac's approval, so long as the letter of credit meets the requirements set forth in Section 11.2(b); or
- As collateral held until stabilization in connection with a transaction under the Moderate Rehabilitation (Mod Rehab) with LIHTC product; or
- As security for the Borrower's obligations under a Forward Commitment issued by Freddie Mac; or
- As security for the Seller/Servicer's Reimbursement Obligations under its Master Agreement; or
- As security for the SBL Seller/Servicer's SBL Obligations under Chapter 46SBL.

Additional requirements:

- Any letter of credit must be obtained from a person or entity other than the Borrower or any SPE Equity owner, and
- No Borrower or SPE Equity Owner may have any liability or other obligations under any reimbursement agreement with respect to any letter of credit or otherwise in connection with reimbursement to the issuer for draws on such letter of credit.

Freddie Mac, in its discretion, may accept a letter of credit in other circumstances if the letter of credit meets all of the requirements set forth in this section.

b. Issuer and issuer's rating (12/12/14)

At the time of issuance of the letter of credit (including any renewal, replacement or amendment of an existing letter of credit), the issuer of the letter of credit must be listed on the Approved Counterparties List. If the issuer of the letter of credit is not currently approved,

the Seller/Servicer must provide Freddie Mac with a completed Counterparty Approval Request.

Unless the Seller/Servicer has obtained Freddie Mac's prior written approval, the following issuers of letters of credit are not permitted:

- The Seller/Servicer or Affiliated Persons of the Seller/Servicer in connection with a Mortgage originated or serviced by that Seller/Servicer, or
- Affiliates of the Borrower.

At the time of issuance of the letter of credit to the Seller/Servicer, the issuer of a letter of credit must be a domestic Eligible Institution or an agency or branch of a foreign Eligible Institution located in the United States. If at any time the issuer of the letter of credit ceases to be an Eligible Institution, Freddie Mac or its successors and assigns will have the right to immediately draw down the letter of credit in full and hold the proceeds of such draw in accordance with the applicable provisions of the Loan Documents.

Any letter of credit must be freely assignable by Freddie Mac and its successors and assigns without any consent or approval of the issuer of such letter of credit and without cost to Freddie Mac or its successors and assigns. All letters of credit must have an acceptable assignment form attached to them when delivered in the Purchase Final Delivery Package.

Freddie Mac may withdraw approval of a letter of credit issuer at any time for any reason. See Section 11.2(g) for additional information.

c. Issuer's security (02/28/11)

For all Mortgages, the issuer may not have a lien on all or part of the Property or related personal property as collateral for the Borrower's obligations to the issuer without Freddie Mac's prior written consent.

d. Form of letter of credit (06/29/17)

The letter of credit must:

1. Be a clean, irrevocable, unconditional standby letter of credit
2. Be issued for the account of the Borrower in the case of a Borrower obligation, or for the Seller/Servicer's account in the case of the Seller/Servicer's obligation
3. Name Freddie Mac as the sole beneficiary
4. Be in the amount determined by Freddie Mac
5. Have an initial term of:
 - Not less than six months for a letter of credit issued in connection with an early rate-lock application that does not have an extended term

- Not less than twelve months for a letter of credit issued in connection with a Rental Achievement Agreement or any other agreement for Reserves, debt service Reserve or an early rate-lock application with an extended term
 - Not less than 60 days following the maturity date of the Forward Commitment for a letter of credit issued in connection with a Forward Commitment
 - Not less than 60 days after the end of the Mod Rehab period for a letter of credit issued in connection with a transaction under the Mod Rehab with LIHTC product
 - Not less than 12 months following its delivery date to Freddie Mac for the Seller/Servicer's SBL Obligations under Chapter 46SBL; such letters of credit must also be renewable by amendment for a letter of credit issued as collateral
6. Provide that it may be drawn in whole or part by presentation to the issuer of a sight draft without any other requirements to the right to draw (The form of sight draft is found as Exhibit A to the form of letter of credit found at mf.freddiemac.com/lenders/legal)
 7. Except for a letter of credit issued in connection with a Seller/Servicer's SBL Obligations under Chapter 46SBL, be in the form found at mf.freddiemac.com/lenders/legal

e. Seller/Servicer responsibilities regarding letters of credit (08/18/22)

Within 30 days prior to the issuance of a new letter of credit, including a renewal, replacement, or amendment of an existing letter of credit, the Seller/Servicer must:

1. For a letter of credit that the Seller/Servicer is holding, verify that the issuer of the letter of credit is listed on the Multifamily Counterparty Approved List.
2. For a letter of credit that Freddie Mac holds, verify that the rating of the issuer complies with Freddie Mac's requirements.
3. Bring to Freddie Mac's attention any variations from the Freddie Mac form of letter of credit and explain whether such variations are material.
4. Complete the Letter of Credit Certification form or Form 921, Letter of Credit – SBL Certification, as applicable.
5. Obtain an opinion of the issuer's counsel with respect to the issuer of the letter of credit, which opinion must provide that:
 - The issuer has the power and authority to execute and deliver the letter of credit.
 - The letter of credit constitutes the legal, valid and binding obligation of the issuer, enforceable by the lender (or by Freddie Mac, in the case of a letter of credit as collateral for a Seller/Servicer's Reimbursement Obligations or SBL Obligations) against the issuer in accordance with the terms of the letter of credit.
 - The opinion is intended to be relied upon by the lender and its successors as holder of the Mortgage (or by Freddie Mac, in the case of a letter of credit as collateral for a Seller/Servicer's Reimbursement Obligations or SBL Obligations).

For all other Mortgages, the information in this subsection must be delivered to *Multifamily Asset Management, Borrower Transactions*.

- Any time the Seller/Servicer is holding the original letter of credit, the Seller/Servicer must deliver to Freddie Mac a copy of the letter of credit, the original Letter of Credit Certification and original opinion of issuer's counsel.
- For a letter of credit that Freddie Mac will hold, the Seller/Servicer must deliver the original letter of credit to Freddie Mac with the Final Delivery Package.

g. Change in issuer's Freddie Mac approval status (06/29/17)

Freddie Mac may withdraw approval of a letter of credit issuer at any time and for any reason.

- For Mortgages prior to origination:

If Freddie Mac withdraws its approval of an issuer of a letter of credit prior to origination of the Mortgage, in the case of a letter of credit held in connection with an early rate-lock application or any Forward Commitments:

- The TAH Seller/Servicer must notify *Multifamily TAH Production*

If Freddie Mac withdraws its approval of an issuer of a letter of credit, the Servicer must require the Borrower to obtain any renewals, replacements or amendments of an existing letter of credit from an issuer approved by Freddie Mac as of the date of the renewal, replacement or amendment. Letters of credit that have not expired are not affected by the change in the issuer's approval status.
 - For letters of credit securing an SBL Seller/Servicer's SBL Obligations: If Freddie Mac withdraws its approval of an issuer of a letter of credit, the SBL Seller/Servicer must obtain any renewals, replacements or amendments of an existing letter of credit from an issuer approved by Freddie Mac as of the date of the renewal, replacement or amendment. Letters of credit that have not expired are not affected by the change in the issuer's approval status.

h. Delivery of letter of credit to Freddie Mac (06/29/17)

The Seller must deliver the original letter of credit, the original opinion of issuer's counsel and the Letter of Credit Certification or the Form 921, Letter of Credit – SBL Certification, as applicable, as specified below:

- For Mortgages or SBL Mortgages, with the Final Delivery Package

- For any other matter, as specified by Freddie Mac in the applicable agreement or Chapter 46SBL

i. Presentation of letter of credit (10/07/08)

Upon receipt of written instructions from Freddie Mac, the Seller/Servicer is authorized to present a sight draft to the issuer of a letter of credit and draw on the letter of credit.

The Seller/Servicer must hold the funds it obtains from a letter of credit in trust for Freddie Mac in an account in the name of the Seller/Servicer as custodian for Freddie Mac until it receives instructions from Freddie Mac as to where it should deposit the funds.

j. Notification to Freddie Mac of letter of credit expiration (02/27/15)

The Seller/Servicer must provide Freddie Mac with written notice of the expiration of any letter of credit not less than 30 days prior to the expiration of the letter of credit.

k. Indemnification (10/07/08)

The Seller must indemnify and defend Freddie Mac against any claims that may be asserted against Freddie Mac and any costs (including attorneys' fees), losses or damages that Freddie Mac may incur as a result of any failure by the Seller/Servicer to perform its obligations with regard to any letter of credit.

11.3 Third-party interest rate cap requirements for cash ARMs (02/29/16)

For any cash ARM where Freddie Mac has required an interest rate cap and the ARM does not have an internal interest rate cap, Freddie Mac requires that the Borrower obtain an interest rate cap agreement with a third party cap provider ("cap agreement"). The Borrower must maintain a cap agreement until the entire indebtedness is paid in full.

See Sections 28.12 and 28.18 for interest rate cap requirements for Bond Credit Enhancement Mortgages.

a. Cap provider (12/12/14)

At the time of acquisition of the cap, and based on the term of the cap, the cap provider must be listed on the Approved Counterparties List. If the cap provider is not currently approved, the Seller/Servicer must provide Freddie Mac with a completed Counterparty Approval Request.

Unless the Seller/Servicer has obtained Freddie Mac's prior written approval, the following cap providers are not permitted:

- The Seller/Servicer or Affiliated Persons of the Seller/Servicer in connection with a Mortgage originated or serviced by that Seller/Servicer, or
- Affiliates of the Borrower.

Freddie Mac may withdraw approval of the cap provider at any time for any reason.

The cap provider must maintain the rating required by Freddie Mac in the governing transaction documents (for example the cap agreement) throughout the term of the cap.

b. Cap agreement (04/07/06)

Freddie Mac will accept a cap agreement only in the form agreed upon by Freddie Mac and the approved cap provider. The Seller/Servicer must notify the *Applicable Freddie Mac Multifamily Regional Office* of the name of the cap provider and must request that Freddie Mac provide the Seller/Servicer with the agreed form of cap agreement for that cap provider.

c. Cap guaranty; opinion (04/07/06)

Freddie Mac will notify the Seller/Servicer whether a cap agreement guaranty and/or opinion of counsel are required. If a cap agreement guaranty and/or an opinion of counsel are required, Freddie Mac will provide the Seller/Servicer with the forms of such document(s).

d. Delivery of cap agreement (02/29/16)

The Borrower must deliver an electronic copy of the cap agreement to the Seller/Servicer. For a newly originated Mortgage, the Borrower must bid the cap agreement not later than the Origination Date. The Seller must deliver an electronic copy of the cap agreement in the Final Delivery Package.

e. Payments under the cap agreement (04/07/06)

- So long as there is not an event of default and the Borrower has made the full monthly payment due, the Servicer will remit any payments made by the cap provider to the Borrower.
- Following an event of default, Freddie Mac may apply any payments made under the cap agreement to the Mortgage in any order and amount that Freddie Mac determines.

f. Reserve for subsequent cap agreement (07/01/14)

If a cap agreement expires prior to the maturity date of the Mortgage, during the term of the cap agreement, the Borrower must make monthly deposits with the Servicer on the first day of each calendar month ("cap deposits"). The cap deposits must be sufficient to accumulate funds in an amount equal to 125 percent of the amount estimated by the Servicer to be sufficient to purchase, immediately prior to the termination of the then-existing cap agreement, a subsequent third-party cap agreement (see Section 43.22).

g. Expiration of cap agreement (04/07/06)

- Any time a cap agreement expires, a new cap agreement has not been put into effect and an event of default has occurred, Freddie Mac, at its option, may apply any payment made by the Borrower under the Note to the purchase of a cap agreement.
- Any time a cap agreement expires and a new cap agreement has not been put into effect, Freddie Mac, at its option, may apply the default interest rate contained in the Note.

h. Servicing a cap agreement (02/07/08)

See Sections 43.21 and 43.22 for the Servicing requirements for a cap agreement.

11.4 Reliance on third-party reports (09/18/14)

This Guide contains specific reliance provisions for various types of third-party reports. If not otherwise specified in this Guide, each third-party report must include the following provision:

11.5 Insurance requirements for third-party consultants (10/12/17)

Freddie Mac requires the following third party consultants to have the insurance coverage described below:

- Appraisers
- A/E Consultants performing the duties outlined in Chapter 63
- Property condition or Physical Risk consultants
- Environmental consultants
- Property inspectors conducting:
 - Forward Commitment property inspections as described in Section 8.16(b)
 - Property inspections at time of conversion as described in Section 8.16(d)

These third party consultants must have the following insurance coverage in place:

- Commercial General Liability (CGL) insurance with limits of at least \$1 million per occurrence and \$2 million aggregate with a maximum deductible amount of \$35,000

- Worker's Compensation insurance as required by law
- Automobile liability insurance for all owned (if any), non-owned and hired vehicles of \$1 million per accident

The Seller/Service provider should review the insurance coverage held by third-party consultants and determine and document that the consultants have adequate insurance relevant to the work to be performed.

11.6 Real Estate Schedule – Form 1116 verification (~~08/15/24~~10/17/24)

a. Verification applicability (~~04/18/24~~10/17/24)

The requirements in this section apply to transactions taken under Seller Application on or after April 18, 2024, with respect to each Form 1116, Real Estate Schedule, delivered to Freddie Mac for the following parties:

- For all Mortgages, each Key Borrower Principal with Ultimate Control and each Guarantor meeting the definition of a First-Time Sponsor,
- For all Mortgages other than SBL Mortgages, each Key Borrower Principal with Ultimate Control and each Guarantor meeting the definition of a Limited Multifamily Experience Sponsor as referenced in Section 9.2(d), and

This verification is not applicable to U.S. Public Companies or Governmental Entities that are First-Time Sponsors or Limited Multifamily Experience Sponsors.

b. Verification requirements (~~08/15/24~~)

Upon the delivery to Freddie Mac of each Form 1116, Real Estate Schedule, for the parties listed in Section 11.6(a), the Seller/Servicer is certifying to Freddie Mac that each such party's ownership role (e.g. general partner, limited partner, managing member, member, etc.) of each residential asset (other than a personal residence) listed has been verified by the Seller/Servicer's review of the documentation described in (1), (2) and/or (3) below:

1. Documentation either independently obtained or received from the party completing the Form 1116, Real Estate Schedule, consisting of both of the following:
 - Evidence of the owner name of each asset provided by the party completing Form 1116, Real Estate Schedule, (such as a tax bill, title policy, property deed or other commercially reasonable evidence)
 - Organizational documents, provided by the party completing Form 1116, Real Estate Schedule, for the owner(s) of each asset evidencing the Key Borrower Principal or Guarantor ownership role (redacted copies are acceptable so long as the ownership role can be verified)
2. Federal tax return (Schedule K-1) for the parties listed in Section 11.6(a) confirming each party's ownership role in applicable assets identified on the Form 1116, Real Estate Schedule (redaction of non-relevant information permitted).
3. Other reasonable documentation approved by Freddie Mac (e.g., website listing real estate assets for an SEC-registered entity or lender certification confirming Key Borrower

Principal ownership role for those assets in which the lender was involved in the prior financing).

The Seller/Servicer must contact Freddie Mac Underwriting if the Seller/Servicer is unable to verify any ownership information or if discrepancies are found.

If Freddie Mac agrees to accept alternative documentation for Form 1116, Real Estate Schedule, which documentation must be approved in advance by Freddie Mac, the above verification requirements apply to such documentation.

c. Retention of Records (04/18/24)

The Seller/Servicer must retain electronic or hard copy records evidencing the Seller's compliance with the verification requirements in this section.

11.7 Historical property financial statement reconciliation for refinances of Freddie Mac Mortgages and Supplemental Mortgages (08/15/24)

a. Reconciliation applicability (08/15/24)

The requirements in this section apply to Mortgages taken under Seller Application on or after August 15, 2024, that are (i) refinances of Freddie Mac Mortgages where the Seller both originated the existing Mortgage and is the current Servicer of the existing Mortgage and (ii) Supplemental Mortgages where the Seller both originated the senior Mortgage and is the current Servicer of the senior Mortgage.

With respect to acquisition Mortgages, nothing herein shall restrict or limit Freddie Mac or Seller/Servicer from performing a reconciliation of property financial statements available to Freddie Mac or Seller/Servicer, similar to the reconciliation described in Section 11.7(b). In connection with any such reconciliation related to an acquisition Mortgage, Seller/Servicer must comply with all reporting requirements, including but not limited to those in Section 7.2, with respect to any Suspicious Activity and actual or possible fraud or misrepresentation in connection with such reconciliation.

b. Reconciliation requirements (08/15/24)

Prior to the delivery to Freddie Mac of the underwriting package, Seller/Servicer must reconcile each historical property financial statement (including the most current property financial statement in a T-12 format) required by Sections 55.2 and 55SBL.2 against the property financial statements received for the same periods during the Servicing of the existing or senior Mortgage, as applicable (for the purposes of this Section 11.7, "Servicing Statements").

For historical property financial statements covering an annual period, this reconciliation must include a review against each applicable full-year Servicing Statement, when available. For historical property financial statements covering the most recent annual or twelve-month period, due to timing differences, this reconciliation only applies to those months in most recent Servicing Statement (provided in a T-12 format) that overlap the months reflected in

such statements.

By delivering the underwriting package to Freddie Mac, the Seller/Servicer is certifying that the reconciliation required by this section has been performed and either (i) there are no deviations identified or (ii) any deviations have been clearly disclosed to Freddie Mac in the Mortgage Transaction Narrative Analysis.

c. Submission of Servicing Statements (08/15/24)

If the Servicing Statements are not found on DMS for the existing or senior Mortgage, as applicable, the Seller/Servicer must submit the Servicing Statements used to perform the reconciliation required in Section 11.7(b) as part of the underwriting package.

If the Servicing Statements used to perform the reconciliation required in Section 11.7(b) are already found on DMS for the existing or senior Mortgage, as applicable, the Seller/Servicer is not required to separately submit the Servicing Statements to Freddie Mac as part of the reconciliation requirements of this Section 11.7.

d. Identification of possible misrepresentation (08/15/24)

Seller/Servicer must comply with all reporting requirements, including but not limited to those in Section 7.2, with respect to any Suspicious Activity and actual or possible fraud or misrepresentation in connection with the reconciliation required in Section 11.7(b).

e. Retention of Records (08/15/24)

29.1 Title insurance policy requirements (08/15/24)(10/17/24)

Each Mortgage purchased by Freddie Mac must be covered by a Title Policy. The final Title Policy delivered to Freddie Mac must be accurate and complete and must reflect any additional requirements that may be imposed by Freddie Mac for a particular Mortgage. The Title Policy must be underwritten by a Title Insurance Underwriter.

It is the responsibility of the Seller/Servicer and its counsel to obtain and review in detail the title commitment, documents evidencing or creating each exception to title and the Title Policy.

a. Maximum single risk amount (08/15/24)

The maximum single risk amount (the risk in connection with any one Mortgage) assumed by one Title Insurance Underwriter may not be more than 25 percent of such Title Insurance Underwriters' surplus to policyholders. Policies for amounts in excess of the maximum single risk amount may be acceptable if any excess amount is covered by reinsurance by another Title Insurance Underwriter meeting the requirements of this chapter.

b. Reinsurance and coinsurance (08/15/24)

• Reinsurance

If the single risk amount exceeds 25 percent of the Title Insurance Underwriter's surplus to policyholders, the excess amount may be covered by reinsurance meeting all of the following requirements:

- The excess amount may not exceed 25 percent of the reinsuring company's surplus to policyholders. Tertiary insurance will not be permitted.
- The reinsurer must be a Title Insurance Underwriter.
- The reinsurance must be provided by the issuance of the most current form of American Land Title Association (ALTA) Facultative Reinsurance Agreement.
- Pro forma documentation for all reinsured transactions must be submitted to Freddie Mac for review and approval prior to the Origination Date.

Any Title Policy that is reinsured at the option of the Title Insurance Underwriter must meet all of the requirements of this subsection.

• Coinsurance

Usually, Freddie Mac will not accept coinsurance (multiple Title Insurance Policies issued by multiple Title Insurance Underwriters for the same transaction). Freddie Mac will consider allowing coinsurance only if the Title Insurance Underwriters and Title Policies each meet the requirements of this chapter and the use of coinsurance is approved in writing by Freddie Mac prior to Rate Lock. Prior to the Origination Date, the Seller/Servicer must submit to Freddie Mac for its review and approval the Title Policies for any Mortgage that will be coinsured.

c. Selection of the Title Company (08/15/24/10/17/24)

1. The Seller/Servicer's selection or acceptance of any Title Company must be based solely on considerations typically used by prudent institutional lenders originating or purchasing Mortgages in the jurisdiction where the Property is located, as permitted by applicable law, and acting in the best interests of Freddie Mac. The Seller/Servicer must not base this selection on receipt of anything of value or other consideration by the Seller/Servicer or its employees, officers, or directors paid by or on behalf of a Title Company.
2. As provided in Section 2.19, the Seller/Servicer must approve, evaluate and monitor Title Companies and any other third party to whom functions relating to a Mortgage or REO are outsourced or assigned, including consulting the Multifamily Restricted Vendor List.

Freddie Mac reserves the right to: (i) refuse to accept Mortgages for purchase, or (ii) approve the assumption of a Mortgage, in each case involving any specific Title Company on the Multifamily Restricted Vendor List. If a Title Company appears on the Multifamily Restricted Vendor List, the Seller/Servicer may not use that Title Company until notified otherwise by Freddie Mac. The decision to place a Title Company on the Multifamily Restricted Vendor List is solely within Freddie Mac's discretion.

With respect to Title Companies, the Multifamily Restricted Vendor List is made available to Seller/Servicers at mf.freddie.com for the sole purpose of ensuring that an unacceptable Title Company does not perform services in connection with Multifamily Mortgage transactions and will constitute "Confidential Information" as defined in Section 2.8. Notwithstanding the Confidential Information classification, when a Borrower has engaged a Title Company on the Multifamily Restricted Vendor List in connection with a Mortgage transaction, the Seller/Servicer is permitted to advise the Borrower and Seller/Servicer's counsel or Single Counsel engaged for that Mortgage transaction that Freddie Mac will require engagement with a different Title Company. Parties are advised of their placement on the Multifamily Restricted Vendor List.

3. Freddie Mac also reserves the right to subject Freddie Mac's acceptance of the engagement of any Title Company to such additional terms and conditions as Freddie Mac deems necessary, reasonable, or appropriate in Freddie Mac's sole discretion. When applicable, Freddie Mac is identifying these Title Companies as Third-Party Vendors on the Vendors With Conditions List, which is attached as a schedule to the Multifamily Restricted Vendor List. These Title Companies may continue to be engaged by Borrowers or Seller/Servicers but will be subject to the additional conditions provided in the schedule to the Multifamily Restricted Vendor List.
4. If the Seller/Servicer, for cause, discontinues the use of a Title Company in connection with a Freddie Mac transaction within the past 12 months and such Title Company is not identified on the Multifamily Restricted Vendor List, the Seller/Servicer must send written notification promptly to Freddie Mac, to the attention of Freddie_Mac_Legal_MF@freddiemac.com.

d. Acquisitions (08/15/24/10/17/24)

1. Effective for any Mortgage origination transaction that is an acquisition which is taken under Seller Application on and after August 15, 2024, the Title Insurance Underwriter, its affiliate under identical ownership, or its wholly-owned subsidiary must directly perform

Guide Bulletin Update 08/15/24/10/17/24 Chapter 29 – Page 3

all escrow and settlement functions for both the Mortgage origination transaction and the acquisition of the Property (*i.e.*, the Title Insurance Underwriter or such affiliate or subsidiary must receive and disburse all funds from all sources related to the acquisition and prepare the settlement statement for the acquisition of the Property and the acquisition financing). The settlement statement must be delivered to the Seller/Servicer or the Seller/Servicer's counsel directly by the Title Insurance Underwriter or such affiliate or subsidiary. (See Section 32.3(c) for additional settlement statement requirements.)

For acquisition Mortgage origination transactions, if the law of the jurisdiction in which the Property is located prohibits the use of anyone other than a licensed attorney for escrow and/or settlement functions, and the Seller/Servicer or its legal counsel has confirmed that the Title Insurance Underwriter or its wholly-owned subsidiary or affiliate under identical ownership does not have a licensed attorney on staff in such jurisdiction who can fulfill this requirement, the Seller/Servicer's legal counsel must notify the applicable Freddie Mac transactional attorney on or prior to the Seller/Servicer's submission of the full underwriting package.

2. For purposes of the requirements described in this chapter, and notwithstanding any identification of the Mortgage origination transaction in the Mortgage commitment or otherwise, a Mortgage origination transaction will be deemed to be an acquisition if the Property (A) is acquired by the Borrower effective as of the Origination Date, or (B) was acquired by the Borrower or an affiliate of the Borrower within a thirty (30) day period prior to the Origination Date.
3. For any Mortgage origination transaction that is not an acquisition, the Title Insurance Underwriter may also perform escrow and settlement functions but is not required to do so.
4. For purposes of clarification and without limitation of any of its requirements, this Section 29.1(d) will apply to the origination of a Supplemental Mortgage in connection with any acquisition of the related Property and the assumption of the related senior Mortgage within the time frame described in Section 29.1(d)(2).

e. Amount of protection (08/17/23)

The Title Policy must insure the mortgagee for an amount no less than the original principal balance of the insured Mortgage.

f. Insured (08/15/24)

The Title Policy must name as the insured either:

- Freddie Mac, its successors or assigns, or
- Seller/Servicer and/or Freddie Mac, its successors or assigns, as their interests may appear

g. Legal description (08/15/24)

The legal description in the Title Policy must conform to the legal description contained in the survey, security instrument, UCC financing statement, lease, and all other documents pertaining to the Mortgage and the Property.

h. Endorsements (08/15/24)

Each endorsement required pursuant to the Title Policy and Endorsement Requirements posted on mf.freddiemac.com must:

- Be either attached to or sufficiently incorporated in the Title Policy.
- Be on the specific form of the endorsement identified in the Title Insurance Policy Certifications as defined in Section 29.2(c).
- Include the number of the Title Policy.
- Be dated as of the date of the Title Policy, if dated.
- Be signed electronically by the Title Company. A PDF signature or a signature that is electronically produced as part of the Title Policy or the endorsement is acceptable.

If affirmative coverage in lieu of an endorsement is acceptable as indicated in the Title Policy and Endorsement Requirements, then the affirmative coverage language in the Title Policy must be equivalent to the affirmative coverage language described in the Title Policy Requirements.

i. Insured Closing Protection Letter (08/15/24)

If either of the recordation of the documents or the escrow and disbursement of funds in connection with the origination of the Mortgage is being handled by a Title Company other than the Title Insurance Underwriter, then if available in the applicable jurisdiction, the Seller/Service must also obtain and provide an insured closing protection letter addressed to Freddie Mac, or to the Seller/Service and its successors and assigns, that provides coverage for any loss that arises out of (i) the failure of the Title Company to comply with the Seller/Service's written closing instructions, or (ii) fraud or dishonesty in handling the funds or documents in connection with the origination of the Mortgage.

29.2 Title exceptions (04/18/24)

a. Approval of title exceptions (04/18/24)

The Seller/Service or its counsel must obtain, read, and analyze each document that evidences or creates any exception to the title insurance coverage to determine whether the exception would be acceptable to a prudent institutional lender.

If the Seller/Service or its counsel determines that any of the following applies with respect to an exception, such exception requires written analysis in the form and manner described in

Section 29.2(b) and, whenever required pursuant to Section 29.2(b), must be expressly approved by Freddie Mac:

- Any party's exercise of its rights under the exception could have a foreseeable adverse effect on the Borrower's intended use of the Property, including any interference with the present or proposed improvements on the Property or with the operation of the Property.
- Any party's exercise of its rights under the exception could impair lender's ability to enforce its rights under the Mortgage or could adversely affect the lien priority of the Mortgage.
- The exception would not be acceptable to a reasonable, prudent institutional lender in the area where the Property is located.
- The exception results in an exception to the Seller/Service Representations and Warranties.
- The exception could create potential safety or environmental issues.
- The exception could result in a material adverse effect on the Mortgage, the security interest in the collateral described by the Mortgage, or the use, value, operation or marketability of the Property or could impair the lien of or the lien priority of the Mortgage.
- The Guide or Legal Issues Analysis separately requires written analysis or approval with respect to such exception (such as, by way of example and not limitation, ground leases, regulatory agreements or condominium declarations).
- The exception contains a purchase option, right of first refusal, right of first offer, right of reverter, or requires consent to a transfer of all or any portion of the Property (including in connection with foreclosure or deed-in-lieu of foreclosure).

b. Submission of analysis (04/18/24)

If the written analysis required pursuant to Section 29.2(a) was not included in the Legal Issues Analysis and/or any other required legal analysis required by the Guide submitted prior to the effective date of the Commitment, then the analysis must be submitted for approval no later than two business days prior to the anticipated Origination Date.

All requests for approval of title exceptions must be in writing and be submitted to the applicable Multifamily Attorney and Legal Analyst by email and include the anticipated closing date and pool name, if applicable, in the email subject line, and be uploaded to DMS. The request must be in the form of:

- An amended Legal Issues Analysis or other analysis previously submitted to the applicable Multifamily Attorney; and
- If applicable, such other legal analysis required by the Guide.

The analysis must describe which category or categories in Section 29.2(a) applies to such exception necessitating written analysis and must include the Seller/Servicer or its counsel's recommendation (i) for mitigating any risk evidenced by the exception or explanation of why mitigation is not necessary or possible and (ii) as to the acceptability of the exception. The recommendation must expressly state why Freddie Mac should consider accepting this exception. The analysis must provide sufficient detail to enable Freddie Mac to make any necessary decision regarding the acceptability of an exception without having to read the document evidencing or creating the exception.

Submission to Freddie Mac of the underlying document creating the exception does not relieve the Seller/Servicer or its counsel of the requirement to submit the written analysis of the exception. However, Freddie Mac reserves the right to require the Seller/Servicer or its counsel to submit the exception document(s).

c. Delivery of a Title Insurance Policy Certification and written analysis approval (04/18/24)

At final delivery of the Mortgage, the Seller/Servicer's counsel must deliver a Title Insurance Policy Certification in the form found at mf.freddiemac.com/lenders/legal/ (the "Title Insurance Policy Certification"). Copies of all emails with express approval of any exceptions for which the Seller/Servicer or its counsel submitted a request for approval must be attached to the Title Insurance Policy Certification, along with the final title policy and all required endorsements.

d. Analysis of title exceptions for Supplemental Mortgages (04/18/24)

For any Supplemental Mortgage purchased under the Freddie Mac Multifamily Supplemental Mortgage Product, the Seller/Servicer or its counsel must provide a written analysis only for:

- Any title exception that did not previously appear as an exception to title in the policy insuring the senior Mortgage and falls into one or more categories set forth in Section 29.2(a), or
- Any title exception that previously appeared as an exception to the title in the policy insuring the senior Mortgage but will not be covered by the same endorsement or equivalent coverage.

Therefore, with respect to a Supplemental Mortgage, a written analysis will be required for any exception that appeared as a subordinate item in the policy insuring the senior Mortgage when such exception is not expressly subordinate to the Supplemental Mortgage as well.

e. Analysis of title exceptions for Assumptions (04/18/24)

For any assumptions, the Seller/Servicer or its counsel must provide the discussion of the exceptions to the Title Policy as required by Section 41.4.

f. Encroachments and violations on Survey (04/18/24)

In addition to any analysis described in Section 29.2(b), the Seller/Servicer or its counsel must submit a written analysis of and receive approval for any encroachment or violation which materially and/or adversely affects the Property's operation, use or value or the

security intended to be provided by the Mortgage (examples: income-producing buildings, parking, access ways). The written analysis must include the following:

- A reasonably detailed description of the encroachment and/or violation (e.g., how many feet a building encroaches over an easement)
- Whether there is building law and ordinance coverage for the Property if the encroachment and/or violation impacts a zoning requirement

If the risk posed by any encroachment or violation can be mitigated by an endorsement identified in the Title Policy Requirements and included in the Title Policy, then the exception does not need to be included in a written analysis. If any such required endorsement is not available or has been modified from the standard required form, then a written analysis of the exception must be submitted.

g. Exception for Private Transfer Fee Covenant (08/17/23)

If the Title Policy contains an exception for a Private Transfer Fee Covenant that was created on or after February 8, 2011, the Mortgage is ineligible for purchase by Freddie Mac. See Section 8.14.

h. Exception for condominium/cooperative conversion restriction (04/18/24)

If the Title Policy contains an exception for a prohibition against or any indemnification in connection with the conversion of the Property to a condominium or cooperative structure, the Seller/Servicer or its counsel must examine the underlying agreement/restriction as provided in Section 8.18(f) to determine that the agreement/restriction meets the requirements set forth in such section.

The Seller/Servicer or its counsel must confirm that all such requirements have been satisfied or that any non-compliant provisions have been identified in the Legal Issues Analysis prior to the effective date of the Commitment.

29.3 Uniform Commercial Code search requirements (04/18/24)

It is the responsibility of the Seller/Servicer to ensure that a First Lien security interest is perfected in (1) all fixtures, (2) all personal property of the Borrower that is located in or on the Property or is used or intended to be used in connection with the Property and (3) any other Uniform Commercial Code (UCC) collateral described in the UCC financing statement (collectively the "UCC collateral").

In order to ensure this First Lien security interest, the Seller/Servicer must perform certain searches of the Uniform Commercial Code records ("UCC search"). For additional search requirements for the MHC Mortgage Product, see Section 22.9(c).

a. Names to search (04/18/24)

The Seller/Servicer must perform a UCC search for the Borrower's name and, if the Property is being acquired, the name of the current owner of the Property. For additional search

requirements for Seniors Housing Mortgages, see the Final Delivery Instructions available at mf.freddie.com/lenders/purchase.

b. Location of search (03/03/17)

Each UCC search must include every office where a financing statement would be filed in accordance with the provisions of Revised Article 9 of the UCC.

c. Date of search (02/07/05)

A UCC search must be dated no earlier than 30 days prior to the Origination Date.

d. Prior financing statements (04/18/24)

If a UCC Search indicates that there are any financing statements on file (other than the financing statements filed by the current lender that will be released at origination of the Mortgage) then, prior to the Origination Date, the Seller/Servicer must provide an explanation of those financing statements to the

- *Multifamily TAH Underwriter*, for TAH Mortgages
- Applicable *Freddie Mac Multifamily Regional Office* for all other Mortgages

The Seller/Servicer must also submit a copy of the explanation to the applicable Multifamily Attorney.

e. UCC search (04/18/24)

1. If the UCC search done at underwriting shows that no financing statements have been filed in connection with any of the UCC collateral, then the Seller/Servicer does not need to deliver any documentation regarding the UCC search to Freddie Mac prior to final delivery of the Mortgage.
2. The UCC search must be updated at the time of final delivery to a date no earlier than 30 days prior to the date of origination of the Mortgage. The Seller/Servicers counsel must examine the UCC search to determine that Freddie Mac has a First Lien security interest in all UCC collateral except for those items previously approved by Freddie Mac and those items for which UCC termination statements have been filed. The Seller/Servicer's counsel must use the Seller's Counsel's Certification set forth at mf.freddie.com/lenders/legal to provide a certification regarding the UCC search at final delivery of the Mortgage as set forth in the Final Delivery Instructions found at mf.freddie.com/lenders/purchase.

f. Product-specific UCC search requirements (04/18/24)

For a Mortgage secured by an MHC Property, where a First Lien security interest in a Borrower-Owned Home cannot, under applicable law, be perfected with the filing of a UCC Financing Statement, the Seller/Servicer must take additional actions necessary to verify the ownership of and ensure a perfected First Lien security interest in any Borrower-Owned Home (e.g., obtaining a copy of the certificate of title evidencing the Borrower as the sole title holder of a Borrower-Owned Home).

Guide Bulletin Update [08/15/24](#)[10/17/24](#) Chapter 29 – Page 9

For a Mortgage secured by a Seniors Housing Project, in addition to the searches required in Section 21.3, UCC searches are required for:

- The Borrower,
- The Manager, if applicable, and,
- If the Property is being acquired, the current owner of the Property.

Each UCC search must include every office where a financing statement would be filed to perfect a security interest in any of the collateral described in Financing Statement Exhibit B - Seniors Housing. Additionally, each search must include the state of organization for the Borrower and the Manager, if applicable.

g. Newly formed Borrowers and SPE Equity Owners (04/18/24)

For each Borrower and SPE Equity Owner, if applicable, that has been formed within 90 days prior to the origination of the Mortgage, the Seller/Servicer will not be required to provide a UCC search for the Borrower or the SPE Equity Owner. For any entity formed more than 90 days prior to the origination, or if Freddie Mac agrees to permit a “recycled” SPE Borrower or SPE Equity Owner, regardless of the entity’s formation date, the Seller/Servicer must provide a UCC search for the Borrower and the SPE Equity Owner, if applicable.

29.4 Survey requirements (04/18/24)

a. ALTA/NSPS requirements; survey waivers (04/18/24)

1. For each Mortgage purchased by Freddie Mac, the Seller/Servicer must submit a survey meeting the then-current minimum standard detail requirements for American Land Title Association/National Society of Professional Surveyors, Inc. (ALTA/NSPS) Land Title Surveys. The survey must be made, dated or revised by a licensed civil engineer or registered surveyor not more than 90 days prior to the date of the Note. The surveyor’s certification must:
 - Be the form of certification required by the most current ALTA/NSPS requirements, except that the Table A items need not be listed in the certification
 - Be for the benefit of the Seller/Servicer, Freddie Mac and its successors and assigns and the title insurance underwriter issuing the title insurance policy if required by the title insurance underwriter
2. Unless specifically waived under the terms of the Letter of Commitment, a survey is required for every Mortgage purchased by Freddie Mac. (See also the Waiver of Certain Survey Requirements found at mf.freddie.com/lenders/legal/.)

b. Additional Freddie Mac requirements (03/03/17)

In addition to the items that must be included in an ALTA/NSPS Land Title Survey, the survey must also include the following:

- Substantial visible improvements (in addition to buildings) such as entrance or monument signs, parking structures including carports and garages, swimming pools and other recreational facilities such as clubhouses, basketball and tennis courts.
- Indication of access to all public rights of way such as curb cuts, driveways marked, etc.
- Parking areas and type and number of parking spaces (Parking space striping need not be shown.)
- Any setback requirements applicable to the Property (including those imposed via zoning law or building codes and any documents on record affecting the Property).

c. Survey – encroachments and violations (04/18/24)

The Seller/Servicer must analyze all encroachments and violations shown in the survey, as set forth in Section 29.2(f).

d. Special survey requirements for MHC Mortgages (03/03/17)

In addition to the requirements set forth in this Chapter 29 with respect to surveys, if the Property is an MHC Property, the following requirements are applicable:

- The survey must include the number of Home Sites located on the Property, as well as a description of the parking areas or spaces that are generally available for each Manufactured Home (i.e., the number of off-street parking spaces available for each Manufactured Home should be included on the survey).
- The survey must depict the location of:
 1. The extent and approximate dimensions of any encroachments by Manufactured Homes (including any Borrower-Owned Homes), Home Sites, piers, and foundations. If any of the foregoing do not constitute encroachments, their location does not need to be shown on the survey. Instead, a simple indicating mark may be included.
 2. Private interior access roads or streets and visible utilities. Unless such items constitute encroachments, they may be sketched on to the survey to show their approximate location, and can be located by photogrammetric or other approximate methods in lieu of precise field measurements.

29.5 Legal opinions (04/18/24)

a. Legal opinions required (04/18/24)

The Final Delivery Package must include the following legal opinions addressed to the Seller/Servicer (individually and collectively, the “Opinion Letter”):

- A legal opinion with respect to Borrower and any SPE Equity Owner in the form provided on the Freddie Mac Multifamily website (the “Borrower Opinion”).

- A legal opinion with respect to any Guarantor in the form provided on the Freddie Mac Multifamily website (the “Guarantor Opinion”).
- A non-consolidation legal opinion (the “Non-Consolidation Opinion”) for any Mortgage:
 - With an original principal balance equal to or greater than \$40,000,000;
 - That is a part of a cross-collateralized and cross-defaulted pool of Mortgages that are, when aggregated, \$40,000,000 or greater; or
 - If otherwise required by the Letter of Commitment or early rate lock application
- Any other legal opinions required by Freddie Mac under the Guide, in the applicable Letter of Commitment or early rate lock application, or otherwise.

Notwithstanding the foregoing, the enforceability opinions and local law opinions may be omitted from the Borrower Opinion and Guarantor Opinion for a supplemental mortgage originated under the Freddie Mac Multifamily Supplemental Mortgage Product.

b. Review and analysis of legal opinions (04/18/24)

Seller/Service’s counsel must review and analyze all Opinion Letters to ensure the Opinion Letters conform to Freddie Mac’s requirements. Additional guidelines and requirements for the review of opinions are set forth in the Opinion Letter Guidelines and, if applicable, the Requirements for Review of Non-Consolidation Opinions, provided on the Freddie Mac Multifamily website.

All Opinion Letters must contain the following use and reliance provision, without modification:

“This opinion letter is furnished to you solely for your benefit, the benefit of subsequent holders of the Note, and any statistical rating agency that provides a rating on securities backed in part by the Loan, all of which we understand may receive copies of this opinion letter. This opinion letter may not be used, quoted from or relied upon by any other person without our prior written consent; however, you or a subsequent holder of the Note may deliver copies of this opinion letter to (a) independent auditors, accountants, attorneys and other professionals acting on behalf of you or a subsequent holder of the Note, (b) governmental agencies having regulatory authority over you or a subsequent holder of the Note, (c) designated persons pursuant to an order or legal process of any court or governmental agency, and (d) prospective purchasers of the Note.”

The counsel rendering the opinions must be acceptable to Freddie Mac or to the Seller/Service if Seller/Service is authorized to approve the opinion. The Letter of Commitment or the early rate lock application may require that the counsel state additional conclusions in the opinion. Freddie Mac reserves the right to require Seller/Service at any time to deliver to Freddie Mac all documents on which the counsel based or should have based the opinion.

c. Opinions requiring Freddie Mac review and approval (04/18/24)

The Seller/Servicer must submit a copy of the following opinions for Freddie Mac's review and approval not less than three business days prior to the scheduled origination date of the Mortgage:

- All Opinion Letters for any Mortgage with an original principal balance equal to or greater than \$100,000,000.
- Any Seniors Housing Mortgage licensure opinion, specifically opinions #27 and #28 from the Borrower Opinion form.

Such opinions must be marked to clearly indicate the additions to and deletions from the appropriate form of Opinion Letter. The Borrower or the Seller/Servicer must pay for any legal fees associated with the review and approval of any such additions to or deletions from the appropriate form of Opinion Letter in connection with the origination of the Mortgage.

The Seller/Servicer's counsel must provide an analysis and recommendation with respect to such opinions (the "Opinion Analysis"). Freddie Mac will not be responsible for any loss, costs or damages incurred by the Seller/Servicer or Borrower as a result of the origination of the Mortgage being delayed due to the failure of the Seller/Servicer to timely deliver to Freddie Mac a draft Opinion Letter and/or the Opinion Analysis.

d. Non-Consolidation Opinion Requirements (04/18/24)

Non-Consolidation Opinions must state that if any equity owner or group of affiliated equity owners (or group of family members) who own more than 49% of the equity in Borrower were to become insolvent, neither Borrower, nor its assets and liabilities, would be substantively consolidated with that of the equity owner or group of affiliated equity owners (or group of family members) or with the SPE Equity Owner.

A "should" Non-Consolidation Opinion is not acceptable; all Non-Consolidation Opinions must be "would" opinions.

All Non-Consolidation Opinions must be submitted to Freddie Mac for review and approval prior to origination of the Mortgage as provided in the Requirements for Review of Non-Consolidation Opinions provided on the Freddie Mac Multifamily website. The Borrower or the Seller/Servicer must pay for any legal fees associated with the review and approval of any Non-Consolidation Opinion required in connection with the origination of a Mortgage.

e. Required Opinion Provisions for Seller Application (04/18/24)

The Seller/Servicer must include, as part of its Seller Application with or loan commitment to the Borrower, the following provision.

Delivery of Opinion Letters to Be Delivered to Freddie Mac

Borrower acknowledges and agrees that as part of the loan closing process it is required to deliver to [Seller/Servicer to Insert Seller/Servicer's Name] certain legal opinion letters in form and substance acceptable to the Federal Home Loan Mortgage Corporation ("Freddie Mac") addressing, among other things, enforceability, due formation, execution

Guide Bulletin Update [08/15/24](#) 10/17/24 Chapter 29 – Page 13

and delivery, non-consolidation (under certain circumstances) and such other matters as may be required by Freddie Mac (collectively if more than one, the "Opinion Letter"). In order to properly review any Opinion Letter requiring Freddie Mac's approval Freddie Mac must receive a draft of the Opinion Letter, with analysis and recommendations from [Seller/Servicer to Insert Seller/Servicer's Name], not less than three business days prior to the anticipated consummation of the loan transaction. Accordingly, Borrower acknowledges and agrees to deliver to [Seller/Servicer to Insert Seller/Servicer's Name], not less than ___ business days [Seller/Servicer to Insert Number of Days as Required by Seller/Servicer's Counsel] prior to the anticipated consummation of the loan transaction, a draft Opinion Letter for review. Borrower acknowledges and agrees that [Seller/Servicer to Insert Seller's/Servicer Name] will not be responsible for reviewing any Opinion Letter received less than ___ Business Days [Seller/Servicer to Insert Number of Days as Required by Seller/Servicer's Counsel] prior to the anticipated consummation of the loan transaction and that Borrower's failure to timely deliver such Opinion Letter may result in the consummation of the loan transaction being delayed. Borrower further acknowledges and agrees that neither [Seller/Servicer to Insert Seller/Servicer's Name] nor Freddie Mac will be responsible for any loss, costs or damages incurred by Borrower as a result of the consummation of the loan transaction being delayed due to the failure of Borrower to timely deliver a draft Opinion Letter.

29SBL.1 Title insurance policy requirements (08/15/2410/17/24)

Each SBL Mortgage purchased by Freddie Mac must be covered by a Title Policy. The final Title Policy delivered to Freddie Mac must be accurate and complete and must reflect any additional requirements that may be imposed by Freddie Mac for a particular Mortgage. The Title Policy must be underwritten by a Title Insurance Underwriter.

It is the responsibility of the Seller/Servicer and Single Counsel to obtain and review in detail the title commitment, documents evidencing or creating each exception to title, and the Title Policy. It is also their responsibility to bring to Freddie Mac's immediate attention any issue that could result in a material adverse effect on the SBL Mortgage or the use or marketability of the Property or could create potential safety or environmental issues.

a. Maximum single risk amount; reinsurance and coinsurance (08/15/2410/17/24)

The maximum single risk amount, reinsurance and coinsurance requirements, to the extent applicable for the financing of a pool of SBL Mortgages in excess of \$40 million, are subject to the provisions of Section 29.1(a) and (b). Freddie Mac does not expect that any single SBL Mortgage will require reinsurance or coinsurance.

b. Subordinated ground leases (08/15/24)

If all or a portion of the Property consists of a leasehold estate and the holder of the fee interest has executed the SBL Mortgage to subject its interest in the land to the lien of the Mortgage, the Title Policy must insure the Lender's interest in both the fee estate and the leasehold estate.

c. Selection of the Title Company (08/15/24)

1. The Seller/Servicer's selection or acceptance of a Title Company must be based solely on considerations typically used by prudent institutional lenders originating or purchasing SBL Mortgages in the jurisdiction where the Property is located, as permitted by applicable law, and acting in the best interests of Freddie Mac. The Seller/Servicer must not base this selection on receipt of anything of value or other consideration by the Seller/Servicer or its employees, officers, or directors paid by or on behalf of a Title Company.
2. As provided in Section 2.19, the Seller/Servicer must approve, evaluate and monitor Title Companies and any third party to whom functions relating to a Mortgage or REO are outsourced or assigned including consulting the Multifamily Restricted Vendor List.

Freddie Mac reserves the right to: (i) refuse to accept SBL Mortgages for purchase, or (ii) approve the assumption of an SBL Mortgage, in each case involving any specific Title Company on the Multifamily Restricted Vendor List. If a Title Company appears on the Multifamily Restricted Vendor List, the Seller/Servicer may not use that Title Company until notified otherwise by Freddie Mac. The decision to place a Title Company on the Multifamily Restricted Vendor List is solely within Freddie Mac's discretion.

With respect to Title Companies, the Multifamily Restricted Vendor List is made available to Seller/Service providers at mf.freddiemac.com for the sole purpose of ensuring that an unacceptable Title Company does not perform services in connection with Multifamily Mortgage transactions and will constitute “Confidential Information” as defined in Section 2.8. Notwithstanding the Confidential Information classification, when a Borrower has engaged a Title Company on the Multifamily Restricted Vendor List, the Seller/Service provider is permitted to advise the Borrower that Freddie Mac will require engagement with a different Title Company. Parties are advised of their placement on the Multifamily Restricted Vendor List.

3. Freddie Mac also reserves the right to subject Freddie Mac’s acceptance of the engagement of any Title Company to such additional terms and conditions as Freddie Mac deems necessary, reasonable, or appropriate in Freddie Mac’s sole discretion. When applicable, Freddie Mac is identifying these Title Companies as Third-Party Vendors on the Vendors With Conditions List, which is attached as a schedule to the Multifamily Restricted Vendor List. These Title Companies may continue to be engaged by Borrowers or Seller/Service providers but will be subject to the additional conditions provided in the schedule to the Multifamily Restricted Vendor List.
4. If the Seller/Service provider, for cause, discontinues the use of a Title Company in connection with a Freddie Mac transaction within the past 12 months and such Title Company is not identified on the Multifamily Restricted Vendor List, the Seller/Service provider must send written notification promptly to Freddie Mac, to the attention of Freddie_Mac_Legal_MF@freddiemac.com.

d. Acquisitions (08/15/2410/17/24)

1. Effective for any SBL Mortgage origination transaction that is an acquisition which is taken under Seller Application on and after August 15, 2024, the Title Insurance Underwriter, its affiliate under identical ownership, or its wholly-owned subsidiary must directly perform all escrow and settlement functions for both the SBL Mortgage origination transaction and the acquisition of the Property (*i.e.*, the Title Insurance Underwriter or such affiliate or subsidiary must receive and disburse all funds from all sources related to the acquisition and prepare the settlement statement for the acquisition of the Property and the acquisition financing). The settlement statement must be delivered to the Seller/Service provider or Single Counsel directly by the Title Insurance Underwriter or such affiliate or subsidiary. (See Section 32.3(c) for additional settlement statement requirements.)

For acquisition SBL Mortgage origination transactions, if the law of the jurisdiction in which the Property is located prohibits the use of anyone other than a licensed attorney for escrow and/or settlement functions, and the Seller/Service provider or Single Counsel has confirmed that the Title Insurance Underwriter or its wholly-owned subsidiary or affiliate under identical ownership does not have a licensed attorney on staff in such jurisdiction who can fulfill this requirement, the Single Counsel must notify the applicable Freddie Mac SBL transactional attorney on or prior to the Seller/Service provider’s submission of the full underwriting package.

2. For purposes of the requirements described in this chapter, and notwithstanding any identification of the SBL Mortgage origination transaction in the SBL Mortgage commitment or otherwise, a SBL Mortgage origination transaction will be deemed to be an acquisition if the Property (A) is acquired by the Borrower effective as of the Origination Date, or (B) was acquired by the Borrower or an affiliate of the Borrower within a thirty (30) day period prior to the Origination Date.
3. For any SBL Mortgage origination transaction that is not an acquisition, the Title Insurance Underwriter may also perform escrow and settlement functions but is not required to do so.

e. Amount of protection (08/15/24)

The Title Policy must insure the mortgagee for an amount no less than the original principal balance of the insured SBL Mortgage.

f. Insured (08/15/24)

The Title Policy must name as the insured either

- Freddie Mac, its successors or assigns, or
- Seller/Servicer and/or Freddie Mac, its successors or assigns, as their interests may appear

g. Form (08/15/24)

The Title Policy must be produced on the form of 2006 or 2021 American Land Title Association (ALTA) Loan Policy (“ALTA Loan Policy”) with the following exceptions:

- For an SBL Mortgage secured by a Property located in Florida, the Title Policy must be produced on the form of 2006 or 2021 ALTA Loan Policy with Florida modifications.
- For an SBL Mortgage secured by a Property located in Texas, the Title Policy must be produced on the form of 2014 Texas Mortgage Policy of Title Insurance (T-2) (“Texas Loan Policy”).

All of the endorsements required pursuant to Section 29SBL.1(g) must be attached to the Title Policy.

1. Electronically issued policy

Freddie Mac will accept a Title Policy and its endorsements produced and distributed to the Seller/Servicer or Single Counsel in electronic format (an "electronically issued policy") if the electronically issued policy includes an endorsement that provides that the Title Insurance Underwriter will not deny coverage solely on the grounds that the policy and/or endorsements were issued electronically and/or lacked signatures.

2. Arbitration

With respect to a Title Policy issued on either an ALTA Loan Policy or Texas Loan

Policy form, Freddie Mac requires the Title Policy to contain one of the following:

- An endorsement deleting all compulsory arbitration provisions from the Title Policy; or
- An amendment to the Title Policy stating that both the title insurance underwriter and the insured must agree to arbitration when the amount of insurance is \$2 million or less with respect to any claim made by or on behalf of Freddie Mac.

The form of ALTA Loan Policy with Florida modifications does not include any compulsory arbitration provisions. Therefore, any Title Policy issued on that form requires no revisions with respect to the arbitration provisions.

h. Endorsements (08/15/24)

The endorsements enumerated in the chart below must be attached to the Title Policy. The Title Company may elect to incorporate into the ALTA Loan Policy certain endorsements by reference only without attaching the endorsements to the policy.

Endorsement/Explanation	Alternatives
<p>ALTA Form 8.1-06 or ALTA 8.1-2021, Environmental Protection Lien</p>	<p>Part (b) of ALTA Form 8.1-06 may make an exception only for specific State statutes that provide for possible subsequent “superliens” that could take priority over the SBL Mortgage.</p> <p>An equivalent endorsement is acceptable only if an ALTA Form 8.1 is not available in the State where the Property is located.</p>

Freddie Mac requires that each endorsement must:

- Be on the most recent form of endorsement approved by ALTA or CLTA (California Land Title Association), if an ALTA or CLTA form is available. In addition, the ALTA or CLTA form must be the appropriate form for the selected policy;
- Include the number of the Title Policy; and
- Be signed by the Title Company. A signature that is part of the printed form or a signature that is electronically produced as part of the endorsement is acceptable. If a Lack of Signatures Endorsement is delivered, signature will not be required.

i. Tax and Parcel Numbers (04/18/24)

The Title Policy must include the Property’s parcel or tax identifying number(s) if available in the jurisdiction in which the Property is located.

j. Date of Title Policy (04/18/24)

1. The Title Policy must be dated
 - No earlier than the effective date and no later than the date of recordation of the assignment of the Security Instrument to Freddie Mac.
 - The date of the Title Policy must be a date certain. Freddie Mac will not accept a Title Policy with a blank effective date or an effective date described as “the date of the assignment or the date of recordation, whichever is later”.
2. If the Property is located in a jurisdiction where gap coverage is not available for regulatory reasons, the Seller/Servicer may submit a Title Policy that is dated earlier than the date of recordation (but not earlier than the date of the assignment of the Security Instrument) if all of the following conditions are met:
 - The Seller/Servicer must provide a letter addressed to Freddie Mac or to the Seller/Servicer and its assigns from the Title Company that states (i) that the Title Company has delivered the Security Instrument, the assignment of the Security

Instrument and the UCC financing statements to the applicable clerk for recordation and (ii) that the Title Company is assuming the risk of any intervening liens or encumbrances that may be recorded between the policy effective date and the completion of recording. The information in (ii) may also be provided by a note in the Title Policy.

- Immediately after receipt of recordation information, the Seller/Servicer must deliver to Freddie Mac Multifamily Purchase an ALTA Form 44-06, or equivalent endorsement which
 1. Changes the effective date of the Title Policy to the date of recordation of the Security Instrument and the assignment of the Security Instrument, and
 2. Provides the recordation date and book and page (or recorded instrument) number for the Security Instrument and the assignment of the Security Instrument.

k. Identification of recorded documents (04/18/24)

1. The Title Policy must identify the Security Instrument, the assignment of the Security Instrument and any other required recorded documents by title of document, parties, effective date of document, date of recording, and the recording office. If recordation information is not available at the time of closing, the Seller/Servicer must deliver an endorsement which modifies the policy to include the recordation information for all loan documents filed for record in connection with the Mortgage as soon as such information is made available.
2. The Title Policy must provide one of the following regarding each recorded document:
 - Book and page number or recorded instrument number
 - Date of recording of each document and the transaction number or other serial number, if any, indicated on the recording clerk's receipt in accordance with Section 29SBL.1(i)
 - Date of recording with blanks for the book and page or recorded instrument number in accordance with Section 29SBL.1(i)
 - Blanks for the date of recording and the book and page number or recorded instrument number in accordance with Section 29SBL.1(i)

l. Insured Closing Protection Letter (08/15/24)

If either of the recordation of the documents or the escrow and disbursement of funds in connection with the origination of the SBL Mortgage is being handled by a Title Company other than the Title Insurance Underwriter, then if available in the applicable jurisdiction, the Seller/Servicer or Single Counsel must also obtain and provide an insured closing protection letter addressed to Freddie Mac, or to the Seller/Servicer and its successors and assigns, that provides coverage for any loss that arises out of (i) the failure of the Title Company to comply with the Seller/Servicer's written closing instructions, or (ii) fraud or

dishonesty in handling the funds or documents in connection with the origination of the SBL Mortgage.

29SBL.2 Title exceptions (04/18/24)

a. Deletion of standard exceptions (04/18/24)

The Title Company must delete the standard exceptions on Schedule B, Part I of its policy, including any general survey exception, and the policy may omit Schedule B, Part II.

b. Analysis and approval of title exceptions (04/18/24)

Seller/Servicer or Single Counsel must obtain, read and analyze each document that is an exception to the title insurance coverage to determine whether the exception would be acceptable to a prudent institutional lender. Exceptions that fall into one or more of the safe harbor categories set forth in Section 29SBL.2(e) are generally deemed acceptable. Regardless of whether an exception falls into one or more of the safe harbor categories, Seller/Servicer or Single Counsel must submit a written analysis of and receive express approval by Freddie Mac for any exception for which Seller/Servicer or Single Counsel determines any of the following apply:

- Any party's exercise of its rights under the exception could have a foreseeable adverse effect on the Borrower's intended use of the Property, including any interference with the present or proposed improvements on the Property or with the operation of the Property.
- Any party's exercise of its rights under the exception could impair lender's ability to enforce its rights under the SBL Mortgage or could adversely affect the lien priority of the SBL Mortgage.
- It would not be acceptable to a reasonable, prudent institutional lender in the area where the Property is located even if the exception technically falls within a safe harbor category.
- It results in an exception to the Seller/Servicer Representations and Warranties – Small Balance Loans.
- It could create potential safety or environmental issues.
- It could result in a material adverse effect on the SBL Mortgage, the security in the collateral intended to be provided by the mortgage, or the use or marketability of the Property.

c. Content of written title analysis (04/18/24)

A written analysis of any title exception required by Section 29SBL.2(b) must include the following information:

- The Seller/Servicer or Single Counsel's recommendation for mitigating any risk evidenced by the exception (such as removal of an encroachment or specific affirmative title insurance) or the Seller/Servicer or Single Counsel's explanation of why mitigation

Guide Bulletin Update [08/15/24](#)[10/17/24](#) Chapter 29SBL – Page 9

may not be necessary or possible.

- The Seller/Servicer or Single Counsel's recommendation as to the acceptability of the exception. Instead of asking Freddie Mac whether the exception is acceptable, the recommendation must state why Freddie Mac should consider accepting this exception.

The Seller/Servicer or Single Counsel must provide sufficient detail to enable Freddie Mac to make any necessary decision regarding the acceptability of such an exception without having to read the document evidencing or creating the exception. Submission to Freddie Mac of the underlying document creating the exception does not relieve the Seller/Servicer or Single Counsel of the requirement to submit the written analysis of the exception. However, Freddie Mac reserves the right to require the Seller/Servicer or Single Counsel to submit the exception document(s).

d. Delivery of title exception documents (04/18/24)

The Seller/Servicer is required to deliver a copy of all recorded exception documents in accordance with the delivery requirements set forth in the Final Delivery Instructions found at mf.freddie.mac.com/lenders/purchase.

e. Safe harbor categories (04/18/24)

1. Utility easements

Exceptions for public utility easements for local residential distribution, such as lines for gas, water and sewer, cable for electric, telephone or cable television (CATV), slope, storm drainage and/or storm water management, fire lane, driveway and emergency access easements and private cable easements for nationally recognized telecommunication and cable companies, are acceptable.

In addition to the above, to satisfy this safe harbor any cable easements for nationally recognized telecommunication and cable companies must not impose any obligations on the Borrower to take any affirmative actions or make payments.

This safe harbor category does not include (i) an easement for the storage of or general commercial transportation (except as provided below) or distribution of natural gas or petroleum products, or (ii) the installation or maintenance of any type of electrical or communication substation.

Easements for commercial transportation for utilities purposes are permitted under this safe harbor category; provided the easement limits the transportation area of any product in connection with the utilities to public roadways and the title insurance policy includes a specific notation as to such limitation.

2. Encroachments on or projections over public utility easements or public property

Exceptions for encroachments on or projections over public utility easements or public property, such as streets, alleys or sidewalks are acceptable provided that all of the following conditions are met:

- The encroachment does not interfere with the use of the easements or public property or with the exercise of rights of repair and maintenance in connection with the easements or public property.
- The removal of the encroaching improvement would not adversely affect the security for the SBL Mortgage.
- The Title Policy contains affirmative insurance against loss or damage suffered by reason of the entry of a decree or court order requiring the removal of the encroachment.

Notwithstanding the foregoing, the Seller/Servicer may use this safe harbor category for any private utility easement, if, in addition to the conditions stated above, the easement identifies the obligations of each party under the easement.

3. Restrictive agreements

Exceptions for covenants of record are acceptable provided that all of the following conditions are met:

- If the excepted document provides for periodic assessments payable by the Borrower, such assessments have been included in the operating expenses of the Property that the Seller/Servicer submitted to Freddie Mac for purposes of underwriting the SBL Mortgage, and all such assessments have been paid in full as evidenced by an estoppel certificate, or the Title Policy states that any such assessments are not yet due and payable or have been paid in full.
- The excepted document contains no other provisions that materially affect the Property's operating costs.
- There is not a violation of a covenant, condition or restriction known to the Seller/Servicer.
- The excepted document does not create or provide for any lien that would be prior to the lien of the SBL Mortgage, nor provide for the subordination or extinguishment of the lien of the insured SBL Mortgage or impair its validity or enforceability.
- The Property has been fully developed and is in compliance with any restrictive agreements regarding green space or other restrictions in development.

This safe harbor category does not include restrictive agreements that affect occupancy, leasing, access, use, setback, density, minimum building size or minimum unit size or require the Borrower to reserve a certain number or percentage of units for low income tenants. This safe harbor category does not include condominium declarations or other documentation related to a condominium regime.

4. Mutual easement agreements and party walls

Exceptions for recorded mutual easement agreements that establish a joint driveway, pathway, party wall, storm drain, or detention pond are acceptable if the easement

agreement allows all present and future owners unlimited use of the driveway, pathway, party wall, storm drain, or detention pond without any restriction other than restriction by reason of the mutual easement owners' rights in common and duties for joint maintenance.

This safe harbor category does not include mutual easement agreements that relate to shared facilities or primary access to the Property. Such an agreement must also meet the specific requirements of Section 8SBL.6.

Party walls that are not subject to an easement agreement are acceptable provided the title insurance policy affirmatively insures that the wall may remain undisturbed for as long as such wall remains standing.

5. Fence or wall misplacements

Exceptions for fence or wall misplacements on either side of the property line of the Property are acceptable, provided that neither the misplacement nor a future correction of it will interfere with the use of any improvements on the Property nor with the use of the balance of the Property not occupied by improvements.

The definition of walls in this safe harbor category does not include building walls, retaining walls that serve in whole or in part a structural purpose or other permanent structures.

6. Encroachments on the Property by improvements on adjoining property

Exceptions for encroachments on the Property by improvements on adjoining property are acceptable provided that all of the following conditions are met:

- The encroachment does not touch any improvements on the Property.
- Loss of use of any portion of the Property occupied by the encroachment will not interfere with the use of any improvements on the Property or cause the Property to be out of compliance with any zoning code or building code requirements, including requirements for number of parking spaces, open space or density.

7. Encroachments onto adjoining property

Exceptions for encroachments of the Property onto adjoining property in the form of eaves, awnings, canopies, balconies, cornices or other projections attached to improvements on the Property, or by other structures such as tool sheds, storage sheds, carports, garages not attached to residential structures, or by a driveway appurtenant to the Property are acceptable if an endorsement to the title insurance policy affirmatively insures against loss suffered by reason of the entry of a decree or court order requiring the removal of the encroachment, and for encroachments by carports or garages not attached to residential structures, loss of any parking spaces will not cause the Property to be out of compliance with any zoning code requirement.

8. Oil, gas, ground water and mineral rights

Exceptions for outstanding oil, gas, ground water or mineral rights are acceptable

provided all of the following conditions have been met:

- The exercise of such rights will not result in damage to the Property or impairment of the use of the Property for its intended purpose.
- There is no right of surface entry on the Property (whether express or by operation of law).
- If title to the land was initially granted by the U.S. government through a patent grant under which mineral rights were established, then a STG Patent Endorsement 1 or another equivalent endorsement is being provided.

See Section 29SBL.2(e)(15) for the safe harbor exceptions to title for the riparian rights of others.

9. Liens for taxes not due

Exceptions for liens for real estate or ad valorem taxes and assessments are acceptable if they specifically state that such liens either:

- Are not yet due and payable, or
- Are due but not yet delinquent

For states in which there are supplemental real estate taxes or other "roll back" taxes, language substantially similar to the following language must also be included;

"The lien of supplemental taxes and/or adjusted taxes, if any, [pursuant to the (applicable state) Revenue and Taxation Code] assessed as a result of a change in ownership or the completion of new construction occurring on or after the date of the policy, none yet due and payable as of the date of the policy."

10. Tenants in possession

Exceptions for rights of tenants in possession, as tenants only, under prior unrecorded residential leases, are acceptable.

11. Reserved

12. Avigation easements

Exceptions for avigation easements relating to aircraft rights are acceptable.

13. Condominiums

Exceptions for (i) condominium regimes or declarations of condominium rights or the equivalent in which the Borrower owns 100 percent of the condominium units at the Property, and/or (ii) condominium maps or references to condominium maps in the legal description where there is no condominium regime or declaration of condominium rights in effect are acceptable.

If the excepted document provides for periodic assessments payable by the Borrower, then either all such assessments must have been paid in full as evidenced by an estoppel certificate, or the Title Policy must state that any such assessments are not yet due and payable or have been paid in full.

14. Calculation of acreage

Exceptions for calculation of acreage, including shortage of area and engineering calculation of acreage are acceptable.

15. Riparian rights

Exceptions for riparian rights and navigational servitude are acceptable. Exceptions for water rights, claims or title to water are acceptable provided the title insurance policy contains CLTA Form 103.5-06 or ALTA 41.1-06 in accordance with Section 29SBL.1(g).

16. Temporary construction easements

Exceptions for temporary construction easements are acceptable provided that the construction has been completed and there are no further obligations by any party to the easement under such easement.

If a temporary construction easement is dated, or the terms of the easement expired, within the last 12 months of the date of the Title Policy, Single Counsel must advise whether affirmative mechanics lien coverage must be obtained, and if so, arrange to have it included with the Title Policy.

17. Itemized survey and/or plat exceptions

Itemized survey and/or plat exceptions for water detention basins, guy wires, power poles, buffers/landscape easements, curbing, light poles, electric/cable/phone boxes, sanitary sewer manholes, water valves, water/electric/sanitary sewer facilities, lake/creek/stream/pond, reinforced concrete pipes, drains and drainage systems, building setback lines that have not been encroached upon by buildings or retaining walls that in whole or in part serve as structural support to improvements on the Property as well as other non- structural items that do not violate any zoning laws or regulations to which the Property may be subject (e.g., fences, boundary walls, signs that lie within the building setback lines), sidewalks, road visibility easements, and traffic control devices are acceptable.

18. Sewer and utility line tie-ins benefiting adjacent property

Easements allowing an adjacent property to tie into sewer and utility lines are acceptable provided that the easement specifically allocates responsibility to the parties for maintenance and any costs.

19. Restricted access to roadway, relinquishing rights to future curb cuts

Restricted access to roadway and/or the relinquishment of rights to future curb cuts are acceptable provided that access from the Property to a public roadway is available

at all times (whether directly or by agreement meeting the requirements of Section 8SBL.6).

20. Rights of public in and to portions of public roadway, public sidewalks or public trails

Rights of the public in and to portions of public roadways, public sidewalks or public trails are acceptable.

21. Telecommunication and cable company agreements

A lease, license, easement or agreement for the provision of cable television, Internet, personal communications systems, high speed data or other telecommunication systems to the Property, including marketing support agreements, (“telecommunications agreement”) is acceptable, provided that it (a) contains terms and provisions, including compensation, that are customary for the market in which the Property is located, and (b) does not impose any financial obligations equal to or greater than \$50,000 on the Property owner, and does not impose any financial obligations on any mortgagee, and/or subsequent owner by foreclosure, deed in lieu of foreclosure or other conveyance (including reimbursement of any up-front fee paid by the provider to the Property owner upon termination of the agreement).

If any easements are created pursuant to such telecommunication agreements, such easements satisfy Section 29SBL.2(e)(1).

22. Laundry leases

Laundry leases with third party vendors are acceptable.

23. [Facsimile] Collateral Assignment of Beneficial Interest

Exceptions for a [Facsimile] Collateral Assignment of Beneficial Interest for Illinois Land Trust loans are acceptable.

24. Emergency and/or Public Utility Vehicle Access Easements

Exceptions for emergency and/or public utility access easements are acceptable.

25. Waterfront Property or Property Bounded by Water

Exceptions for changes in the location of boundary lines as a result of accretion, reliction, erosion and avulsion are acceptable.

26. Redevelopment and Urban Renewal Plans

Exceptions for rights of cities or other applicable governmental authorities under redevelopment and urban renewal plans are acceptable; provided (i) the Property is in compliance with such plans; (ii) there are no on-going obligations of the Borrower under such plans (including future development, tenant restrictions, filing/reporting obligations, assessments, charges or liens); and (iii) there are no restrictions in the plans which would have an adverse impact on the use or valuation of the Property.

27. Improvements Designated as Landmarks

Exceptions for improvements that are designated by the applicable governmental authorities as landmarks are acceptable; provided that affirmative coverage for any loss resulting from the improvement being designated a landmark is provided or, if affirmative coverage is not available, the results of a current Landmark's Preservation Department search or an equivalent search confirm that there are no landmark violations indexed against the Property.

28. \$1.00 Condemnation Clause in Deeds

Exceptions for a "\$1.00 Condemnation Clause" in New York City deeds conveying the Property from New York City to a third party are acceptable provided that the Seller/Servicer or Single Counsel confirms that no portion of the Property lies within a proposed street.

29. Exception for condominium/cooperative conversion restriction

Exception for a prohibition against conversion of the Property to a condominium or cooperative structure is acceptable, provided the agreement does not contain any indemnification of property seller in connection with the conversion or other potential Lender liability.

If the condominium/cooperative conversion restriction does contain an indemnification in connection with the conversion, the Seller/Servicer or Single Counsel must advise Freddie Mac.

f. Exception for Private Transfer Fee Covenant (04/18/24)

If the Title Policy contains an exception for a Private Transfer Fee Covenant that was created on or after February 8, 2011, the SBL Mortgage is ineligible for purchase by Freddie Mac. See Section 8SBL.14.

29SBL.3 Legal description requirements (04/18/24)

For each SBL Mortgage purchased by Freddie Mac, Seller/Servicer or Single Counsel must confirm that security instrument, related assignment, title insurance policy, UCC Financing Statements, and all other documents pertaining to the SBL Mortgage have a legal description that matches in all material respects the legal descriptions in the other documents.

29SBL.4 Uniform Commercial Code search requirements (04/18/24)

No earlier than 30 days prior to the Origination Date, the Seller/Servicer must cause a Uniform Commercial Code (UCC) search to be performed in the local jurisdiction in which the Property is located for the Borrower, if the loan is a refinance, or if the Property is being acquired by the Borrower, the current owner of the Property. This search must be conducted by a reputable title or search firm.

If the UCC search indicates that there are any financing statements on file (other than the financing statements filed by the current lender that will be released at origination of the SBL

Mortgage) then, prior to the Origination Date, the Seller/Servicer or Single Seller Counsel must provide an explanation of those financing statements to Freddie Mac.

29SBL.5 Survey requirements (04/18/24)

A new survey is not required for SBL Mortgages.

If the title insurance policy contains an exception for any itemized survey or plat matters, the Seller/Servicer must deliver an electronic copy of the referenced survey or plat with the recorded exception documents, in accordance with Section 29SBL.2.

32.1 General final delivery requirements (08/17/23)

a. Forms (09/01/16)

All of the Loan Documents, Final Delivery Tables of Contents, and Final Delivery Instructions referenced in this chapter are available at mf.freddie.mac.com/lenders/purchase.

Final Delivery Table of Contents refers to either of the following, as applicable:

- Final Delivery Package Immediate Cash Loan and TAH Unfunded Forward Cash at Conversion Table of Contents
- Final Delivery Package Table of Contents Small Loan Purchase Product

Final Delivery Instructions refers to either of the following, as applicable:

- Final Delivery Instructions – Immediate Cash and TAH Unfunded Forward Cash at Conversion
- Final Delivery Instructions – Small Balance Loan Purchase Product

b. Delivery of Final Delivery Package (05/05/17)

The Seller must deliver to Freddie Mac, at the Seller's expense, the Final Delivery Package. For all programs and products, the Seller must deliver the Final Delivery Package to *Multifamily Purchase*. Each delivery of a Mortgage to Freddie Mac must comply with the requirements of this chapter, the chapter for the applicable purchase program or product, and the applicable Final Delivery Instructions.

The “Final Delivery Package” consists of:

- The electronic delivery portion of the Final Delivery Package, which consists of documents delivered electronically to *Multifamily Purchase* by uploading such documents into the Document Management System (DMS). For identification of the documents comprising the electronic delivery Final Delivery Package, see the applicable Final Delivery Table of Contents. For guidance on how to deliver documents via DMS, see the document mapping in the Final Delivery Table of Contents.
- The hardcopy delivery portion of the Final Delivery Package, which consists of items delivered to *Multifamily Purchase* in their original hardcopy form. For identification of the documents comprising the hardcopy delivery portion of the Final Delivery Package, see the applicable Final Delivery Table of Contents.

Certain documents required to be included in the Final Delivery Package must be included in both the electronic delivery portion and the hardcopy delivery portion as specified in the Final Delivery Table of Contents.

Freddie Mac will accept delivery of the Note directly from the warehouse lender, and will accept electronic deliveries and hardcopy deliveries received at separate times, but Freddie Mac does not deem a Final Delivery Package to be complete until Freddie Mac has received both the electronic and the hardcopy delivery portions of such package. Note that required

electronic documents must all be uploaded to DMS before hardcopy documents arrive at Freddie Mac.

When delivering hardcopy documentation without a Final Delivery Table of Contents, a completed Multifamily Document Transmittal Form, available at mf.freddiemac.com, must be attached. In the case of deliveries of a pool of Mortgages (more than one Mortgage from the same Borrower or related Borrowers), the Seller must coordinate all deliveries so that the electronic and hardcopy delivery portions are received on the same date.

c. Delivery and review period; preferred funding (08/17/23)

1. The Seller must deliver the Final Delivery Package no later than noon Eastern time on the Mandatory Delivery Date identified in the applicable Letter of Commitment or early rate-lock application.

A delivery notification email must be sent to MF_Delivery_Notification@freddiemac.com with the Freddie Mac Loan Number, Property Name, Counsel name and tracking number within 24 hours of expected receipt. The original documents must be delivered in a one inch red-well folder.

2. The Seller must request in writing its preferred funding date (no earlier than 10 calendar days from the date on which Freddie Mac receives the Final Delivery Package and no later than the Mandatory Funding Date) by insertion of the preferred funding date on the applicable blank on the Final Delivery Table of Contents. If the Seller fails to provide a preferred funding date, funding will occur once review is completed, but no later than the Mandatory Funding Date.
3. Freddie Mac will commence review of the Final Delivery Package upon receipt. The Seller should plan for funding on the Seller's requested preferred funding date, as long as that date is at least 10 calendar days after the date on which Freddie Mac receives the Final Delivery Package and no later than the Mandatory Funding Date.

d. Completion of documents (09/01/16)

1. Identification of documents

The Loan Document revision date must appear on each Loan Document.

2. Completion of blanks by the Seller

The Seller must complete each blank in a Loan Document or other form required by Freddie Mac with the information specified by Freddie Mac, with "n/a," or with a cross-reference to the applicable modification Exhibit, as applicable. If the Letter of Commitment, the early rate-lock application or the Guide does not specify how a blank is to be completed, the Seller must contact:

- The *Applicable Freddie Mac Multifamily Regional Office* for instructions, for non-SBL Mortgages
- The *Multifamily Small Balance Loan Team*, for SBL Mortgages

3. Required changes

The Seller must do all of the following:

- Make any changes to the Loan Documents that are:
 - Required in writing by Freddie Mac
 - Required by the applicable Mortgage purchase program or product
 - Listed in the Authorized Changes to the Multifamily Loan Documents
- Add the signature block and any required witness signature lines and/or acknowledgments, in the form required by applicable law
- Include any changes to the format of the Loan Documents (for example, paper size, fonts, spacing) that are required by applicable laws

4. Permitted Changes

The Seller may add a table of contents, change the pagination and/or make changes to the font, paper size and other aspects of the Loan Documents. The Seller must ensure that any such permitted changes comply with the requirements of applicable law.

5. Method for making changes

The Seller must make all authorized and required changes on the appropriate modification exhibit to the document, and must mark the applicable box on the document to indicate such an exhibit is attached. The Seller may not make any changes to the Loan Documents by altering the text of the body of the document, except that modifications may be made directly to the text of the body of Riders to Loan Documents so long as such modifications are clearly identified by intentionally showing stricken-through (deleted) text and underlined (new) text.

e. Forms for assignments and Note endorsement (08/17/23)

Freddie Mac requires that the Seller assign to Freddie Mac certain documents in addition to the Security Instrument (for example, the Loan Agreement and the Guaranty) and endorse the Note to Freddie Mac.

1. Omnibus Assignment

Freddie Mac requires the Seller to use the Freddie Mac Omnibus Assignment for all documents required to be assigned to Freddie Mac under the Guide, the Letter of Commitment, or the early rate-lock application (other than recorded documents and the Note).

2. Note Endorsement

- The Note must bear an endorsement to Freddie Mac in the following form:

PAY TO THE ORDER OF THE FEDERAL HOME LOAN MORTGAGE
CORPORATION WITHOUT RECOURSE

(Name of Seller-endorser)
(Signature of duly authorized officer)
(Typed name and title of signatory)

- Do not date the Note endorsement. The Note endorsement may appear on an allonge to the Note if the Freddie Mac loan number appears on the allonge and the allonge is attached to the Note.
- To the extent provided in the Uniform Commercial Code (UCC), the Note endorsement “without recourse” may limit Seller/Servicer’s obligation, as endorser under the UCC, to pay amounts due under the Note upon default by Borrower but will not affect Seller/Servicer’s repurchase obligations under the Purchase and Servicing documents.
- Any chain of endorsements must be complete from the original lender shown on the Note to Freddie Mac.

f. Electronic recording (09/01/16)

The Seller must electronically submit for recording or filing all Mortgage documents required to be recorded or filed if the applicable recording office accepts electronic recordings and/or filings.

g. Organization of the hardcopy Final Delivery Package (09/01/16)

With respect to the hardcopy portion of a Final Delivery Package, the Seller must deliver all of the applicable documents (except the Note delivered by a warehouse lender) along with the electronic versions in the following manner:

- Deliver an accordion folder (sometimes referred to as a redwell folder) labeled with the Seller’s name, Freddie Mac loan number, property name, and identified as the Final Delivery Package, with all documents adequately secured. The Seller must fasten each multipage document with a staple (with the exception of the Note and the Loan Agreement, which must be clipped). The Seller must not insert any loose documents or use rubber bands to hold any documents together;
- Arrange the documents in the order listed in the applicable Final Delivery Table of Contents, with the first listed item on top, the second item below it and so on; and
- Include the applicable Final Delivery Table of Contents, which identifies the titles of the documents included, and tabs to mark each item. If a document listed in the Final Delivery Table of Contents is not applicable, “N/A” must be noted on the Final Delivery Table of Contents. No such corresponding blank documents may be delivered or uploaded as part of the electronic delivery package.

h. Freddie Mac's review not a waiver (05/01/14)

Freddie Mac's review of submitted documents will not discharge or limit the Seller's liability for breach of any warranties made under the Purchase and Servicing Documents. Further, the fact that Freddie Mac has prescribed a form for a particular document does not relieve the Seller of its obligation to ensure that all documents comply with and are enforceable

under applicable law. If the Seller doubts such compliance or enforceability with respect to a particular document, an attorney who represents the Seller must contact the applicable Freddie Mac *Multifamily Attorney* for instructions.

i. Review of Mortgage prior to purchase (05/01/14)

Before the Freddie Mac Funding Date, Freddie Mac may, in its discretion, refuse to purchase any Mortgage if it determines any of the following:

- The Mortgage is not of investment quality
- The Seller has failed to satisfy or has breached any of the provisions of the Purchase and Servicing Documents
- Any of the Seller's warranties or representations to Freddie Mac are untrue
- Any information provided by or on behalf of the Borrower is untrue, incomplete or misleading

If Freddie Mac declines to purchase a Mortgage for any of the reasons set forth above, it will retain any application fees paid to it and will treat the situation as a non-delivery of the Mortgage.

j. Funding (09/01/16)

After Final Delivery, Freddie Mac will review the Final Delivery Package and set the Freddie Mac Funding Date as the date requested by the Seller on the Final Delivery Table of Contents, subject to the limitations set forth in Section 32.1(c)(3). Freddie Mac will make payment on the requested date provided the conditions set forth in the Letter of Commitment or early rate-lock application, as applicable, and the applicable product chapters, and the Final Delivery Instructions, have been satisfied.

k. Late delivery; nondelivery (08/18/22)

For non-SBL Mortgages, late delivery and nondelivery provisions are found in the following sections:

- Sections 27.24(a), 27.24(c) and 27.26, for Mortgages delivered under the standard delivery option
- Sections 27.24 and 27.26, for Mortgages delivered under the early rate lock delivery option
- Section 19A.17, for Mortgages delivered under a Forward Commitment

For SBL Mortgages, late delivery and nondelivery provisions are found in Chapter 18SBL.

Multifamily Purchase may, in its discretion, assess a late fee for Final Delivery Packages received after the Mandatory Delivery Date. The late fee will be calculated by *Multifamily Purchase* as a per diem, using the interest rate set forth in the Note.

32.2 Warehouse Mortgage delivery (05/05/17)

For Mortgages that are subject to a security interest of a warehouse lender, the Final Delivery Package must include a properly completed, dated and executed Form 987M, Wire Transfer Authorization – Cash Warehouse Delivery, attached to a properly completed and executed Form 996M, Warehouse Lender Release of Security Interest, as required by Chapter 33. When delivering hardcopy documentation without a Final Delivery Table of Contents, a completed Multifamily Document Transmittal Form, available at mf.freddiemac.com, must be attached.

32.3 Use of counsel; documents for final delivery; settlement statements (08/15/24/10/17/24)

Unless indicated otherwise in the applicable section or subsection, references in this chapter to “Mortgage” refer to non-SBL Mortgages, SBL Mortgages and TELs, and references to “counsel” refer to Seller/Service’s counsel for non-SBL Mortgages and Single Counsel for SBL Mortgages and TELs.

By its delivery of the Final Delivery Package to Freddie Mac, the Seller/Service will be deemed to represent and warrant to Freddie Mac that it has complied with the requirements of this section.

a. Use of counsel (08/15/24)

1. For each non-SBL Mortgage submitted to Freddie Mac for purchase, an attorney who represents the Seller and who has the qualifications and experience required by Section 6.2 must:
 - Perform the tasks required by Chapter 6 and this chapter
 - Prepare and/or review all legal documents
2. For each SBL Mortgage or TEL submitted to Freddie Mac for purchase, Single Counsel who represents the Seller and Freddie Mac must:
 - For each SBL Mortgage, perform the tasks required by Chapter 6SBL and this chapter
 - For each TEL, perform the tasks required by Chapter 25 or 25A, as applicable, and this chapter
 - Prepare and/or review all legal documents

b. Loan Documents (08/15/24)

1. The Seller must originate the Mortgage using the form documents listed in the applicable Currently Acceptable Multifamily Loan Documents accessed at mf.freddiemac.com/lenders/legal. Each form used must have been listed on mf.freddiemac.com during the period between the date the Letter of Commitment is issued (or the early rate-lock application is submitted by the Seller) and the Origination Date, unless otherwise approved in writing by Freddie Mac.
2. A Seller may:

- Provide its counsel with the appropriate Loan Documents that the Seller has obtained directly from mf.freddiemac.com, or
- Instruct its counsel to obtain the appropriate Loan Document directly from mf.freddiemac.com.

Regardless of the method used by the Seller's counsel to obtain the Loan Documents, the Seller will be responsible for making the absolute warranty set forth in Section 5.2(c).

c. Settlement statements (08/15/24/10/17/24)

1. **Inclusion in Final Delivery Package; Execution.** The Final Delivery Package for the Borrower must include a copy of the final settlement statement for the Borrower.
 - The settlement statement must include the full legal name of the Borrower
 - The settlement statement must have been executed by the Borrower.
 - The settlement statement(s) must also be executed by the Title Company or be printed on the Title Company's letterhead.
 - The Seller/Servicer and its counsel must review the settlement statement to verify the information required in subsection c.2. below.
2. **Content.** There is no specific form for the final settlement statement; however, it must clearly include the information set forth below.
 - A. **Acquisitions.** If the Mortgage transaction is an acquisition as referenced in the Letter of Commitment, the settlement statement must include the following:
 - (i) For non-SBL Mortgages, the acquisition price actually paid by the Borrower for the Property, including:
 - the proceeds due to the seller of the Property after all adjustments,
 - the full legal name of the seller of the Property,
 - any credits to the Borrower against the contractual purchase price, and
 - any items which the Seller/Servicer has received Freddie Mac's prior approval in determining the acquisition price
 - (ii) For SBL Mortgages, the Required Actual Cash Purchase Price as defined in the Letter of Commitment, including:
 - the proceeds due to the seller of the Property after all adjustments,
 - the full legal name of the seller of the Property,

- any credits to the Borrower against the contractual purchase price,
 - and any items which the Seller/Servicer has received Freddie Mac's prior approval to include in determining the Required Actual Cash Purchase Price
- (iii) For all Mortgages:
- The Borrower's closing costs and cash contribution after closing costs ([see also Section 10.18 for total acquisition costs, permitted closing costs and allocations for intangibles](#))
 - As provided in Sections 29.1 and 29SBL.1, the settlement statement(s) must be delivered to the Seller/Servicer or the Seller/Servicer's counsel directly by the Title Insurance Underwriter.
- B. Refinances. If a Mortgage is a refinance, the settlement statement must include the following:
- The existing loan payoff amount
 - The Borrower's closing costs ([for refinance Mortgages in which the Property was acquired within the 12 months prior to Mortgage origination, see also Section 10.18 for total acquisition costs, permitted closing costs and allocations for intangibles](#))
 - The Borrower's cash out after closing costs
 - If a cash-in refinance, the Borrower's cash contribution after closing costs
- C. All Mortgages. For both acquisition and refinance Mortgages, the settlement statement must also include the calculation of up-front escrow deposits, Reserves, and other cash collateral that matches the requirements of the Letter of Commitment or early rate lock application, and the list of all escrows held. In lieu of setting forth a detailed listing of the Seller/Servicer's Reserves and expenses directly in the main body of the settlement statement, such detail may be set forth as an exhibit to the settlement statement, provided such exhibit is expressly referenced in the main body of the settlement statement for the Borrower.

d. Seller's Certification of Outstanding Items (08/15/24)

All items required to be reviewed and approved by Freddie Mac prior to loan origination or prior to loan purchase as noted in the Letter of Commitment must be listed in the Seller's Certification of Outstanding Items, and to the extent approval from Freddie Mac has not been received by Seller for any such items at the time the Certification is executed, Seller must identify such items on the Certification.

e. Written notices (08/15/24)

Copies of all written notices that Seller/Service's legal counsel has determined must be and/or are generally advisable to be provided to third parties under any documents, instruments or agreement, recorded or unrecorded, affecting the Property in connection with the origination of the Mortgage and/or the subsequent assignment of the Mortgage to Freddie Mac, must be included with the Final Delivery Package. This includes for the purpose of entitling the Seller and/or Freddie Mac, each in its capacity as a mortgagee of the Property, to any legal rights under such documents, instruments or agreements.

32.4 Specific final delivery requirements (08/17/23)

In addition to the general requirements set forth in this chapter, more specific delivery requirements are set forth in the Final Delivery Instructions and the Letter of Commitment.

32.5 Delivery of Initial Delivery Packages for Forward Commitments for non-SBL Mortgages (09/01/16)

For all Forward Commitment products, the Seller must submit the Initial Delivery Package to *Multifamily Purchase* in accordance with the Final Delivery Instructions – Forward Commitment Initial Delivery. Final Delivery Packages for all Forward Commitment products must be submitted in accordance with the Final Delivery Instructions – Cash and Bonds.

32.6 Reserved (05/01/14)

32.7 Reserved

32.8 Reserved

32.9 Reserved

32.10 Reserved

32.11 Preparing for purchase (09/01/16)

a. File identification prior to funding (05/01/14)

When a Seller delivers a Mortgage to Freddie Mac for purchase, the Seller must note on the Loan Documents and accounting records retained in the Seller's file that Freddie Mac may purchase the Mortgage. Because Freddie Mac may reject a Mortgage before purchase, the Seller must not transfer the Mortgage to a Freddie Mac portfolio designation until Freddie Mac has purchased the Mortgage.

b. Updated verification of the UPB (09/01/16)

When Freddie Mac advises the Seller that it will purchase the Mortgage, the Seller must confirm the current UPB via email to *Multifamily Purchase*.

c. Purchase price (05/01/14)

Freddie Mac determines its purchase price for a Mortgage based on the UPB set forth in the Seller’s email verification of the UPB plus the purchase interest (the interest due from the first day of the month in which Freddie Mac will purchase the Mortgage until the day prior to the settlement date minus the Servicing Spread) plus or minus any applicable discount or premium.

32.12 Wire transfer instructions (04/18/24)

Before instructing Freddie Mac to make a wire transfer to an account, a Seller must ensure that the account is eligible to receive direct wire transfers. The Seller must submit to Freddie Mac *Multifamily Cash Management* the documentation required by Section 32.12(a) and 32.12(b). Settlements cannot be made if such documentation is not on file with Freddie Mac and in compliance with Sections 32.12(a) and 32.12(b).

a. Authorization documentation (02/16/23)

<p>The Seller must identify the individuals authorized to provide wire transfer instructions to Freddie Mac on behalf of the Seller (the “authorized individuals”) by submitting the applicable “authorization documentation” (below) to Freddie Mac <i>Multifamily Counterparty Risk & Compliance</i>.</p>		
<p>Authorization Documentation</p>		
<p>For a corporation submit a completed:</p>	<p>For a sole proprietorship or a partnership submit a completed:</p>	<p>For a limited liability corporation submit a completed:</p>
<p>Certificate of Corporate Secretary (Freddie Mac Form 989M) with Board resolution attached to Form 989M as Exhibit A</p>	<p>Certificate of Authorized Representative (Freddie Mac Form 988M) with resolutions from the governing body that is empowered to legally bind the Seller attached to Form 988M as Exhibit A, if applicable.</p>	<p>Certificate of Limited Liability Company Secretary/Authorized Representative (Freddie Mac Form 990M) with resolutions from the managers/members who are empowered to legally bind the Seller attached to Form 990M as Exhibit A</p>

Freddie Mac will not accept wire transfer instructions or modifications to the authorization documentation executed by anyone other than an authorized individual.

Once Freddie Mac has received the executed authorization documentation, Freddie Mac will contact one or more of the individuals authorized to provide wire transfer instructions to Freddie Mac to confirm the accuracy of the wire instructions provided to Freddie Mac via the Form 483 or company letterhead, as applicable.

Freddie Mac will retain the authorization documentation on file. The Seller may contact *Multifamily Counterparty Risk & Compliance* to view the authorization documentation on file.

Freddie Mac requests that the Seller recertify its authorization documentation annually on the Multifamily Annual Certification Report (Form 16M, Annual Eligibility Certification Report, or Form 17M, Multifamily Annual Certification Report Structured Transaction & Tax-Exempt Bond Seller/Service, as applicable) confirming that the authorization documentation on file with Freddie Mac remains in full force and effect and that there are no changes to the individuals authorized to provide wire transfer instructions to Freddie Mac.

The Seller may not wait for a recertification request to notify Freddie Mac of any changes in its authorized individuals or wiring instructions. The Seller must notify Freddie Mac of any changes in its authorized individuals or wiring instructions within five Business Days of the change taking place. Freddie Mac *Multifamily Cash Management* will periodically contact the authorized individuals to verify the wire instructions on file. *Multifamily Cash Management* will send such validation requests via secure email.

Settlements cannot be made if Freddie Mac does not have on file a current certification or authorization documentation. The Seller can change, delete or add new authorized individuals only by submitting new authorization documentation. Freddie Mac requires five Business Days to process any such changes.

b. Multifamily Wire Transfer Authorization (04/18/24)

The Seller must submit to Freddie Mac *Multifamily Cash Management* the following forms:

- A completed Form 483M, Wire Transfer Authorization, executed by an authorized individual, as defined in Section 32.12(a), to represent the Seller's legal authorization to instruct Freddie Mac to wire transfer funds to a designated bank
- A completed, current version of the IRS Form W-8 or W-9, as applicable, for the Seller and for each entity in the transaction that will receive funds directly from Freddie Mac via wire transfer (e.g., warehouse lender, Title Company, etc.)

The Seller can change or add new wire transfer instructions only by submitting a newly executed and properly authorized Form 483M and a Form W-8 or W-9, which does not need to be newly executed as long as it is the latest version of the W-8 or W-9 available from the IRS. Freddie Mac will not accept wire transfer instructions submitted in any other manner. Freddie Mac requires at least five Business Days to process such a change.

See Section 33.4 for information regarding wire transfer instructions for the purchase by Freddie Mac of Mortgages subject to the security interest of a warehouse lender.

32.13 Purchase/settlement procedures (09/01/16)

a. Multifamily Loan Purchase Statement (09/01/16)

After reviewing the Final Delivery Package, and prior to the purchase funds being sent, Freddie Mac will generate and send via email to the Seller the Multifamily Loan Purchase Statement, which includes a computation of the amount to be funded to the Seller as well as a statement of the percentage of participation purchased by Freddie Mac.

**b. Receipt of funds (05/01/14)**

Freddie Mac will advise the Seller of the scheduled Freddie Mac Funding Date. Freddie Mac initiates each wire transfer in sufficient time for the funds to be credited to the Seller's account on the scheduled Freddie Mac Funding Date. It is the Seller's responsibility to call its bank to confirm receipt of the funds. If the funds have not been credited to the account by the morning of the next Business Day, the Seller must contact the applicable *Multifamily Purchase Manager*.

1. Electronic Delivery

When this chapter requires electronic delivery of backup documentation related to the completion or partial completion of repairs, the Servicer must submit all items required to be delivered to Freddie Mac by uploading the documents into the Property Reporting System (PRS).

When this chapter requires electronic delivery of documents related to post-origination transactions, the Servicer must submit all items required to be delivered to Freddie Mac by uploading the documents into the Document Management System (DMS) and using the "File Submission" link to notify:

- For Structured Transactions, Tax Exempt Bond Credit Enhancements, Acquisition Rehabilitation/Lease-Up/Moderate Rehabilitation loan products, or Credit Facilities, "Structured Transactions"
- For all other Mortgages, "Borrower Transactions"

2. Delivery of original documents to Freddie Mac

When this chapter requires delivery of an original document with respect to any Mortgage, the Servicer must:

- Upload the document into DMS, and
- Deliver the original to
 - For Structured Transactions, Tax Exempt Bond Credit Enhancements, Acquisition Rehabilitation/Lease-Up/Moderate Rehabilitation loan products, or Credit Facilities, Freddie Mac *Multifamily Asset Management, Structured Transactions*
 - For all other Mortgages, Freddie Mac *Multifamily Asset Management, Borrower Transactions*

b. Reserve Custodial Accounts (05/01/14)

The Servicer must hold Reserves in Custodial Accounts in accordance with the requirements of the Loan Documents. If the Loan Documents do not contain specific requirements, then the Servicer must hold all Reserves in Custodial Accounts meeting the requirements of Chapter 52.

The Seller/Servicer must provide Freddie Mac all Custodial Account documentation required by Chapter 52.

The Servicer must service all Reserve Custodial Accounts required or permitted under this chapter in accordance with the Loan Documents, this chapter, Chapter 52 and other applicable sections of the Guide, and industry-accepted practices.

39.2 Reserve requirements; Reserves for taxes, ground rents, assessments and other charges (10/19/23)

a. Reserve requirements (04/30/19)

- 1. Unless Freddie Mac has deferred its right to require a Reserve for any item(s), the Servicer must collect Reserves for:
 - Taxes
 - Ground rents
 - Assessments and charges that may, if not paid on a timely basis, become prior liens on the Property
 - Premiums on all insurance policies (individual policies, Blanket Insurance policies, master insurance policies, and liability insurance policies covering multiple properties) required by Chapter 31 and/or the Purchase and Servicing Documents
See Section 31.2(c) for additional information regarding Reserves for insurance premiums.
 - Cap fee deposits for an ARM with an interest rate cap or swap agreement with a third-party provider that expires before the Mortgage maturity date

2. For taxes, ground rents, assessments, cap fee deposits and premiums for individual insurance policies, if the Servicer is collecting a Reserve when Freddie Mac purchases the Mortgage, the Servicer must continue to collect 1/12 of the yearly charge for each Reserve together with each monthly installment payable under the Note.

Formatted: Indent: Left: 1.19", Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.85" + Indent at: 1.1"

3. For Blanket Insurance policies, master insurance policies, and liability insurance policies covering multiple properties, the Seller/Servicer must do one of the following:

Formatted: Indent: Left: 1.19", Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.85" + Indent at: 1.1"

- Collect 1/12 of the premium allocation obtained from the insurance agent or broker, for each Property securing a Freddie Mac Mortgage that is insured under the applicable policy and serviced by the Servicer to ensure that the Servicer will have sufficient funds in the Reserve to pay the allocated premium due on the applicable policy or policies with each monthly installment payable under the Note.
- Collect 1/12 of an amount sufficient to purchase an individual insurance policy or policies with each monthly installment payable under the Note.
- Collect an amount sufficient to pay the annual premium for an individual insurance policy or policies for the Property.

See Section 31.2(c) for additional information regarding Reserves for insurance premiums.

2.4. If a Borrower obtains a Supplemental Mortgage, then beginning on the Origination Date of the Supplemental Mortgage, the Servicer of the most senior Mortgage will begin to collect Reserve deposits for taxes, ground rents (if applicable), insurance, and Replacement Reserves, unless one of the following circumstances exists:

- The Mortgaged Property is a Cooperative, and collection of those Reserves was deferred at origination of the most senior Mortgage
- The Loan Documents for the most senior Mortgage explicitly provide for continued deferral of Reserve deposits following origination of a Supplemental Mortgage (for items other than insurance)
- The Loan Documents for the most senior Mortgage explicitly provide for the continued deferral of Reserve deposits for insurance because the Mortgaged Property was covered under a Blanket Insurance policy or a master insurance policy and under the Supplemental Mortgage, the Mortgaged Property will continue to be covered under a Blanket Insurance policy or a master insurance policy.

Formatted: Indent: Left: 1.19", Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.85" + Indent at: 1.1"

3.5. The Servicer must pay, at its own expense, any interest payable to the Borrower for Reserve funds or any other funds held by the Servicer, whether due to contractual agreement or operation of law. The Servicer must use funds deposited in a Reserve only for items related to the purpose for which the Reserve was established. The Servicer may not withdraw miscellaneous costs, including Uniform Commercial Code (UCC) filing fees, overnight delivery charges and/or late payment fees, from the Reserve.

Formatted: Indent: Left: 1.19", Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.85" + Indent at: 1.1"

6. The Servicer must obtain bills for and pay all Reserve items before the applicable penalty or termination date. The Servicer must maintain adequate records to prove payment of all Reserve items.

Formatted: Indent: Left: 1.19", Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.85" + Indent at: 1.1"

7. At least annually, the Servicer must compute the required Reserve installment amounts based on reasonable estimates of assessments and bills to determine that sufficient funds are being collected or have been collected to meet all Reserve payments. If the amount held in Reserve by the Servicer, together with the future monthly Reserve installments, exceeds the amount required to pay Reserve items as they fall due, the Servicer must either repay the excess promptly to the Borrower (if there is no default under the terms of the Loan Documents) or credit the excess to the Borrower by a reduction in monthly Reserve installments.

Formatted: Indent: Left: 1.19", Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.85" + Indent at: 1.1"

8. If the Servicer deems the amount held in Reserve insufficient to pay Reserve items when due, the Servicer must obtain the necessary additional funds from the Borrower before the latest date on which the charges may be paid prior to penalty, lapse of insurance policies, etc. If the Borrower fails to remit the deficient amount, or if there is insufficient time to obtain the amount, the Servicer must pay any Reserve items due and reflect a shortage in the Borrower's Reserve. However, during any period in which the Borrower is in bankruptcy, the Servicer may not make any advance in excess of Reserve funds for Reserve items without the prior consent of Freddie Mac.

Formatted: Indent: Left: 1.19", Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.85" + Indent at: 1.1"

For Mortgages originated under this Guide, the Servicer must advance the shortage in accordance with Section 52.15 and must notify Freddie Mac *Multifamily Asset*

Management, Asset Performance and Compliance if any advance is unresolved for 30 days.

For Delegated TAH Mortgages, the Servicer must advance the shortage to the extent permitted or described in its Delegated TAH Master Agreement.

9. To the extent permitted by the Loan Documents and applicable law, the Servicer may, without Freddie Mac's prior approval, start collecting Reserves not previously required, but may not discontinue collecting Reserves without Freddie Mac's prior written approval.

Formatted: Indent: Left: 1.19", Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.85" + Indent at: 1.1"

b. Annual certification (02/06/17)

Any Servicer that has a Multifamily Servicing-only approval, as described in Section 3.1(e), must certify to Freddie Mac in writing that all of the following have been paid during the preceding fiscal year and are not then delinquent, except as otherwise set forth in the certification:

- 1. Insurance premiums
- 2. Ground rents
- 3. Assessments
- 4. Taxes
- 5. Other charges that may, if not paid on a timely basis, become prior liens on the Property

If any such items are delinquent, the certification must describe the nature of the delinquency and the steps being taken to cure that delinquency.

The certification must be made using Form 1110M, Multifamily Annual Certification Report – Servicer Only. Servicers must use the Multifamily Eligibility System, available on FreddieMac.com, to complete the Form and to submit it to Freddie Mac.

The Servicer must submit the completed Form 1110M within 90 days after the end of the Servicer's fiscal year following the instructions found on the form.

c. Requirements when Reserves are not collected (10/19/23)

If Freddie Mac has deferred its right to collect Reserves for any item, or if the Loan Documents or applicable law do not provide for the collection of Reserves or if Reserves were not being collected for some or all items when the Mortgage was sold to Freddie Mac, the Servicer must proceed as follows:

1. Verification of payment

At least annually, the Servicer must either require the Borrower to furnish proof of payment of all taxes, insurance premiums, ground rents, assessments and other charges or use other reliable means (such as tax services) commonly employed by private institutional mortgage investors to determine that these items have been paid.

2. Additional verification for Mortgages with a Risk Rating greater than six

On a semi-annual basis, for each Mortgage secured by a Property with a Risk Rating greater than six, or any Mortgage otherwise identified by Freddie Mac to the Servicer, the Servicer must:

- Require the Borrower to furnish proof of payment of water and sewer charges, or
- Require the Borrower to provide a certification that the water and sewer charges have been paid, or
- Use other reliable means commonly employed by private institutional mortgage investors to determine that water and sewage charges have been paid

Acceptable proof of payment includes copies of paid receipts and/or cancelled checks, and the corresponding water and sewer bills showing the previous amount paid.

3. Demand upon Borrower

If the Servicer discovers that any charge listed in item 1 or 2, above, has not been paid, the Servicer must immediately contact the Borrower in writing and require the Borrower to provide proof of payment within 10 days and provide Freddie Mac *Multifamily Asset Management, Asset Performance and Compliance* and Freddie Mac *Multifamily Asset Management, Asset Resolution* with a copy of such notice.

4. Advances by Servicer

For Delegated TAH Mortgages, advances by the Servicer are governed by its Delegated TAH Master Agreement.

For all other Mortgages, if the Borrower fails to pay any charge listed in item 1 or does not provide proof of that payment within the required 10 days, the Servicer must advance funds for the unpaid charge and any applicable penalty unless the Borrower is in bankruptcy.

If the Servicer fails to advance funds for the unpaid charge, Freddie Mac will hold the Servicer solely responsible for any penalties, interest or related charges resulting from the Servicer's failure to make the advance. If the Borrower is in bankruptcy, the Servicer may not make any advances in excess of Reserve funds for Reserve items without the prior consent of Freddie Mac.

The Servicer must attempt to work out an arrangement with the Borrower for repayment of any advance and, if allowed by law and the Loan Documents, must begin to collect Reserves for future charges.

If the Servicer cannot reach an agreement with the Borrower for the Borrower's repayment of the advanced amount or if the Borrower fails to comply with the terms of any such arrangement or refuses to set up a Reserve for future charges, the Servicer must promptly notify Freddie Mac *Multifamily Asset Management, Asset Performance and Compliance* and Freddie Mac *Multifamily Asset Management, Asset Resolution* of all

advances and must immediately recommend, in writing, a plan to protect Freddie Mac's interest.

39.3 Replacement Reserves, Repair Reserves, Rental Achievement and similar performance agreements – general requirements (10/12/17)

a. Reserve requirements (10/12/17)

For each Multifamily Mortgage, the Seller/Servicer must establish at the time of Mortgage closing a Repair Reserve, a Replacement Reserve, a Special Purpose Reserve, and a Rental Achievement Reserve to the extent required by Freddie Mac's Letter of Commitment or early rate-lock application. The Seller/Servicer must ensure that upon purchase of the Mortgage, Freddie Mac has a security interest in all amounts deposited in the Repair Reserve, Replacement Reserve, Special Purpose Reserve and Rental Achievement Reserve to further secure all of the Borrower's obligations under the Mortgage.

1. Repair Reserve

Funds deposited into the Repair Reserve may be used solely to defray the costs of required repairs to the Property, as set forth in Freddie Mac's Letter of Commitment or early rate-lock application.

Funds deposited into the Repair Reserve for the purpose of undertaking Green Improvements may be used solely to defray the costs of Green Improvements to the Property, as set forth in Freddie Mac's Letter of Commitment or early rate-lock application.

2. Replacement Reserve

For non-SBL Mortgages and for SBL Mortgages documented on Loan Agreement forms with a revision date of 11-02-2015 or earlier, funds deposited into the Replacement Reserve may be used solely to defray the costs of future replacements of items of real and personal property, as set forth in the Replacement Reserve Agreement or Loan Agreement.

For SBL Mortgages documented on Loan Agreement forms with a revision date after 11-02-2015, funds deposited into the Replacement Reserve may be used to defray the costs of future replacements of items of real and personal property specified in the Loan Agreement, including, if applicable, completion of Priority Repairs and PR-90 Repairs identified in the SBL Physical Risk Report, as set forth in the Loan Agreement.

For Supplemental Mortgages, no new replacement items should be permitted to be drawn from the Replacement Reserve that were not already permitted under the most senior Mortgage unless Replacement Reserve collection will increase accordingly. The Borrower and Seller/Servicer must request that the Loan Documents on the most senior Mortgage be modified to allow the increase to occur. The Borrower and Seller/Servicer must coordinate the request with the holder of the most senior Mortgage.

In all cases, this Section 39.3(a)(2) is subject to the provisions of Section 39.6(b).

3. Rental Achievement Reserve

Funds deposited into the Rental Achievement Reserve, or letters of credit securing Borrower's obligations under a Rental Achievement Agreement or Loan Agreement must be held as continued security for Borrower's obligations under the agreement.

4. Special Purpose Reserve

Funds deposited into the Special Purpose Reserve pursuant to the Loan Agreement must be held as continued security for Borrower's obligations under the Loan Agreement.

b. Recordkeeping (10/14/16)

The Servicer must maintain accurate and complete books and records in connection with its administration of the Repair Reserve and Replacement Reserve, Special Purpose Reserve, and Rental Achievement Agreement Reserve, including maintaining in its files every disbursement request received, together with any invoices, lien waivers, budgets, engineer's certification or other documentation received in connection with any such disbursement request.

c. Investment of funds (10/14/16)

Unless the Commitment or early rate-lock application specifies otherwise, the Servicer may accept only cash or a check (subject to collection) from the Borrower for deposit into the Repair Reserve, Replacement Reserve, Special Purpose Reserve or Rental Achievement Reserve. Funds deposited into the Repair Reserve, Replacement Reserve, Special Purpose Reserve or Rental Achievement Reserve must be held and invested by the Servicer in accordance with the provisions of the Loan Documents. If the Loan Documents do not contain specific requirements, then the Servicer must hold and invest the funds in accordance with the provisions of Section 52.4.

d. Annual certification (02/06/17)

Any Servicer that has a Multifamily Servicer-only approval, as described in Section 3.1(e), must certify to Freddie Mac in writing within 90 days after the end of the Servicer's fiscal year that all Reserve collections and disbursements have been made in accordance with the applicable Reserve agreements. The Servicer must explain in writing any discrepancies from the agreements and provide a description of the steps being taken to resolve each matter.

The certification must be made using Form 1110M, Multifamily Annual Certification Report – Servicer Only. Servicers must use the Multifamily Eligibility System, available at mf.freddie.com/lenders/guide, to complete the [Formform](#) and to submit it to Freddie Mac.

The Servicer must submit the completed Form 1110M within 90 days after the end of the Servicer's fiscal year following the instructions found on the form.

39.4 Required repairs, Green Improvements and Repair Reserve Servicing for non-SBL Mortgages, or for SBL Mortgages with Loan Agreement forms dated 11-02-2015 or earlier or dated on or after 07-30-2024 (08/15/24/10/17/24)

This Section 39.4 applies to all non-SBL Mortgages and to any SBL Mortgages with Loan Agreement forms with revision dates of 11-02-2015 or earlier or dated on or after 07-30-2024. See Section 39.5 for all SBL Mortgages with Loan Agreement forms with revision dates after 11-02-2015 or before 07-30-2024.

For the purposes of this chapter, any Repair Agreement, Repair Escrow Agreement, Repair Agreement with LOC, Repair and Escrow Agreement, Loan Agreement Rider relating to repairs or other agreement involving repairs or improvements to the Property will be referred to as a “Repair Agreement.”

a. Monitoring and timely completion of repairs (02/28/19)

1. The Servicer must monitor the applicable completion date(s) under each Repair Agreement and work with the Borrower to ensure that all repairs are completed on a timely basis.

The Servicer must notify Freddie Mac within 10 Business Days following the Servicer's confirmation of the Borrower's completion of all repairs under a Repair Agreement.

- For all repairs except Green Improvements, this notification must be on the Borrower Certification – Completion of Repairs form, ~~found at mf.freddiemac.com,~~ and must be submitted to Freddie Mac via PRS.
- For repairs classified as a Green Improvements, this notification must be on the Green Improvements Verification Certification, which is an Exhibit to the Loan Agreement, which must be submitted to Freddie Mac via the Property Reporting System (PRS). The Servicer must collect the Green Improvements Verification Certification within 30 days of completion of the Green Improvements. The Verification Certification must provide the following:
 - The date of completion of the Green Improvements
 - The specifications of the completed Green Improvements
 - Confirmation that the Benchmarking Data Consultant uploaded current energy and water usage (Benchmarking Data) into ENERGY STAR® Portfolio Manager®, or if Portfolio Manager, is no longer available, into another benchmarking tool identified by Freddie Mac
 - If Freddie Mac no longer owns the Mortgage, the Servicer must submit the Green Improvements Verification Certification to Freddie Mac via DMS

2. Unless otherwise specified by Freddie Mac, the Servicer is responsible for documenting that all repairs are completed satisfactorily, including exercising the right of the lender under the Repair Agreement to hire an engineer to certify that the repairs have been completed in a good and workmanlike manner.

Formatted: Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 1.25" + Indent at: 1.5"

Formatted: Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 1.25" + Indent at: 1.5"

3. The Servicer must cause a qualified engineer to certify that repairs have been completed in a good and workmanlike manner when any one of the following conditions is present:

- The repair, if improperly done, might contribute to material failure of any building component and/or the physical deterioration of the facility
- The repair is a structural repair
- The repair consists of repair to major building systems (for example, electrical, mechanical, fire protection, etc.)

The engineer must meet or exceed the qualification requirements in Section 62.8 or Section 62SBL.17, as applicable. If the Servicer does not have a qualified engineer on staff, the Servicer must retain a qualified third party engineer. When the scope of work requires specialized knowledge to verify completion and quality, the Servicer must retain an engineer with appropriate expertise.

Formatted: Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 1.25" + Indent at: 1.5"

4. The Servicer must maintain supporting documentation in the Mortgage File for each completed repair, including:

- A list of the items that have been completed,
- Color photographs documenting the completed repairs,
- The final completion date, and
- The engineer's certification, when required, that repairs have been completed in a good and workmanlike manner.

Formatted: Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 1.25" + Indent at: 1.5"

5. If the Servicer receives an Energy Certification from the Borrower for Green Improvements made at the Property, the Servicer must notify Freddie Mac of receipt of certification. If Freddie Mac no longer owns the Mortgage, the Servicer must submit the certification to green_advantage_reporting@freddiemac.com.

If requested by Freddie Mac for Green Improvement purposes, the Servicer must deliver to Freddie Mac any utility bills, reports or documentation supporting the usage of energy and water at the Property and if available, any calculations of any Borrower savings resulting from the Green Improvements. If Freddie Mac no longer owns the Mortgage, the Servicer must submit this information to green_advantage_reporting@freddiemac.com.

Formatted: Numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 1.25" + Indent at: 1.5"

b. Incomplete repairs, partially completed repairs and extension requests (08/15/24/10/17/24)

If it becomes apparent to the Servicer that all required repairs will not be completed by the applicable completion date, the Servicer must work with the Borrower to determine whether an extension is appropriate, and to document that extension as required in this section.

1. Submitting documentation for incomplete or partially completed repairs

a. At least 10 days prior to the applicable completion date, the Servicer must notify Freddie Mac of partial completion of repairs on the Borrower Certification – Partial Completion of Repairs form, available at mf.freddiemac.com, which must be submitted to PRS. In addition, the Servicer must submit an extension request for incomplete repairs as described in Section 39.4(b)(3) or (4), as applicable. The Servicer must add an update comment to PRS that an extension request will be submitted.

a-b. If the Servicer determines that repairs will not be completed by the applicable completion date and that an extension is not appropriate, then at least 10 days prior to the completion date the Servicer must provide Freddie Mac with a detailed update in PRS of the

- Status of the repairs,
- Prospects for ultimate completion of those repairs,
- Borrower's reasons for not completing the repairs in a timely manner, and
- Servicer's recommendation for resolving the matter.

2. Extension requests that the Servicer is permitted to approve

a. During any period in which Freddie Mac owns the Mortgage, the Servicer may approve an extension of the completion date of a Repair Agreement unless one of the following applies:

- i. The Mortgage was originated on a Note labeled "CME"
- ii. The Mortgage was originated on a Note with a revision date on or after March 1, 2014
- iii. The Servicer has received notification from Freddie Mac that the Mortgage has been designated for inclusion in a Securitization
- iv. The Mortgage backs a Freddie Mac Multifamily Participation Certificate or a Freddie Mac tax-exempt or taxable Multifamily bond securitization

a-b. For an eligible Mortgage, the Servicer may approve an extension only if all of the following conditions are met:

- i. The required repairs pose no life, health or safety issues
- ii. The remaining repairs represent no more than the lesser of \$500,000 or five percent of the UPB

For an SBL Mortgage, provided that all of the requirements in Section 39.4(b)(2)(C) are met, the Servicer has delegated authority to extend the completion date of a Repair Agreement up to a date that is 12 months after the Origination Date of the SBL Mortgage.

e-e. For all Mortgages, the Servicer must notify Freddie Mac of any actions taken under this delegated approval within two days after the effective date of the approval by electronically submitting to Freddie Mac via DMS and updating the respective Loan Item Tracking in PRS.

- The Repair/Rehab Agreement Extension/Modification Request, available at <https://mf.freddiemac.com/lenders/guide/under-Forms-for-Asset-Management-form>
- A copy of the approval letter that the Servicer provided to the Borrower

Freddie Mac approval is required for all modifications and extensions of the Repair Agreement with respect to any Mortgage not described in Section 39.4(b)(2)(A) and (C).

If a Borrower requests an extension or modification of a Repair Agreement, the Servicer must, within five Business Days of receiving such request, take the following actions:

- 1. Enter the extension request into Consent Request Tracker (CRT). The CRT record should be created with the selection that Freddie Mac approval is required for Mortgages owned by Freddie Mac.
- 2. Electronically deliver the Repair/Rehab Agreement Extension/Modification Request form, including any necessary supporting documentation via CRT or DMS.

Formatted: Indent: Left: 1.5", Bulleted + Level: 1 + Aligned at: 1.75" + Indent at: 2"

The Servicer must charge the Borrower a nonrefundable extension/modification review fee as set forth in Exhibit 10. If a fee is applicable, the Servicer must remit to Freddie Mac 50 percent of the fee and may retain the remaining 50 percent.

4. Documentation of approved extensions

Formatted: Indent: Left: 1.25", Outline numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.25" + Indent at: 0.5"

Within the time specified in Freddie Mac’s approval of a modification or extension of a Repair Agreement, the Servicer must deliver any required documents and fees to Freddie Mac in accordance with the delivery requirements of the approval letter.

5. Managing outstanding Repair items

Formatted: Indent: Left: 1.25", Outline numbered + Level: 1 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.25" + Indent at: 0.5"

The Servicer must manage notifications to the Borrower until the Servicer receives acceptable proof of completion for all items identified in the Repair Agreement. For Repairs not completed as or when required, Freddie Mac requires the Servicer to take the following actions:

- a. Within 30 calendar days following the repair due date, send a “reservation of rights” letter to the Borrower in conjunction with enforcing the Loan Documents. The Servicer must use either the Notice of Default and Reservation of Rights (Conventional) or the Notice of Default and Reservation of Rights (SBL) form, as applicable, and must work closely with Freddie Mac in handling such matters.
- Within five business days of sending the “reservation of rights” letter to the Borrower, the Servicer must provide Freddie Mac a copy of the letter via email at MF_Surveillance@freddiemac.com and upload a copy to the Document Management System (DMS). If collection of Reserve deposits for Replacement Reserves was deferred at the time of such Repair item noncompliance, the Servicer must begin collection of the Reserve deposits for Replacement Reserves. Collection of Reserve deposits for Replacement Reserves must commence not later than the second payment installment date immediately following the Repair item completion due date. The Servicer may include notice of the collection of Reserve deposits for Replacement Reserves in the “reservation of rights” letter to the Borrower or in a separate Borrower communication.

c. Disbursement from Repair Reserve (06/13/24)

The Servicer must review all estimates or contracts from contractors to determine that the bid amount for each repair is reasonable. The Servicer also must ensure that the bid price is reasonably sufficient to pay for all necessary labor and materials to be performed or supplied by that contractor. The Mortgage File retained by the Servicer must include all estimates and contracts.

Unless otherwise specified by Freddie Mac, the Servicer will be responsible for authorizing disbursements from the Repair Reserve and for documenting that all repairs are completed satisfactorily. If the Borrower has met all of the Repair Agreement conditions for disbursement, then the Servicer may make the requested disbursement to

- The Borrower, if the Borrower has submitted evidence that the work for which disbursement is requested has been fully paid for by the Borrower. This evidence must be in the form of copies of canceled checks, receipts or invoices that are in the amount of the disbursement request and that are marked "paid," and if required by Seller/Servicer, valid lien waivers.
- The Borrower and the contractor or vendor jointly, if the Borrower has not submitted evidence that the work has been paid for in full.

d. Requiring a Borrower to fund an unfunded Repair Reserve upon default (06/25/20)

Even if a Repair Agreement did not require immediate funding of a Repair Reserve, the Repair Agreement may require the Borrower to fund the Repair Reserve upon the occurrence of an event of default under the Loan Documents. The Servicer must consult with Freddie Mac *Multifamily Asset Management, Asset Resolution* upon the occurrence of an event of default by the Borrower, and must require the Borrower to establish the Repair Reserve within the time and in the amount specified by Freddie Mac. Within 10 days following funding of the Repair Reserve, the Servicer must deliver to Freddie Mac, at the address found on the form, the original of one of the following forms, as applicable, executed on behalf of the institution that maintains the Repair Reserve Custodial Account:

39.5 Priority Repairs and Replacement Reserve Servicing for SBL Mortgages with Loan Agreement forms dated after 11-02-2015 or before 07-30-2024 (08/15/24)

This Section 39.5 applies to all SBL Mortgages with Loan Agreement forms with revision dates after 11-02-2015 or before 07-30-24. See Section 39.4 for all SBL Mortgages with Loan Agreement forms with revision dates on or before 11-02-2015 or on or after 07-30-2024.

a. Monitoring and completion of Priority Repairs (08/15/24)

1. In conjunction with the first annual property inspection and all subsequent property inspections, the Servicer must determine whether the Borrower has completed the Priority Repairs (including PR-90 Repairs) listed on Form 1104, SBL Physical Risk Report.

Formatted: Indent: Left: 1.25", Outline numbered + Level: 3 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.95" + Indent at: 1.2"

Freddie Mac will create Loan Item Tracking (LIT) entries in PRS that capture the Priority Repairs and PR-90 Repairs identified on Form 1104. Within 30 calendar days of deeming any Priority Repair or PR-90 Repair item to be complete, the Servicer must update the respective PRS LIT accordingly.

2. If the Servicer determines that any Priority Repair (including PR-90 Repairs) has not been completed, the Servicer must issue a notification to the Borrower documenting the outstanding Priority Repair and refer the Borrower to its obligation under the Loan Agreement to complete the identified Priority Repair. If the Borrower does not respond within 30 calendar days following such Servicer notification or if the Borrower timely responds but does not provide a satisfactory Priority Repair action plan, Freddie Mac requires the Servicer to issue a "reservation of rights" letter as soon as possible, and no later than 10 business days following such Borrower inaction. The Servicer must use the Notice of Default and Reservation of Rights (SBL) form. Within five Business Days

Formatted: Indent: Left: 1.31", Outline numbered + Level: 3 + Numbering Style: 1, 2, 3, ... + Start at: 1 + Alignment: Left + Aligned at: 0.95" + Indent at: 1.2"

of sending the "reservation of rights" letter to the Borrower, the Servicer must provide Freddie Mac a copy of the letter via email at MF_Surveillance@freddiemac.com and upload a copy to the Document Management System (DMS).

The Servicer must follow up and work closely with the Borrower on any outstanding Priority Repair items and any other Life Safety Hazards until they are remediated or resolved.

3. The Servicer must cause a qualified engineer to certify that repairs have been completed in a good and workmanlike manner when any one of the following conditions is present:

- The repair, if improperly done, might contribute to material failure of any building component and/or the physical deterioration of the facility
- The repair is a structural repair
- The repair consists of a repair to a major building system (for example, electrical, mechanical, fire protection, etc.)

The engineer must meet or exceed the qualification requirements in Section 62SBL.17. If the Servicer does not have a qualified engineer on staff, the Servicer must retain a qualified third-party engineer. When the scope of work requires specialized knowledge to verify completion and quality, the Servicer must retain an engineer with appropriate expertise.

4. The Servicer must maintain supporting documentation in the Mortgage File for each completed repair, including:

- A list of the items that have been completed,
- Color photographs documenting the completed repairs,
- The final completion date, and
- The engineer's certification, when required, that repairs have been completed in a good and workmanlike manner

b. Reserved (10/14/16)

c. Disbursement from Replacement Reserve Fund for Priority Repairs (10/14/16)

1. The Servicer must review all estimates or contracts from contractors to determine that the bid amount for each repair is reasonable. The Servicer also must ensure that the bid price is reasonably sufficient to pay for all necessary labor and materials to be performed or supplied by that contractor. The Mortgage File retained by the Servicer must include all estimates and contracts.

2. Unless otherwise specified by Freddie Mac, the Servicer will be responsible for authorizing disbursements from the Replacement Reserve and for documenting that all

repairs are completed satisfactorily. If the Borrower has met all of the conditions for disbursement, then the Servicer may make the requested disbursement to

- The Borrower, if the Borrower has submitted evidence that the work for which disbursement is requested has been fully paid for by the Borrower. This evidence must be in the form of lien waivers, copies of canceled checks, receipts or invoices that are in the amount of the disbursement request and that are marked "paid."

39.6 Replacement Reserve Servicing (06/13/24)

For the purposes of this chapter, the term "Replacement Reserve Agreement" means any Replacement Reserve Agreement, Replacement Reserve Rider to Loan Agreement, or other Loan Document establishing a Replacement Reserve, including the Loan Agreement.

a. Funded Replacement Reserves (06/13/24)

The Servicer is responsible for authorizing releases from the Replacement Reserve and for obtaining from the Borrower copies of canceled checks, bills, receipts or invoices that are in

the amount of the disbursement request and that are marked "paid" and if required by Seller/Servicer, valid lien waivers. The Seller/Servicer must also document that all capital replacements are completed satisfactorily, including exercising the right of the lender under the Replacement Reserve Agreement to hire an engineer to certify that the capital replacements have been completed in a good and workmanlike manner.

b. Disbursements for additional capital replacement items (07/01/14)

1. Mortgages for which the Servicer is permitted to approve additional disbursements

During any period in which Freddie Mac owns the Mortgage, the Servicer may approve a disbursement for certain capital replacement items not specifically listed in the Replacement Reserve Agreement unless one of the following applies:

- The Mortgage was originated on a Note labeled "CME"
- The Mortgage was originated on a Note with a revision date on or after March 1, 2014
- The Servicer has received notification from Freddie Mac that the Mortgage has been designated for inclusion in a Securitization
- The Mortgage backs a Freddie Mac Multifamily Participation Certificate or a Freddie Mac tax-exempt or taxable Multifamily bond securitization

2. Types of additional disbursements the Servicer may approve

Subject to the limitations in this Section 39.6(b), the Servicer may authorize a disbursement for certain capital replacement items not specifically listed in the Replacement Reserve Agreement. The only permissible additional items are as follows:

- a. A capital replacement item which was identified and made part of the projected expenditures in the property condition report
- b. A capital replacement item that the Servicer reasonably determines is critical to the continued operation of the Property ("critical replacement"), if each of the following conditions is satisfied:
 - i. The Servicer has determined that the Property's cash flow is insufficient to cover the cost of the critical replacement, and has taken one of the following actions:
 - Confirmed that Replacement Reserve balances and projections are reasonably adequate to cover future disbursements for capital replacements listed in the Replacement Reserve Agreement, or
 - Required the Borrower to amend the Replacement Reserve Agreement to increase the amount of future monthly deposits to cover the original capital replacements as well as the critical replacement, if the Servicer has determined that the disbursement for the critical replacement will cause the

Guide Bulletin Update [08/15/24](#) [10/17/24](#) Chapter 39 – Page 20

amount of the Replacement Reserve to fall below an adequate level. The Servicer must prepare the applicable amendment and submit it to Freddie Mac for its review, approval and signature.

- ii. The Servicer must retain supporting documentation and copies of its approvals in the Mortgage File for all disbursements made pursuant to Section 39.6(b)(2).
- c. The Servicer may only authorize a disbursement for a critical replacement described in Section 39.6(b)(2) when all of the following additional conditions are met:

- i. The Property secures a Mortgage that has a Risk Rating of six or less and is not in default.
- ii. The disbursement is for capital replacement items that are upgrades which add value to and prevent an adverse condition at the Property.
- iii. A supervisor or higher-level manager on the Servicer’s staff has approved the disbursement for the additional capital replacement items.
- iv. No credit enhancement has been provided by any person or entity that is not a party to the Mortgage.

If any one or more of the conditions described in this Section 39.6(b)(1) or (2) is not met, the Servicer must seek Freddie Mac’s approval, as described in Section 39.6(b)(2)(d) below.

- d. Freddie Mac approval is required for any Replacement Reserve disbursement request for any capital replacement item that is not specifically listed in the Replacement Reserve Agreement nor permitted under Section 39.6(b)(1) or (2) (a) – (c). For all such disbursement requests, the Servicer must electronically deliver to Freddie Mac a written request for such modification using the General Servicing Request, ~~available via mf.freddie.com~~ [form](#), attaching any necessary supporting documentation.

c. Requiring a Borrower to fund an unfunded Replacement Reserve (05/01/14)

If the Replacement Reserve Agreement did not require immediate monthly funding of the Replacement Reserve, the Agreement may nonetheless require the Borrower to begin to make deposits to the Replacement Reserve upon the occurrence of certain conditions specified in the agreement. The Servicer must consult with Freddie Mac upon the occurrence of any of the specified conditions and must require the Borrower to commence funding of the Replacement Reserve when specified by Freddie Mac. Within 10 days following funding of the Replacement Reserve, the Servicer must deliver to Freddie Mac an original of one of the following forms, as applicable, executed on behalf of the institution that maintains the Replacement Reserve Custodial Account:

- If the Custodial Account for the Replacement Reserve is held by an institution other than the Servicer, Form 1058, Letter Agreement for Servicer’s Reserve Custodial Account

1. If the Borrower is required to spend a minimum or specified amount on capital expenditures annually, or an average amount per year over a specified period of time, and a Replacement Reserve Custodial Account is not in place, the Servicer must monitor compliance with the expenditure requirements in accordance with the Replacement Reserve Agreement and may accept either of the following items as evidence of compliance:

d. There are additional investors who have provided credit enhancements (other than those provided by a Seller/Servicer, Borrower, or Affiliates of the Borrower)

e. The Mortgage backs a Freddie Mac Multifamily Participation Certificate or a Freddie Mac tax-exempt (or taxable) Multifamily bond securitization

e. Prohibited actions by the Servicer (09/18/14)

The Servicer may not take any of the following actions with respect to the Replacement Reserve without Freddie Mac's prior written consent:

1. Charge a one-time fee in excess of the amount set forth in Exhibit 10 for establishing the Replacement Reserve
2. Charge a fee in excess of the amount set forth in Exhibit 10 (excluding travel and other reasonable expenses) for each inspection of the Property under the Replacement Reserve Agreement
3. Make disbursements from the Replacement Reserve to any party other than the Borrower
4. Require the Borrower to deposit funds into the Replacement Reserve in excess of the deposits required pursuant to Freddie Mac's Letter of Commitment or early rate-lock application, except as authorized under Section 39.6(b)
5. Exercise the right of the lender under the Replacement Reserve Agreement to perform any capital replacement
6. Enter into any contract in its own or the Borrower's name, incur any indebtedness or advance its own funds to perform or complete any capital replacement
7. Exercise any of Freddie Mac's rights or remedies or disburse or otherwise apply to the indebtedness any amounts on deposit in the Replacement Reserve upon the Borrower's default

f. Mortgages with terms longer than 10 years (12/12/14)

1. For a Mortgage with a loan term longer than 10 years, the Replacement Reserve requirements in the Loan Documents may provide that the lender may adjust the Replacement Reserve amount following receipt of an updated property condition report. If the Loan Documents provide for such an adjustment, then on the 10th anniversary of the Origination Date of the Mortgage, the Servicer must conduct a re-evaluation of the adequacy of the Replacement Reserve.
2. If the Loan Documents permit the lender to adjust the Replacement Reserve amount, then the Servicer must take one of the following actions:
 - If the Loan Documents provide that the lender may obtain a property condition report and either charge the cost to the Borrower or deduct the cost from the Replacement Reserve Fund, then the Servicer must obtain an updated property condition report conducted in accordance with the requirements of Chapter 62.
 - If the Loan Documents do not contain a provision authorizing the lender to obtain a property condition report at the Borrower's expense, then the Servicer must conduct a property inspection in accordance with the requirements of Chapter 40 for annual inspections; however, third-party fee inspectors are not permitted.
3. Within 15 days following receipt of the updated property condition report or property inspection, as applicable, the Servicer must electronically submit a recommendation on the General Servicing Request to Freddie Mac regarding the need for adjustments to the Replacement Reserve amount.

39.7 Rental achievement Reserve Servicing (09/18/14)

For the purposes of this section, any Property performance achievement agreement, such as a rental achievement guaranty, a Rental Achievement Escrow Agreement – Cash or Rental Achievement Agreement – Letter of Credit, or Rental Achievement Rider to Loan Agreement which a Borrower or Guarantor has executed with respect to a Mortgage, will be referred to as a “rental achievement agreement”.

If a rental achievement agreement exists with respect to the Property, the Servicer must require the Borrower to establish any required Reserve or post any required letter of credit within the time and in the amount specified by Freddie Mac. A rental achievement guaranty executed in connection with the Mortgage may include rental achievement provisions tied to a reduction in the amount of the base guaranty or other provisions. See Section 11.2 for the Seller/Servicer’s obligations with respect to the approval and monitoring of Letters of Credit.

a. Monitoring of Property performance; requests for release or reduction of Reserve funds (09/18/14)

The Servicer must monitor the performance of the Property under the terms of the rental achievement agreement. If the Borrower or Guarantor submits a request for release of the Reserve or letter of credit, or a reduction in the base guaranty, the Servicer must:

- Collect all data required to analyze the request under the terms of the applicable document
- Review and analyze the data
- Submit the data and the Servicer’s written recommendation with respect to the request to Freddie Mac electronically, using the Release/Extension of Monetary Collateral Request, available via mf.freddie.com form, and attaching any necessary supporting documentation

If the rental achievement agreement includes an earn-out expiration date, the Servicer must monitor the earn-out expiration date, and must contact Freddie Mac, via email at least 30 days prior to the earn-out expiration date, providing the Servicer’s discussion of the Property’s performance in relation to the performance standard. In the email, the Servicer must advise Freddie Mac whether:

- The Servicer expects the Property to meet the performance standard prior to the earn-out expiration date,
- The Borrower or Guarantor is likely to request an extension of the earn-out expiration date, and
- The Servicer recommends any action by Freddie Mac.

**b. Extension of earn-out expiration date (09/18/14)**

If the Borrower or Guarantor requests an extension of the earn-out expiration date, the Servicer must advise the Borrower or Guarantor in writing that Freddie Mac is under no obligation to consider or agree to such a request. If Freddie Mac does agree to an extension, it may charge a fee as set forth in Exhibit 10.

The Servicer must submit any request for an extension of the earn-out expiration date to Freddie Mac electronically. The request must include all of the following:

- A determination of the performance of the Property with respect to the applicable performance standard
- The Servicer's assessment of the likelihood that the Property will meet the performance standard within the extended time requested
- An explanation from the Borrower or Guarantor of the reasons that the Property will not meet the performance standard by the earn-out expiration date
- The Servicer's recommendation regarding the extension request

c. Servicer's notice to Freddie Mac following approved addition, release, reduction or substitution of the Reserve or letter of credit (10/31/12)

If Freddie Mac approves the addition, release or reduction of the Reserve or letter of credit, or a substitution of collateral, then the Servicer must notify Freddie Mac by email within one Business Day after the completion of the addition, release, reduction or substitution. The Servicer must electronically deliver to Freddie Mac any background documentation regarding the addition, release, reduction or substitution.

d. Failure of Property to meet performance standard; application of collateral (10/31/12)

If the earn-out expiration date passes and the Borrower or Guarantor, as applicable, has not demonstrated that the Property has met the performance standard specified in the rental achievement agreement, then

- Freddie Mac may elect to apply the Reserve or the proceeds of the letter of credit to reduce the outstanding principal balance due under the Note, or to make a claim against the Guarantor, as applicable. If Freddie Mac determines to take such action, it will advise the Servicer in writing and direct the Servicer to take the action necessary to implement Freddie Mac's decision.
- Unless and until Freddie Mac elects to take any action described above, the Servicer must maintain the Reserve or letter of credit, as applicable, and any guaranty will remain in place.

e. Prohibited actions by the Servicer (10/31/12)

Without Freddie Mac's written approval, the Servicer may not:

- Take any action to reduce the amount of or release the Rental Achievement Reserve or letter of credit
- Extend any earn-out expiration date specified in the applicable agreement
- Exercise any of Freddie Mac's rights or remedies or disburse or otherwise apply any Reserve or letter of credit proceeds
- Otherwise amend the terms of the applicable agreement

39.8 Special Purpose Reserve Servicing (10/14/16)

If the Loan Agreement for a Mortgage requires a Special Purpose Reserve, the Servicer must require the Borrower to establish the Reserve within the time and in the amount specified by Freddie Mac.

a. Monitoring of Property performance; requests for release or reduction of Reserve funds (10/14/16)

The Servicer must monitor the performance of the Property under the terms of the Loan Agreement relative to the Special Purpose Reserve. If the Borrower submits a request for release of the Reserve, the Servicer must

- Collect all data required to analyze the request under the terms of the Loan Agreement
- Review and analyze the data
- Submit the data and the Servicer's written recommendation with respect to the request to Freddie Mac electronically, using the Release/Extension of Monetary Collateral Request, [available via mf.freddiemac.com](http://mf.freddiemac.com) [form](#), and attaching any necessary supporting documentation

b. Extension of termination date (10/14/16)

If the Borrower requests an extension of the termination date for the Special Purpose Reserve, the Servicer must advise the Borrower in writing that Freddie Mac is under no obligation to consider or agree to such a request.

The Servicer must submit any request for an extension of the termination date to Freddie Mac electronically. The request must include all of the following:

- A determination of the performance of the Property with respect to the applicable performance standard

- The Servicer's assessment of the likelihood that the Property will meet the performance standard within the extended time requested
- An explanation from the Borrower of the reasons that the Property will not meet the performance standard by the termination date
- The Servicer's recommendation regarding the extension request

c. Servicer's notice to Freddie Mac following approved addition, release, reduction or substitution of the Reserve or letter of credit (10/14/16)

If Freddie Mac approves the addition, release or reduction of the Reserve, then the Servicer must notify Freddie Mac by email within one Business Day after the completion of the addition, release, or reduction. The Servicer must electronically deliver to Freddie Mac any background documentation regarding the addition, release, or reduction.

d. Failure of Property to meet performance standard; application of collateral (10/14/16)

If the termination date passes and the Borrower has not demonstrated that the Property has met the performance standard specified in the Loan Agreement for the release of the Special Purpose Reserve, then

- Unless prohibited by the Loan Agreement, Freddie Mac may elect to apply the Reserve to reduce the outstanding principal balance due under the Note. If Freddie Mac determines to take such action, it will advise the Servicer in writing and direct the Servicer to take the action necessary to implement Freddie Mac's decision.
- Unless and until Freddie Mac elects to take the action described above, the Servicer must maintain the Reserve.

e. Prohibited actions by the Servicer (10/14/16)

Without Freddie Mac's written approval, the Servicer may not:

- Take any action to reduce the amount of or release the Special Purpose Reserve
- Extend any termination date specified in the applicable agreement
- Exercise any of Freddie Mac's rights or remedies or disburse or otherwise apply any Reserve
- Otherwise amend the terms of the applicable agreement

39.9 Servicing Moderate Rehabilitation (Mod Rehab) Mortgages (12/15/22)

Capitalized terms used but not defined in this section have the meanings given to them in Section 17.4(a).

During the Interim Phase of a Mod Rehab Mortgage the Servicer disburses funds periodically at the request of the Borrower to reimburse renovation expenses; this disbursement is subject to

Guide Bulletin Update [08/15/24](#) [10/17/24](#) Chapter 39 – Page 27

holdbacks as identified in the Disbursement Agreement. The Servicer must disburse draws only upon receipt of documentation sufficient to indicate that the renovation work has been properly completed. A general overview of the draw process is as follows:

- To initiate the disbursement of funds, the Borrower submits a Disbursement Request to the Servicer.
- The Servicer requests that the Architectural Consultant inspect the Property.
- Based on the Architectural Consultant’s inspection, the Servicer’s review of the Borrower’s Disbursement Request, and confirmation that the Mortgage meets the performance metrics as identified in the Disbursement Agreement, the Servicer sends a Disbursement Certification to Freddie Mac.
- Upon receipt of the funds from Freddie Mac, the Servicer forwards the funds to the Borrower.
- The Servicer submits the completed draw package described below to Freddie Mac within five Business Days after the Servicer submits the Disbursement Certification.

The Servicer may not submit a subsequent Disbursement Certificate or draw package to Freddie Mac unless Freddie Mac has approved the previous draw package.

The Borrower’s responsibilities are found in the Disbursement Agreement and the Servicer’s responsibilities are found in the Disbursement Servicing Agreement, each of which is executed at loan origination.

a. Servicer responsibilities (12/15/22)

As more fully detailed in the Disbursement Servicing Agreement, the Servicer must:

- 1. Evaluate each Disbursement Request from the Borrower (which consists of fully executed AIA Forms G702 and G703, or their equivalent) to confirm that work was adequately completed and properly represented by the request
- 2. Review construction monitoring reports for accuracy, completeness and compliance with Section 63.4
- 3. Review all change orders to ensure that revisions do not impact the scope or quality of renovations and to ensure that sufficient funds remain to complete the project
- 4. Confirm that the Property has met any performance metric requirement set forth in the Disbursement Servicing Agreement, typically related to net rental income
- 5. Submit a Disbursement Certification (the form of which is attached as an exhibit to the Disbursement Servicing Agreement) to mfla@FreddieMac.com and MF_PhysicalRisk@FreddieMac.com upon verification of the request
- 6. Within five Business Days after submitting the Disbursement Certification, submit the completed draw package to MF_PhysicalRisk@FreddieMac.com. The draw package

must include the following:

- A cover letter that summarizes
 - Disbursement Request (including AIA Forms G702/G703 or their equivalent)
 - Budget status
 - Renovation progress
 - Construction monitoring report
 - Status of the performance metric(s)
 - Copy of the Disbursement Certification
 - Title update
 - Construction monitoring report meeting the requirements of Section 63.4
 - Current rent roll
7. Promptly upon receipt of the disbursement funds from Freddie Mac, and no more than 10 Business Days after receipt of the Disbursement Request, make the requested disbursement to the Borrower

b. Draw calculation (05/05/17)

Projects are generally subject to a funding source split between Freddie Mac and Borrower equity. Additionally, the full portion of each draw funded by Freddie Mac is subject to a retainage. The amounts of the Freddie Mac/Borrower equity split, and retainage are detailed in the Disbursement Agreement. The amount shown in the Disbursement Certification must reflect the amount owed to the Borrower, net of the equity portion and the retainage.

Sample Draw Calculation

- The Borrower submits a Disbursement Request in the amount of \$1,300,000
- The Servicer confirms that the amount requested is appropriate and submits the Disbursement Certification to Freddie Mac. The amount submitted to Freddie Mac is the amount requested in the Disbursement Request less the Borrower's equity share of 20 percent and the retainage amount of five percent:
 - o Borrower equity is subtracted first: \$1,300,000 less (1,300,000 * 0.20) = 1,040,000
 - o Retainage of five percent is then subtracted: \$1,040,000 less (1,040,000 * 0.05) = \$988,000
- The Servicer's Disbursement Certification requests the net amount of \$988,000 for funding by Freddie Mac

c. Release of retainage and holdback amounts (05/05/17)

Upon substantial completion of the renovation project and Borrower submission to the Servicer of the documentation outlined in the Disbursement Agreement, Freddie Mac will release to the Servicer the retainage amount, less a \$250,000 holdback.

Upon final completion of the renovation project, including completion of all remaining punch list items, and Borrower submission to the Servicer of final documentation outlined in the Disbursement Agreement, Freddie Mac will release to the Servicer the final \$250,000 holdback balance.

The Green Consultant must send a connection request to the Borrower through Portfolio Manager. Once the Borrower accepts the connection request, the Green Consultant will share the Property information with the Borrower.

2. The Borrower will be responsible for ensuring the Benchmarking Data Consultant has access to the Property information in Portfolio Manager to begin inputting energy and water consumption usage in accordance with the timeframes provided in the Loan Agreement.

40.1 General information regarding assessments and other post-purchase reporting (10/19/23)

a. General information regarding assessments (10/19/23)

Freddie Mac requires the Servicer to perform periodic assessments of each Property to assist Freddie Mac in preventing Mortgage defaults and losses through the early detection and resolution of concerns about a Mortgage.

The Servicer must complete the assessment in a sufficiently detailed manner to provide a framework for Freddie Mac to monitor the performance of the Mortgage. The Servicer must complete all sections of each assessment using the best information available. If the Servicer is unable to accurately complete any section or obtain any required document, the Servicer must provide a satisfactory explanation for the incomplete section or missing document with the assessment submission.

To accomplish competently the objectives of each assessment, the Servicer must employ experienced and trained personnel. Minimum training and experience requirements for all inspectors are set forth in Section 40.13. Section 40.14 sets forth training and experience requirements for the employees and contractors of a fee inspector company (FIC). The Servicer is responsible for the completed assessment submission regardless of who performed the inspection and will be held responsible for material mistakes, misrepresentations or omissions in the assessment submission as outlined in Section 40.10.

b. Additional Seller/Servicer post-purchase reporting for Mortgages purchased for Securitization (03/03/17)

For Mortgages purchased for Securitization, the Seller/Servicer must provide additional reporting prior to Securitization. These requirements are outlined in Section 40.15.

c. Additional reporting requirements for Special Product Type Mortgages including SBL Mortgages (03/03/17)

Special Product Type Mortgages, including SBL Mortgages, have additional or different reporting requirements, as outlined in Section 40.16. Except as provided in Section 40.16, Special Product Type Mortgages are subject to all of the requirements of this chapter.

40.2 Types of assessments and timing of assessments (10/19/23) (10/17/24)

a. Types of assessments (10/19/23)

During any period in which Freddie Mac holds a Mortgage, Freddie Mac requires the following:

1. The Annual Financial is a year-end operating statement analysis in which the Servicer reviews the Property's financial condition for the most recent calendar year to identify any risks associated with the Property's financial performance. The Annual Financial includes an analysis of the Property's financial condition, the historical performance of the Mortgage and other pertinent data related to the Mortgage. Section 40.2(b) describes the use and timing of the Annual Financial submissions:

- A-CREFC-MF prepared for multifamily loans in accordance with the Commercial Real Estate Financial Council Investor Reporting Package (CREFC IRP)
- A-CREFC-HC prepared for multifamily healthcare/Seniors Housing loans in accordance with the CREFC IRP

Annual Financial interest rate cap/derivative income and expense reporting for Floating-Rate Mortgages: Notwithstanding anything to the contrary contained in the CREFC IRP, any payments (income) received pursuant to interest rate caps or other derivatives must be excluded from “other income.” Any expenses related to replacement interest rate caps or other derivatives must be excluded from “other expenses.” Accordingly, the reported debt service must reflect the sum of uncapped interest, principal and replacement rate cap escrow amounts less any income received from interest rate caps or other derivatives.

2. The Quarterly Financial is a quarterly submission in which the Servicer reviews the Property’s financial condition for the most recent quarter to identify any risks associated with the Property’s financial performance. Section 40.2(b) describes the use and the timing of the Q-CREFC submissions; Section 40.16 provides additional Quarterly Financial instructions for Special Project Type Mortgages.
 - Q-CREFC-MF prepared for multifamily loans in accordance with the CREFC IRP
 - Q-CREFC-HC prepared for multifamily healthcare/Seniors Housing loans in accordance with the CREFC IRP

Quarterly Financial interest rate cap/derivative income and expense reporting for Floating-Rate Mortgages: Same as Annual Financial reporting. See final paragraph of Section 40.2(a)(1) above.

3. A Mid-Year Rent Schedule is required for any SBL Mortgage originated on a Loan Agreement with a revision date on or after 11/08/2016. For the purposes of this Chapter 40, the Mid-Year Rent Schedule consists of a rent roll dated within five calendar days of the end of the second calendar quarter (or the end of the second quarter of the Borrower’s fiscal year if the Borrower has adopted fiscal year financial reporting).

The Servicer must submit the Mid-Year Rent Schedule and the following three data elements via the Property Reporting System (PRS) by August 31 of each year:

- The effective date of the rent schedule date
 - The physical occupancy percentage
 - The total actual rent for each loan in PRS (total actual rent received for occupied units; no income should be counted for vacant units).
4. The Loan Management Form (LMF) is an analysis of the Borrower’s compliance with the Loan Documents intended to highlight any potential problems associated with the Borrower or the loan.

Beginning with 2024 submissions, Freddie Mac will automatically add LMFs for every portfolio loan in PRS with a due date of 12/31 of that year. If at any time during the year the Servicer is made aware of any condition that merits reporting per Section 40.6(a), the Servicer must complete the LMF assessment and submit it via PRS. If there is a subsequent event that requires notification per Section 40.6(a), the Servicer must provide notification of the subsequent event by sending an email to MF_Surveillance@freddiemac.com. Each December, the Servicer must evaluate all loans that have an LMF with a “Due” status and submit the remaining LMFs for their portfolio(s). The Servicer may use the bulk LMF assessment submission for multiple submissions.

5. For purposes of this chapter only, rent roll shall mean a document certified by the Borrower that contains the following key data points:
 - a. Tenant name
 - b. Unit number or some other physical identification point
 - c. Contract rent
 - d. Lease start date
 - e. Lease end date
 - f. Commercial units, where applicable
 - g. Market rent (required for vacant units, as available for occupied units)
 - h. Subsidy amount (if any), as available
 - i. Past due balance (if any), as available
 - j. Additional fees or charges (i.e., pet, utilities, etc.), as available
 - k. Unit type, name or description, as available
 - l. Unit size, as available
6. The property inspection report is prepared after the physical inspection of the Property and documents the condition of the Property. When used in this chapter, the term “property inspection report” refers to either:
 - The Annual Inspection Form (AIF), which applies during any period in which Freddie Mac holds the Mortgage, or
 - The MBA Property Inspection Form, for securitized loans.

The AIF uses the same format as the MBA Property Inspection Form, but the Servicer must submit it to Freddie Mac via the Property Reporting System (PRS).

For all types of assessments, the Servicer must use the appropriate version of the form to complete the assessment. In completing the assessment, the Servicer must provide information addressing all of the issues set forth in this chapter. For any assessment issue that does not have a corresponding field in the applicable form, the Servicer must provide a response in the comments section of the form. All assessments must be submitted to Freddie Mac via the Property Reporting System (PRS). If a Servicer discovers that an assessment has not been submitted as required by the chart below, the Servicer must contact Freddie Mac at MF_Asset_Perf@freddiemac.com with details about the loan and assessment.

b. Conditions requiring an assessment and timing of assessments (~~10/19/23~~10/17/24)

Beginning with the Quarterly Financial Submissions for second quarter 2017, the QIE assessment format will no longer be in use. The Q-CREFC-MF or Q-CREFC-HC, as applicable, will be required.

Beginning with the 2018 Annual Financial Submissions, the AIE assessment format will no longer be used. The A-CREFC-MF or A-CREFC-HC, as applicable, will be required.

Notes to above table:

- Annual inspections may be required on SBL Mortgages if the Property has an outstanding hazard loss, or if the prior year inspection resulted in property condition issues for which the Borrower hasn't provided updates in a timely manner.
- Subject to Section 40.12, Freddie Mac will not require a Servicer to prepare a Quarterly Financial for a Mortgage secured by a Property owned by a Cooperative.
- When submitting assessments for a Property owned by a Cooperative using the A-CREFC assessment format, the Servicer must complete the Excel® Co-op Assessment Supplemental Form and submit it via PRS. The form can be found under the PRS Assessment: CREFC heading on the *Multifamily Asset Management* page of mf.freddiemac.com.

Formatted: Bulleted + Level: 1 + Aligned at: 0.85" + Indent at: 1.1"

The current official electronic version of the Guide is published by AllRegs® and accessible via either mf.freddiemac.com (for free) or the AllRegs web site of ICE Mortgage Technology (with a paid subscription).

- When submitting assessments for a Property securing a Bond Credit Enhancement Mortgage using the A-CREFC assessment format, the Servicer must complete the Excel® Bond ADS Supplemental Form and submit it via PRS (the Bond ADS Supplemental Form is not required for quarterly submissions). The form can be found under the PRS Assessment: CREFC heading on the *Multifamily Asset Management* page of mf.freddiemac.com.

Due dates for the submission of any assessment type may be otherwise specified in the Letter of Commitment, any Servicing Agreement, or by other written communication from Freddie Mac.

For any assessment submitted via PRS in connection with a securitized Mortgage for which Freddie Mac is the master servicer, the due date will be the earlier of the date specified in the applicable sub-servicing agreement or the date set forth in the above table.

For Mortgages with a Transfer of Ownership, subordinate financing, or a tax lien filing, an LMF and a property inspection report are not required if the Servicer has submitted an LMF and a property inspection report within the previous 180 days and the Servicer does not know of any material changes with respect to the condition of the Property or the Borrower's compliance with the Loan Documents.

c. Requesting an adjustment of the Annual Financial due date (04/30/19)

The Servicer may contact Freddie Mac *Multifamily Asset Management, Asset Performance and Compliance* via PRS to request an adjustment of the Annual Financial due date if:

- The Borrower's fiscal year end would prevent the Servicer from submitting the Annual Financial by June 30 or other date required by Freddie Mac.
- The Mortgage was for the acquisition of the Property, and the purchase occurred so late in the preceding calendar year that the number of months of data available for review would prevent the Servicer from making a meaningful evaluation.

d. Reporting to senior Mortgage servicers (03/03/17)

If the Servicer is reporting Annual Financial or Quarterly Financial information to Freddie Mac with respect to a Supplemental Mortgage related to one or more securitized senior lien Mortgages, the Servicer is authorized to provide that same information to the Servicer(s) of the securitized senior Mortgage(s).

40.3 Completing and submitting the Annual Financial (04/27/18)

This [Section](#) applies during any period in which Freddie Mac holds a Mortgage.

a. Source documents for the Annual Financial (03/03/17)

The Servicer must conduct a review of the Property's income and expense statement to determine the Property's financial condition for the most recent calendar year and identify any risks associated with the Property's financial performance.

The Property's income and expense statement must be for the immediate preceding fiscal year. If the Borrower cannot provide an income and expense statement with 12 months of data, the

Servicer may accept a partial-year statement from the Borrower. For non-SBL Mortgages, the assessment may be waived if less than six months of data is available from the Borrower. For SBL Mortgages, the assessment may be waived if less than three months of data is available from the Borrower.

The rent roll must be no older than six months prior to the Annual Financial submission date.

b. Completing the Annual Financial (04/27/18)

Prior to submission of the Annual Financial, the Servicer must enter all Property income and expense items into the appropriate fields on the template. Generally the Servicer must enter income details that correspond with the level of detail contained in the Property's income and expense statement. For detailed instructions on completing the A-CREFC templates, see the PRS CREFC Individual Desk Reference, which can be found at mf.freddie.com, or any other such documentation as Freddie Mac may provide.

c. Submitting the Annual Financial (04/27/18)

The Servicer must submit all of the following components of the Annual Financial via PRS in order for Freddie Mac to deem the submission of the Annual Financial to be complete:

1. The completed A-CREFC template

The Servicer must provide additional reporting for Seniors Housing Mortgages, Bond Credit Enhancement Mortgages, Mortgages secured by Cooperative (Co-op) Properties and Properties currently deemed unstabilized by Freddie Mac in PRS along with the assessment. All of these additional reporting templates can be found at mf.freddie.com/lenders/asset.

2. Annual statement of income and expense for the Property for the most recent fiscal year, certified by the Borrower (the signature of the Borrower is sufficient)
3. Current rent roll, identifying commercial units where applicable, certified by the Borrower

For the purposes of the Annual Financial, a rent roll is considered to be current if it is dated no more than six months prior to the original due date. For example, if the Annual Financial due date is June 1, the rent roll is considered current if dated on or after December 1 of the prior year.

40.4 Completing and submitting the Quarterly Financial (04/27/18)

This ~~Section~~ applies during any period in which Freddie Mac holds a Mortgage.

a. Source documents for the Quarterly Financial (03/03/17)

To complete a Quarterly Financial, the Servicer must conduct a review of the Property's financial condition for the most recent fiscal year to quarter end, as requested, and identify any risks associated with the Property's financial performance.

b. Completing the Quarterly Financial (04/27/18)

Generally, the Servicer must enter income details that correspond with the level of detail contained in the Property's income and expense statement when completing the applicable Q-CREFC template.

For detailed instructions on completing the Q-CREFC templates, see the PRS CREFC Individual Desk Reference, which can be found at mf.freddiemac.com, or any other such documentation as Freddie Mac may provide.

c. Submitting the Quarterly Financial (12/14/17)

The Servicer must submit the following components of the Quarterly Financial in order for Freddie Mac to deem the submission of the Quarterly Financial to be complete:

- The completed template
- For a Mortgage with a Freddie Mac Funding Date
 - Prior to March 1, 2014, a year-to-date or trailing 12-month, quarter-ending property financial statement certified by the Borrower (the signature of the Borrower is sufficient)
 - On or after March 1, 2014, a trailing 12-month property financial statement certified by the Borrower (the signature of the Borrower is sufficient)
- The current rent roll, identifying commercial units where applicable, certified by the Borrower (the signature of the Borrower is sufficient)

For the purposes of the Quarterly Financial, a rent roll is considered to be current if it is dated no more than two months prior to the original due date. For example, if the Quarterly Financial due date is August 31, the rent roll is considered current if dated on or after June 30.

The Servicer must submit the second and third quarter reporting through PRS. Additional quarterly reporting requirements for Special Product Type Mortgages are found in Section 40.16.

40.5 Completing and submitting the Mid-Year Rent Schedule (04/27/18)

This ~~Section~~ applies to any SBL Mortgage originated on a Loan Agreement form with a revision date on or after 11/08/2016.

a. Source documents for the Mid-Year Rent Schedule (04/27/18)

The Servicer must receive and review a rent roll for the Property (statement of rents), identifying any commercial units (as applicable), to determine current physical occupancy.

b. Submitting the Mid-Year Rent Schedule (04/27/18)

The Servicer must submit the Mid-Year Rent Schedule dated within five calendar days of the end of the Borrower's second calendar quarter (or the end of the second quarter of the Borrower's

fiscal year) to PRS by August 31 annually. To deem the submission complete, the Servicer must also enter, via PRS, the following data elements:

- Effective date of the Rent Schedule
- Physical occupancy rate
- Total actual rent

40.6 Completing and submitting the Loan Management Form (LMF) (10/19/23)

This ~~Section~~ applies during any period in which Freddie Mac holds a Mortgage.

a. Evaluating the Mortgage and determining when an LMF is required (10/19/23)

To determine when submission of an LMF is necessary, the Servicer must evaluate the Borrower's compliance with Loan Documents, including whether any of the following conditions exist:

1. The Borrower or Property is in non-monetary default with respect to the Loan Documents.
2. There is unauthorized rehabilitation or construction underway at the Property.
3. The Borrower or Borrower Principal is the subject of a bankruptcy or insolvency proceeding.
4. There are problems or issues associated with any Reserve (e.g., *Reserve payments have not been made when due, Reserve is insufficient, etc.*).
5. The Servicer cannot certify that the UCC filings are current.

b. Completing and submitting the LMF (04/30/15)

To complete an LMF, the Servicer must enter the Borrower's compliance information into the appropriate fields on the LMF. For detailed instructions on completing the form, see the PRS Loan Management Form (LMF) Desk Reference, which can be found at mf.freddiemac.com, or other such documentation that Freddie Mac may provide.

The Servicer must upload the completed LMF to PRS in order for Freddie Mac to deem the submission of the LMF to be complete.

c. Timing of submission of the LMF (10/19/23)

Servicers must submit the LMF within 10 Business Days of determining that any of the conditions in Section 40.6(a) above have occurred regardless of the due date in PRS. If not submitted earlier in the year, the LMF must be submitted annually on or before December 31st via PRS. See also Section 40.2(b).

40.7 Conducting the inspection of the Property (08/15/24/10/17/24)

For the purposes of this chapter, any Repair Agreement, Repair Escrow Agreement, Repair Agreement with LOC, Repair and Escrow Agreement, Loan Agreement or Loan Agreement Rider

relating to repairs or other agreement involving repairs or improvements to the Property will be referred to as a "Repair Agreement."

The Servicer must conduct a property inspection and complete and submit the applicable property inspection report.

The AIF uses the same format as the MBA Property Inspection Form.

The Servicer must perform a comprehensive property inspection, including:

- An evaluation of property management, including specifics regarding the property manager's tenure at the Property, on-site staffing levels, and adequacy of management's response to any changing trends in market occupancy and rental rates
- The current condition of the Property and any trends, including the condition of the site features, building exteriors, interior common spaces, amenities, building systems, vacant and Down Units, and the number of rent-ready vacant units
- Providing specificity for any declining conditions around the property, such as excessive properties for sale in immediate areas, multiple dark buildings, or excessive vacancies. Also note, any specific ingress or egress issues at the Property and any changes to adjoining land uses or major thoroughfares impacting the Property
- Any early warning signs of risk, including evidence of any Life Safety Hazards, significant Deferred Maintenance, especially if related to moisture or Mold issues; environmental issues such as lead-based paint; incomplete Operational Repairs; Repair Agreement compliance; evidence of crime or vandalism; or failure to comply with local laws

The Servicer must request copies of any violations or other notices received regarding compliance with local laws. In addition, the Servicer must request information from the property manager regarding any property condition concerns to enable the Servicer to understand the cause of any problem and the Borrower's plans to remedy the situation.

a. Unit inspection requirements and minimum number of units to inspect (08/15/24/10/17/24)

The units inspected must be randomly selected by the inspector, not by the property manager or the Borrower. The units inspected must also include a cross-section of unit types and locations, including the following:

- Each of the major unit types
- Units on different floors, including top floor and below-grade units, or grade-level units if there are no units below grade
- For Properties with numerous buildings, units in a sampling of various buildings across the Property
- Representative sample of occupied and vacant units

Taking into account the cross-section of unit types and locations described above, the inspector must inspect at least the following number of units:

- Occupied and vacant units:
 - 5 percent of total occupied and vacant units, with a minimum of **five units** and a maximum of 15 units
 - For SBL Mortgages where the Property has a total of 50 units or less: 5 percent of total occupied and vacant units, with a minimum of **three units** and a maximum of 15 units
- Down Units: 100 percent (Note: If there is a significant number of Down Units due to large renovation project or hazard loss, inspector may choose to inspect a representative sampling of Down Units)
- Commercial space: 100 percent

Formatted: Indent: Left: 1.19", Bulleted + Level: 2 + Aligned at: 1.45" + Indent at: 1.7"

The inspector must conduct additional occupied and vacant unit inspections, as needed, to determine whether any problems detected in units or specific buildings are restricted to the specific units/buildings or pervasive throughout the Property.

b. Requirements for photographs (10/14/16)

Photographs are essential to convey the condition of the Property. Freddie Mac's requirements for photographs are as follows:

1. The photographs must illustrate any emerging or existing risks, inform the viewer of the trend of the Property and show a representative sample of the Property materials and conditions.
2. The photographs must include views of
 - All Life Safety Hazards
 - Samples of each type of Deferred Maintenance, any Down Units and items requiring significant capital expenditure
 - Moisture/Mold issues or environmental concerns
 - Samples of interiors of typical unit types
 - Grounds (including parking lots, sidewalks, street views and signage)
 - Typical building exterior (including windows, balconies and exterior stairs)
 - Building systems (for example, boiler, roof and HVAC)
 - Amenities, interior common areas, clubhouse, maintenance shop and office, if applicable

- Commercial space, if applicable
 - Significant repairs and capital improvements completed subsequent to the previous inspection (including, for SBL Mortgages, all Priority Repairs and PR-90 Repairs identified in the Form 1104, SBL Physical Risk Report)
3. Photographs must be compressed and added to the inspection submission. All photographs must include identifying captions.

c. Guidance for photographs (12/12/14)

Taking into account the above requirements, the size of the Property and the characteristics of the Property, the Servicer should submit 20 to 25 photographs with the inspection submission.

For Properties with fewer than 100 units, limited common areas and/or few amenities, fewer photographs may be sufficient to meet the requirements in Section 40.7(b). If the Servicer believes that fewer than 20 photographs are sufficient for a Property, the Servicer must provide a justification in the comment section of the inspection submission.

d. Assessing the physical condition of the Property and any risk issues (06/13/24 10/17/24)

The Servicer must assess the physical condition of the Property and any risk issues as follows:

1. In evaluating the Property's physical condition, the Servicer must assess the current condition and trend of all major components of the Property. The Servicer must include in its assessment:
- Incomplete items in any Repair Agreement,
 - Items in any Repair Agreement that were completed subsequent to the previous inspection,
 - Incomplete Operational Repair items,
 - Deferred Maintenance items,
 - Imminent Life Safety Hazards and Potential Life Safety Hazards, as defined in the Glossary,
 - Environmental issues and any moisture/Mold concerns,
 - Capital improvements that have been made subsequent to the last inspection and/or plans for future capital improvements at the Property,
 - Status of Deferred Maintenance items from most recent prior inspection, and
 - Any concerns from the property manager regarding site and/or building components
2. The Servicer must estimate and report the cost to remediate any Deferred Maintenance, Life Safety Hazards, environmental issues and moisture or Mold issues. Sources for these cost

Guide Bulletin Update 08/15/24 10/17/24 Chapter 40 – Page 16

estimates include:

- Bids received by the property manager,
- Cost projections by the property manager, and
- The inspector's estimate based on experience or industry cost standards

If the estimated sum for remediation of all Deferred Maintenance items is greater than \$10,000, or if there are Life Safety Hazards, environmental issues or moisture or Mold issues identified during the property inspection, the Servicer must notify the Borrower within 30 days following the inspection of the need to undertake corrective action to address the specific identified risk. The notice must distinguish Imminent Life Safety Hazards from Potential Life Safety Hazards. Imminent Life Safety Hazards pose the highest risk to tenants, (see the Glossary).

3. The Servicer must confirm that the Borrower has received any notices regarding Deferred Maintenance. Additionally, if the estimated sum for remediation of the Deferred Maintenance or other identified issues is greater than \$25,000 or the Deferred Maintenance represents a significant deficiency affecting the structure or value, or other identified issues represent an Imminent Life Safety Hazard for the tenants, then the Servicer must follow up in a timely manner until such risks have been remediated or resolved. Quarterly reporting will be required to PRS Loan Item Tracking (LIT) for Properties that have:
 - A property condition rating of 4 or 5
 - Deferred Maintenance totaling more than 10 percent of the UPB
 - An identified Imminent Life Safety issue, or
 - A situation that may require additional monitoring (at the discretion of Freddie Mac)
4. For an SBL Mortgage originated on a Loan Agreement form with a revision date on or after 11/02/2015 where the Servicer determines that any Priority Repair or PR-90 Repair on Form 1104, SBL Physical Risk Report, has not been completed, the Servicer must issue a notification to the Borrower documenting the outstanding Priority Repairs and PR-90 Repairs and refer Borrower to its obligation under the Loan Agreement to complete the identified repairs. The Servicer must work with the Borrower until each PR- 90 Repair consisting of an Imminent Life Safety Hazard is remediated or resolved. The Servicer must follow up on any outstanding Priority Repair items at the next scheduled inspection.

Freddie Mac will create LIT entries in PRS that captures Priority Repairs and PR-90 Repairs identified on the Form 1104, SBL Physical Risk Report. Within 30 calendar days of deeming any Priority Repair item or PR-90 Repair item complete, the Servicer must go into PRS and update the respective LIT accordingly.

5. For all loans:

- Any item listed as a PR-90 Repair that has not been completed must be classified as an Imminent Life Safety Hazard on the inspection.

Formatted: Outline numbered + Level: 4 + Numbering Style: 1, 2, 3, ... + Aligned at: 0.85" + Indent at: 1.2"

Formatted: Indent: Left: 1.19", Bulleted + Level: 1 + Aligned at: 1.1" + Indent at: 1.35"

- Any item listed as a Priority Repair that has not been completed must be classified as a Potential Life Safety Hazard on the inspection unless it is the cause of ongoing substantive damage to the asset, in which case it must be classified as an Imminent Life Safety Hazard.

Formatted: Indent: Left: 1.19", Bulleted + Level: 1 + Aligned at: 1.1" + Indent at: 1.35"

5-6. For loans with HUD involvement, the Servicer must obtain a copy of the latest HUD REAC (Real Estate Assessment Center) Inspection and review it as an additional data point to the current inspection. The Servicer must discuss any material differences with the Borrower. If there are items included in the REAC inspection that a Freddie Mac inspection did not identify, the Servicer must explain why such items were not addressed in the AIF comments. The Servicer must include information regarding the latest REAC inspection score and note any material differences between the two inspections within the General Comments section of the AIF assessment.

Formatted: Outline numbered + Level: 4 + Numbering Style: 1, 2, 3, ... + Aligned at: 0.85" + Indent at: 1.2"

6-7. The Servicer must work closely with Freddie Mac in handling adverse matters. If the Borrower does not fully remediate the identified adverse matters or provide an action plan acceptable to Lender within 30 days from the Servicer's notifications, the Servicer must issue a notice of default letter as soon as possible, and no later than 10 Business Days after such Borrower inaction. The Servicer must use the Notice of Default and Reservation of Rights (Conventional) or the Notice of Default and Reservation of Rights (SBL) form.

Formatted: Outline numbered + Level: 4 + Numbering Style: 1, 2, 3, ... + Aligned at: 0.85" + Indent at: 1.2"

The Servicer must evaluate such noncompliance, including the loan risk and proposed action. Within 10 Business Days, the Servicer must notify the Freddie Mac Surveillance team via email at MF_Surveillance@freddiemac.com to detail the Deferred Maintenance, potential risk and proposed action.

The Servicer must forward a copy of any reservation of rights letter and notice of default to Freddie Mac via email at MF_Surveillance@freddiemac.com.

7-8. The Servicer may consider obtaining a limited scope property inspection report for the specified areas of concern. The terms of the Loan Documents will determine whether the Servicer may charge the Borrower for the cost of the property inspection report. The follow-up should take into account the nature of the risk. The Servicer must provide a copy of any limited scope property inspection and related decisions made based on the Servicer's review of the inspection to the Freddie Mac Surveillance team as follows:

Formatted: Outline numbered + Level: 4 + Numbering Style: 1, 2, 3, ... + Aligned at: 0.85" + Indent at: 1.2"

- If there is an open LIT for the property condition, provide an update in PRS
- If there is not an open LIT for the property condition, send an email to MF_Surveillance@freddiemac.com

8-9. Notwithstanding the above, the Servicer must promptly and, in any case, not later than 10 Business Days from submitting the AIF assessment into PRS, notify Freddie Mac via email at MF_Surveillance@freddiemac.com if any of the following property related issues occur and have not been previously reported to Freddie Mac:

Formatted: Outline numbered + Level: 4 + Numbering Style: 1, 2, 3, ... + Aligned at: 0.85" + Indent at: 1.2"

- Property has a very low physical occupancy which is defined as less than 65% and the very low physical occupancy has not been previously reported
- Property has had an unauthorized change in property manager

- Deferred Maintenance is estimated at greater than 15 percent of the UPB
- There is a property condition rating of 4 or 5
- Property has a total of greater than 10 percent of Down Units
- Property has any catastrophic conditions that require immediate action
- Property has any unauthorized significant capital improvements or renovations that are likely to or are already negatively impacting occupancy or cash flow

The Servicer must retain a copy of this communication for its records.

9-10. If the Servicer submits an assessment inspection with a property condition rating of 4 or 5, the Servicer must begin collection of Reserve deposits for Replacement Reserves if such Reserve deposits have been deferred pursuant to the terms of the Loan Agreement. The Servicer must timely notify the Borrower in writing of such collection requirement and provide a copy of the notice to Freddie Mac. For an SBL Mortgage originated on a Loan Agreement form with a revision date prior to 07-31-2024, the Servicer must use the Notice of Default and Reservation of Rights (SBL) form. Collection of Reserve deposits for Replacement Reserves must begin no later than the second payment installment date immediately following the assessment inspection submission. Deposits for Replacement Reserves will be disbursed pursuant to the terms of the related Replacement Reserve Agreement.

e. Assessing moisture or Mold issues during the inspection (02/28/19)

1. Special Moisture or Mold Inspection

See Section 8.3(b) and (c) for information regarding when Freddie Mac may require a Special Moisture or Mold Inspection, and for the parameters of such an inspection.

2. Increased Scrutiny for Moisture or Mold

See Section 8.3(b) for information regarding when Freddie Mac may require the Servicer to inspect a Property using the Increased Scrutiny for Moisture or Mold protocols described below.

If a Property is subject to Increased Scrutiny for Moisture or Mold Issues, during the annual assessment inspection, the Servicer must

- Conduct a specific evaluation of the integrity of the building envelope; roof and drainage; heating, ventilation and air conditioning (HVAC) system; plumbing system and associated spaces (for example, mechanical closets) for each building on the Property and document that evaluation
- Inspect a minimum of 10 percent of the units, including those units that the Servicer deems most likely to be exposed to moisture conditions

Formatted: Heading 2, Outline numbered + Level: 3 + Numbering Style: a, b, c, ... + Aligned at: 0" + Indent at: 0"

- Conduct a specific evaluation of the condition of finishes in inspected dwelling units and in all common areas and document that evaluation
- Inspect any areas where the Borrower or property manager has detected a musty odor or observed Mold, all spaces typically associated with moisture issues, water intrusion or leaks, such as basements and unheated storage areas and all areas previously identified with significant moisture or Mold issues
- Evaluate all completed repairs to correct water intrusion or leak issues since the last assessment and document that evaluation
- Evaluate and comment on all areas where Mold has been removed since the last assessment and document that evaluation

3. Standard moisture and Mold inspection requirements

For all Properties that are not subject to a Special Moisture and Mold Inspection or Increased Scrutiny for Moisture or Mold Issues, as a part of the inspection, the Servicer must:

- Search for visual or olfactory evidence of moisture or Mold issues in each area identified as part of the inspection
- Make inquiries of the property owner, manager or other knowledgeable property staff regarding past and current water intrusion; potentially damaging leaks; known Mold issues; and tenant complaints regarding health problems, musty odors, water intrusion or potentially damaging leaks
- Inspect areas where water intrusion or leaks were reported
- Identify any defective building condition that would likely lead to future water intrusion or leaks
- Provide comments to describe any moisture or Mold issues and recommend further action, including conducting a Special Moisture or Mold Issues Inspection (see Section 8.3(c) or Section 8SBL.3(c), as applicable)

f. Assessing the property management company (12/12/14)

The property management company is a key component of the success of the Property, and the Servicer must evaluate the property management company's performance, including a review of the following:

- Company experience, property manager's experience and length of time at this site and on-site staffing levels
- Whether routine maintenance matters are appropriately addressed

Formatted: Heading 2, Outline numbered + Level: 3 + Numbering Style: a, b, c, ... + Aligned at: 0" + Indent at: 0"

- Leasing status, concessions, occupancy and adequacy of management's response to any significant changes in market occupancy or market rental rates
- Operations & maintenance (O&M) plan compliance, lead-based paint (LBP) compliance, Moisture Management Plan (MMP) compliance and income compliance reports for income-restricted Properties

g. Assessing the neighborhood, adjoining land uses and any changes to submarkets impacting the occupancy or performance of the Property (12/12/14)

The inspector must provide an overview and assessment of the Property's immediate neighborhood, including details on specific ingress or egress issues at the Property. It is the inspector's responsibility to:

- Drive through the neighborhood, identify trends and determine if there are any changes to adjoining land uses,
- Identify changes in nearby thoroughfares or major employers that could impact the performance of the Property, and
- Comment on any new construction in the immediate area.

Formatted: Heading 2, Outline numbered + Level: 3 + Numbering Style: a, b, c, ... + Aligned at: 0" + Indent at: 0"

40.8 Timing of the property inspection and the inspection report (10/19/23)

The Servicer must submit the inspection report no later than two calendar months after the date of the actual inspection, even if the inspection report has a later due date. For example, if the inspection took place on April 21, the inspection report must be submitted no later than June 21, even if the inspection report due date would otherwise be June 30.

Servicers can submit the inspection report earlier than the due date, as long as the submission date is within two calendar months of the actual inspection date.

For all Mortgages held by Freddie Mac, if a Servicer submits the AIF in an earlier quarter than the due date, Freddie Mac will change future AIF due dates to the quarter in which the AIF was submitted. For example, if the AIF is due September 30, 2024 and is submitted by June 30, 2024, Freddie Mac will move the 2025 AIF due date from September 30 to June 30, 2025 to make sure that the timing between inspections is maintained at approximately 12 months.

If a property condition report performed on the Property is more current than the most recent inspection, the inspection date of the most recent property condition report can be used as the date to set the new anniversary date for the next property inspection. For example, if the last property inspection was April 15, 2025 and another property condition report was completed on December 15, 2025 in conjunction with the origination of a supplemental loan on the Property, the Servicer can request in PRS that the due date for the next inspection be moved to December 31, 2026. The Servicer should confirm in their PRS due date change request that the property condition report has been uploaded into DMS.

Formatted: Heading 1, Indent: Left: 0", Hanging: 0.63", Space After: 12 pt, Outline numbered + Level: 2 + Numbering Style: 1, 2, 3, ... + Aligned at: 0" + Indent at: 0"

40.9 Completing and submitting the inspection; retention of inspection documentation (04/27/18)

To complete an inspection submission, the Servicer must enter the Borrower's property inspection information into the appropriate fields on the inspection submission. If the Property is a Seniors Housing Property, the Servicer must complete the additional Seniors Housing Supplement tab.

For detailed instructions on completing the form, see the Annual Inspection and Loan Management Forms Desk Reference, which can be found at mf.freddiemac.com, or any such documentation that Freddie Mac may provide.

During any period that Freddie Mac owns the Mortgage, the Servicer must submit the following components of the AIF into PRS in order for Freddie Mac to deem the submission of the AIF to be complete:

- The completed AIF
- The current rent roll, identifying commercial units where applicable, certified by the Borrower or an individual or entity (which may include the property manager) authorized by the Borrower to execute the certification on the Borrower's behalf (the signature of the Borrower or designee is sufficient). If an individual or entity other than the Borrower provides the certificate, the Servicer must obtain and retain in the Mortgage File a copy of the Borrower's authorization for that certifying individual or entity to execute the certificate on behalf of the Borrower

For the purposes of the AIF, a rent roll is considered to be current if it is dated no more than two months prior to or after the inspection date. For example, if the Property was inspected on May 10, the rent roll is considered current if dated from March 10 through July 10.

If the Servicer is submitting an AIF for a Seniors Housing Property, the Servicer must submit the following additional items via PRS for Freddie Mac to deem the submission of the AIF to be complete:

- Completed Seniors Housing Supplement sections of the AIF
- Copies of licenses or certificates and any reports by regulating agencies
- Copies of any violations cited by any regulatory agency and notices of any fines

The Servicer must retain copies of the completed inspection submission, all attachments and any other documentation that supports the summary information shown on the inspection submission, including correspondence with the Borrower regarding any identified risk issue.

40.10 Late, incomplete or unacceptable assessments; penalties and enforcement (06/13/24)

Freddie Mac considers an assessment to be late if not received in complete form on or before the due date of the assessment or if, for an AIF, the assessment is not submitted within 60 days of the Property inspection date.

If the Servicer submits the assessment without all of the necessary attachments, the assessment will continue to have a status of Due and will be late after the due date in PRS until the Servicer submits all necessary items.

Formatted: Heading 1, Indent: Left: 0", Hanging: 0.63", Space After: 12 pt, Outline numbered + Level: 2 + Numbering Style: 1, 2, 3, ... + Aligned at: 0" + Indent at: 0"

Formatted: Heading 1, Indent: Left: 0", Hanging: 0.63", Space After: 12 pt, Outline numbered + Level: 2 + Numbering Style: 1, 2, 3, ... + Aligned at: 0" + Indent at: 0"

If Freddie Mac, in its sole discretion, determines an assessment to be unacceptable, Freddie Mac will identify such assessment deficiencies and require the Servicer to resubmit a corrected, complete assessment and/or to re-inspect the Property as soon as practicable after such determination. Freddie Mac will consider an assessment unacceptable if such assessment: (i) materially misrepresents, misstates or conceals information about the condition of the Mortgaged Property that would otherwise be properly disclosed pursuant to industry-accepted multifamily property inspection standards; and/or (ii) fails to meet the requirements set forth in the Guide.

The Servicer must diligently and in good faith remedy any such identified deficiencies. In doing so, the Servicer must keep Freddie Mac apprised of its efforts, including actions to be taken and related timing, by sending updates to MF_Surveillance@freddiemac.com.

The following penalties are payable to Freddie Mac for: (i) late or incomplete submission of an assessment, or (ii) submission of an unacceptable assessment:

Complete assessment received during the first month following due date month	\$1,000
Complete assessment received during the second month following due date month	\$2,500
Complete assessment not received by the end of the second month following due date	\$5,000
Submission by a Servicer of an unacceptable assessment	\$25,000
Submission by a Servicer of an unacceptable assessment more than one time	\$50,000

The Servicer must pay any penalty assessed against it within 10 Business Days of Freddie Mac's request. If a Servicer fails to comply with any of its assessment/inspection obligations pursuant to this Chapter 40, including the failure to timely remit to Freddie Mac any penalty assessment, the Servicer will be subject to: (i) increased or targeted audits related to the Servicer's quality and control standards; and/or (ii) disciplinary action(s) "with cause" (as described in Chapter 4).

40.11 Obligation to review and verify the General Loan Information (02/18/21)

During any period in which Freddie Mac holds a Mortgage, the Servicer must review, no less than annually, the General Loan Information (GLI) displayed in the Property Reporting System (for example, Property name and total units). If any GLI data is incorrect, the Servicer must submit proposed changes via email noting such changes to MF_Asset_Perf@freddiemac.com.

Formatted: Heading 1, Indent: Left: 0", Hanging: 0.63", Space After: 12 pt, Outline numbered + Level: 2 + Numbering Style: 1, 2, 3, ... + Aligned at: 0" + Indent at: 0"

40.12 Freddie Mac's rights (12/12/14)

In addition to other rights and remedies set forth in the Guide, Freddie Mac reserves the right, in its sole discretion, to:

- Require more frequent assessments

Formatted: Heading 1, Indent: Left: 0", Hanging: 0.63", Space After: 12 pt, Outline numbered + Level: 2 + Numbering Style: 1, 2, 3, ... + Aligned at: 0" + Indent at: 0"

- Request the Seller/Servicer to submit to Freddie Mac the following:
 - Copies of all tax returns filed by the Borrower, within five days after receipt of tax returns from the Borrower
 - Other financial information or property management information that Freddie Mac may require (including information on tenants under leases to the extent that such information is available to the Borrower, copies of bank account statements from financial institutions where funds owned or controlled by the Borrower are maintained, and an accounting of security deposits)
 - With respect to each guarantor and each SPE Equity Owner, a certified balance sheet and profit and loss statement (or if such party is an individual, such party's personal financial statement) and any additional information as Freddie Mac may request
- Reject unsatisfactory inspectors, including FICs
- Perform its own assessment (the property inspection and/or any analysis) at the Servicer's expense if the Servicer fails, when required, to perform an assessment or to submit an assessment in accordance with the requirements of this chapter
- With respect to Mortgages secured by a Property owned by a Cooperative, require one or more of the following:
 - A current maintenance roll
 - A statement of income and expenses for a Cooperative Borrower's operation of the Property
 - The most recent approved annual operating budget
 - The most recent capital expense study/plan

40.13 Inspector requirements (10/19/23)

a. General inspector requirements for all Mortgages (06/25/20)

The Servicer must retain qualified inspection staff within its asset management department to inspect Properties securing Freddie Mac Mortgages. Under certain circumstances, the Servicer may use other qualified personnel to perform inspections, such as loan production staff or third-party inspectors, in accordance with the requirements in Sections 40.14. All inspectors must meet the following requirements, as well as the specific requirements in 40.13(b):

- Know Freddie Mac's Guide requirements relating to inspections
- Be able to make independent judgments on the condition of the Property
- Have sufficient multifamily real estate knowledge and experience to assess general functionality and maintenance of the Property, and to conduct a property inspection as described in Section 40.7.

Formatted: Heading 1, Indent: Left: 0", Hanging: 0.63", Space After: 12 pt, Outline numbered + Level: 2 + Numbering Style: 1, 2, 3, ... + Aligned at: 0" + Indent at: 0"

Formatted: Heading 2, Outline numbered + Level: 3 + Numbering Style: a, b, c, ... + Aligned at: 0" + Indent at: 0"

The property inspector cannot be the originator of the Mortgage, unless the Servicer ensures that there is no Equity Conflict of Interest for the Mortgage originator and that the Mortgage originator is able to make an independent, unbiased assessment of the condition of the Property. The Servicer must retain adequate documentation with the property file to justify this determination.

The appraiser who conducted the Appraisal when the Mortgage was originated may not perform the physical property inspection for an assessment.

b. Specific inspector requirements (10/19/23)

Beginning with all inspections with a PRS submission year of 2024, Freddie Mac requires inspectors to have at least the following specific experience and training based on the level of risk.

Formatted: Heading 2, Outline numbered + Level: 3 + Numbering Style: a, b, c, ... + Aligned at: 0" + Indent at: 0"

Mortgage Characteristics	Eligible Inspector
Mortgage is not on the CREFC Watchlist at the time the inspection is scheduled <u>or</u> the Mortgage's Risk Rating is 6 or less	1. Industry Trained Inspector, or 2. Certified Inspector, or 3. Exempt Inspector
Mortgage is on the CREFC Watchlist at the time the inspection is scheduled, <u>or</u> the Mortgage's Risk Rating is > 6	1. Certified Inspector, or 2. Exempt Inspector
All Mortgages with Significant Repairs and/or Replacements	1. Certified Inspector, or 2. Exempt Inspector

All Mortgages for Properties that are older than 40 years from the current year and haven't had a renovation (see below) in the prior 20 years from the current year	Exempt Inspector at least every other inspection

Notes:

1. An Industry Trained Inspector has:
 - Successfully participated in a Freddie Mac-approved training program relating to property inspections, such as the Mortgage Bankers Association of America's (MBA) Multifamily Property Inspection Workshop, Fannie Mae's Property Risk Management Training or an equivalent inspection program,
 - Completed at least 25 multifamily asset inspections under supervision by a Certified or Exempt Inspector, and
 - At least one year of experience in analyzing the physical and/or financial condition of commercial real estate assets

- Completed more than 50 multifamily inspections comparable to Freddie Mac’s property inspections, and
 - At least two years’ experience performing multifamily inspections comparable to Freddie Mac’s property inspections
3. An Exempt Inspector:

4. Renovation Criteria – Properties over 40 years old will not require an Exempt Inspector if the date of the renovations is less than 20 years from the current year and all of the following criteria are met:
- The documented property renovations amount to at least \$10,000/unit
 - At least 75% of units were renovated

e-c. Waiver of inspector requirements (03/03/17)

If the Servicer determines that an inspector on its staff is the most qualified individual to inspect a particular Property, but that person does not meet the experience requirements in Section 40.13(b), the Servicer may allow the inspector to perform that inspection. However, the Servicer must retain adequate documentation with the property file to justify this determination. The Servicer may use this waiver on an exception basis when warranted, not on an ongoing basis. Freddie Mac reserves the right, in its sole discretion, to determine that a Seller/Servicer may not continue to exercise this waiver.

f-d. Guidance for a quality control program for staff inspectors (12/12/14)

Freddie Mac recommends that the Servicer establish an inspector quality control (QC) program to ensure that inspections completed by staff and/or third-party fee inspector company (FIC) inspectors are accurate, reliable and in compliance with Freddie Mac’s requirements.

g-e. Servicer conflicts of interest and required independent inspections (06/25/20)

The property inspector must not have an Equity Conflict of Interest, as defined in Section 2.25. If there is a Seller/Servicer-Level Owner Equity Conflict of Interest and/or an Employee-Level Owner Equity Conflict(s) of Interest with respect to all employee(s) who could perform the inspection, an independent third-party fee inspector company must perform the physical inspection, regardless of the Risk Rating or CREFC Watchlist status of the Mortgage.

40.940.14 Third-party fee inspector company requirements (06/25/20)

a. Restrictions on the use of a third-party fee inspector company (06/25/20)

The Servicer may not engage an FIC to conduct any inspection for a Property securing a Mortgage that is held by Freddie Mac and that has a current Risk Rating greater than six. However, for other inspections, the Servicer may use an FIC that meets all Freddie Mac inspector and FIC requirements if the FIC has no ownership interest in the Borrower or other conflict of interest with the Borrower. For the purpose of determining a conflict of interest, the Servicer should apply the Equity Conflict of Interest standards set forth in Section 2.25, as if the FIC were the Employee-Level Owner or the Seller/Servicer Level Owner, as applicable.

The Servicer is responsible for working with the FIC to ensure inspectors have the minimum requirements per Section 40.13. The Servicer is ultimately responsible for the accuracy of all information included in the inspection, whether or not the Servicer performed the inspection directly.

b. FIC acceptability (05/31/12)

Freddie Mac does not select, hire or approve any specific FIC for the performance of physical property inspections for assessments. However, Freddie Mac does reserve the right to refuse to accept an assessment for which the property inspection was performed by an FIC or inspector that Freddie Mac deems unacceptable. Freddie Mac will maintain, on FreddieMac.com, the Multifamily Restricted Vendor List. If an FIC appears on the Multifamily Restricted Vendor List, the Seller/Servicer may not use that FIC for future Freddie Mac assessments until notified otherwise by Freddie Mac. The Multifamily Restricted Vendor List is made available to Seller/Servicers for the sole purpose of ensuring that unacceptable vendors do not prepare reports for Multifamily and will constitute “Confidential Information” as defined in Section 2.8.

An FIC may not at any time represent itself to third parties as being approved by Freddie Mac.

Freddie Mac may revoke the Servicer's general right to use an FIC for physical property inspections for assessments if the Servicer does not administer the selection and use of FICs in a manner that ensures compliance with all Freddie Mac requirements.

An FIC may employ contract workers who meet the inspector requirements and follow all inspection requirements contained in this chapter.

40.940.15 Additional Seller/Servicer reporting requirements for non-SBL Mortgages prior to Securitization (04/30/19)

For any non-SBL Mortgage scheduled for Securitization, the Seller/Servicer must submit all documentation via DMS with a notice to MF_Asset_Perf@freddiemac.com. The Seller/Servicer must provide all Borrower and Property financial data as presented by the Borrower. No analysis of the data is required. The Loan Documents may permit the Seller/Servicer to assess a late charge if the Borrower does not submit the documentation listed below within a specified time. The Seller/Servicer may retain 100 percent of this late charge.

The Seller/Servicer must submit, in an electronic format acceptable to Freddie Mac, the following documentation:

1. A rent roll, a statement of income and expenses for the Borrower's operation of the Property, and a statement of changes in financial position and balance sheet, as follows:
 - a. Except for Mortgages secured by a Property owned by a Cooperative, within 30 days after the end of each calendar quarter following purchase:
 1. Current rent roll dated no earlier than the date five days prior to the end of such quarter
 2. Income and expenses for the Borrower's operation of the Property either
 - For the 12-month period ending on the last day of such quarter, or
 - If, at the end of such quarter, the Borrower and any Affiliate of the Borrower have owned the Property for less than 12 months, for the period commencing with the first full month of operations following the acquisition of the Property by the Borrower or its Affiliates and ending on the last day of such quarter.
 - b. Within 100 days after the end of each fiscal year:
 1. Annual statement of income and expenses for the Borrower's operation of the Property for that fiscal year
 2. Statement of changes in financial position of the Borrower relating to the Mortgaged Property for that fiscal year
 3. Balance sheet showing all assets and liabilities of the Borrower relating to the Mortgaged Property as of the end of that fiscal year and a profit and loss statement for the Borrower
 4. Accounting of all security deposits held pursuant to all leases meeting the requirements of the Loan Documents

If the Loan Documents have been modified to allow the Borrower more than 90 days to deliver the documents set forth above, the Seller/Servicer must deliver the documents within five days after receiving them from the Borrower.
 - c. At any time prior to securitization upon Freddie Mac's request, the Seller/Servicer must submit to Freddie Mac the following:
 1. Current rent roll
 2. Income and expense statement for the Borrower's operation of the Property for the most recent month or months, as applicable
 3. Statement that identifies all owners of any interest in the Borrower and any controlling entity meeting the requirements of the Loan Documents
2. Other documentation

Upon Freddie Mac's request, the Seller/Servicer must submit to Freddie Mac the following:

- a. Copies of all tax returns filed by the Borrower, within five days after receipt of returns from the Borrower
- b. Other financial information or property management information that Freddie Mac may require (including information on tenants under leases to the extent such information is available to the Borrower, copies of bank account statements from financial institutions where funds owned or controlled by the Borrower are maintained, and an accounting of security deposits)
- c. With respect to each guarantor and each SPE Equity Owner, a certified balance sheet and profit and loss statement (or if such party is an individual, such party's personal financial statement) and any additional information as Freddie Mac may request

40.1040.16 Reporting for Special Product Type Mortgages (04/14/22)

The following Mortgages are considered "Special Product Type Mortgages" for the purposes of this chapter:

- SBL Mortgages
- Value-Add Mortgages
- Mortgages secured by Properties deemed unstabilized by Freddie Mac in PRS
- Mod Rehab Mortgages
- MHC Mortgages with MHC Tenant Protections

Except as modified by this Section 40.16, Special Product Type Mortgages are subject to all of the requirements of this chapter.

a. SBL Mortgages (03/03/17)

Additional documentation requirements for SBL Mortgages prior to securitization will be limited to the following:

- At any time prior to securitization upon Freddie Mac's request, the Seller/Servicer must submit to Freddie Mac the following:
 - a. Current rent roll
 - b. Income and expense statement for the Borrower's operation of the Property for the most recent month or months, as applicable
 - c. Statement that identifies all owners of any interest in the Borrower and any controlling entity meeting the requirements of the Loan Documents

- d. Copies of all tax returns filed by the Borrower, within five days after receipt of returns from the Borrower
- e. Other financial information or property management information that Freddie Mac may require (including information on tenants under leases to the extent such information is available to the Borrower, copies of bank account statements from financial institutions where funds owned or controlled by the Borrower are maintained, and an accounting of security deposits)
- f. With respect to each guarantor and each SPE Equity Owner, a certified balance sheet and profit and loss statement (or if such party is an individual, such party's personal financial statement) and any additional information as Freddie Mac may request

b. Value-Add Mortgages (09/30/20)

The Servicer must submit the Annual Financial and Quarterly Financial assessments for a Value-Add Mortgage as outlined in Sections 40.2(a) and 40.2(b).

In addition, starting with the end of the first quarter after the Origination Date (unless the end of the quarter is within one calendar month of the Origination Date), and continuing every quarter thereafter until the loan has paid off, the Servicer must report on renovation progress and rental conditions at the Property via the **Value-Add Reporting LIT**. The report is due within one month after the close of the quarter. The Servicer must submit the following documentation:

- **Form 1028, Value-Add Monitoring Form**

A version of Form 1028 customized by Freddie Mac for each Property will be attached to the LIT within 45 days of the Freddie Mac Funding Date and must be used for all reporting requirements. The copy available at mf.freddie.com/lenders/asset is for informational purposes only and should not be used for reporting. This completed form must be submitted in its original Excel format.

In the event there are errors in the form, corrections should be requested via the **Value-Add Reporting LIT**. Freddie Mac will make form corrections as needed.

The reporting options available (and explained in more detail in the *Help Me Choose* menu in the form) are:

- Quarterly update – work has not commenced
- Quarterly update – work has commenced
- Quarterly update – post renovation completion monitoring
- Close-out

- **Borrower Quarterly Certification, Value-Add Transaction**

A copy of the certification was included in the original Loan Documents. This certification must be fully executed by the Borrower and must include all relevant attachments as defined in the certification.

In addition to the Value-Add Reporting LIT, the Servicer must use the **Construction Completion Date – Value-Add** LIT to document the Value-Add completion date. Upon completion of the renovation, Form 1028 must be submitted to this LIT – using the *Close-out* option – with the following documentation (which, except for the first bullet, are defined further in the Rider to Multifamily Loan and Security Agreement Value-Add Transaction):

- Certification of substantial completion by the Architect of Record using AIA Form G-704 (if applicable)
- Engineer's certificate
- Final and unconditional lien waiver from the general contractor
- Evidence of Compliance with Laws
- Evidence of Minimum Expenditure Requirement
- Other Certificates and Items as detailed in the Rider to Multifamily Loan and Security Agreement Value-Add Transaction

Any additional comments regarding these documents should be made on Form 1028.

In the event close-out documentation is being submitted concurrently with quarterly reporting, then two Form 1028s must be submitted – one to the **Construction Completion Date – Value-Add** LIT using the “Close-out” reporting option, and the other to the **Value-Add Reporting** LIT using the “Quarterly update – post renovation completion monitoring” reporting option.

All reporting must reflect trailing 12-month financial statements, unless indicated otherwise on Form 1028.

With respect to the AIF described in Section 40.7, the Servicer must address the status of each Value-Add component described in the Value-Add Schedule of Work that was included in the final loan package in the “Repairs Verification” tab of the AIF and provide a representative number of photographs. Once the work is completed, the AIF must be performed by an individual meeting the qualifications of either a Certified or Exempt Inspector as identified in Section 40.13(b); an engineer/architect or off-cycle site visit will not be necessary.

c. Mortgages secured by Properties deemed unstabilized by Freddie Mac (06/27/19)

In conjunction with the requirements described in Sections 40.3 and 40.4, the Servicer must submit the following items for Mortgages secured by Properties deemed unstabilized by Freddie Mac in PRS:

- The appropriate Q-CREFC Assessment template with financial spreads provided on a trailing 12-month basis (instead of year-to-date annualized)
- Most recent construction or engineering report, as available, added as an attachment (unless already provided to Freddie Mac)

- The Excel® Unstabilized Monitoring Form, completed as specified in Section 40.3(c), when submitting assessments using the Q-CREFC or A-CREFC assessment format, except for Value-Add Mortgages, which require the use of Form 1028.

The Excel® Unstabilized Monitoring Form can be found under the PRS Assessment: CREFC heading on the *Multifamily Asset Management* page of mf.freddiemac.com.

The Servicer must submit a Quarterly Assessment for the first, second and third quarter reporting to Freddie Mac through PRS by May 31, August 31 and November 30.

d. Mod Rehab Mortgages (05/05/17)

In addition to the requirements described in Section 40.2(b), the Servicer must submit various reports and documentation to Freddie Mac when disbursing funds periodically to reimburse renovation expenses. See Section 39.9 for a description of these requirements.

e. MHC Mortgages with MHC Tenant Protections (04/14/22)

In addition to the requirements described in Section 40.2(b), to validate Borrower's compliance with the MHC Tenant Protections, the Servicer must:

1. Submit the "Borrower's Certificate - MHC Tenant Protections" through Loan Item Tracking (LIT) in PRS no more than 45 days after the first anniversary of the Origination Date, and thereafter no more than 45 days after each successive anniversary of the Origination Date
2. Conduct an annual audit of the residential leases with the Applicable MHC Residents and any other MHC Tenant Protection Document(s) that contain the MHC Tenant Protections, to confirm:
 - A. The MHC Tenant Protections are included in the MHC Tenant Protections Document(s)
 - B. The applicable MHC Tenant Protection Document(s) have been executed by the Applicable MHC Residents; and
 - C. The Applicable MHC Residents are existing residents of the Property

If the Borrower has elected to (i) incorporate the MHC Tenant Protections in the MHC rules and regulations and (ii) deliver to each Applicable MHC Resident an MHC Tenant Protections Notification as described in Guide Section 22.2(p), then in lieu of item B above, the Servicer must conduct an audit of the MHC Tenant Protections Notifications to confirm they include all the MHC Tenant Protections and were correctly addressed to the Applicable MHC Residents.

3. In connection with any audit conducted under this Section 40.16(e)(2):
 - A. The Servicer must request electronic copies of the residential leases and/or applicable MHC Tenant Protections Document(s) and/or applicable MHC Tenant Protections Notifications no more than 10 days after the first anniversary of the Origination Date, and

thereafter no more than 10 days after each successive anniversary of the Origination Date

- B. The Servicer must randomly select residential leases and/or Applicable MHC Residents chosen for the audit and cannot include residential leases and/or Applicable MHC Residents from a prior annual audit unless all residential leases and/or Applicable MHC Residents have already been audited
- C. The Servicer must review at least five percent, but no greater than 20 residential leases and/or applicable MHC Tenant Protections Document(s) and/or applicable MHC Tenant Protections Notifications
- 4. Upon completion of the applicable annual audit required under Section 40.16(e)(2) above, the Servicer must submit, through LIT in PRS, the related Chief Servicing Officer (CSO) Certification (MHC Tenant Protections - Compliance) found on mf.freddiemac.com at <https://mf.freddiemac.com/lenders/asset/#ServicerSpecialRequestForms> certifying as to the status of Borrower's compliance with the MHC Tenant Protections. The Servicer must submit the CSO Certification no more than 45 days after the first anniversary of the Origination Date, and thereafter no more than 45 days after each successive anniversary of the Origination Date.

If the Servicer certifies to the Borrower's "substantial compliance" with the MHC Tenant Protections on any Mortgage, the Servicer will be required to provide a written status update to Freddie Mac every six months addressing the Borrower's efforts to obtain executed copies of the MHC Tenant Protections Document(s) from all Applicable MHC Residents until such time as the Borrower has fully complied with the applicable requirements. The status updates must be submitted through LIT in PRS.

40.1440.17 Mortgages with Required Rent Restrictions Rider to the Loan Agreement – reporting requirements (04/13/23)

In addition to the other requirements described in this chapter, to validate the Borrower's compliance with the Required Rent Restrictions Rider to the Loan Agreement, the Servicer must submit through the Loan Item Tracking (LIT) in the Property Reporting System (PRS):

- Within 15 Business Days after the initial reporting date and each anniversary thereafter (or 10 Business Days after the end of the related cure period, if such cure period is available), the Borrower's Affordability Certification evidencing the Borrower's compliance with the Required Rent Restrictions Rider to the Loan Agreement
- Within 30 days after the initial reporting date and each anniversary thereafter (or 10 Business Days after the end of the related cure period, if such cure period is available), a notice to Freddie Mac of the Borrower's failure to comply with the Required Rent Restrictions Rider to the Loan Agreement, together with Servicer's calculation of any related noncompliance fee
- Within 60 days after the initial reporting date and each anniversary thereafter (or 30 days after the related cure period, if such cure period is available), the Chief Servicing Officer Certification (Required Rent Restrictions - Compliance) form, certifying that the Servicer has validated the

Borrower's compliance or noncompliance with the Required Rent Restrictions Rider to the Loan Agreement and, if applicable, has calculated any related noncompliance fee

- As soon as practicable upon request by Freddie Mac or any regulatory body having regulatory authority over Freddie Mac, any other information pertaining to the loan as may be specified in the request, and copies of any leases or other data received and used by the Servicer to: (i) confirm Borrower's compliance or noncompliance with the Required Rent Restrictions Rider to the Loan Agreement, and (ii) calculate any noncompliance fee

43.1 Specific Servicing responsibilities; delivery of documents (04/18/24)

This chapter sets forth the Servicer’s responsibilities for transaction-related requirements in Servicing the Mortgage.

- **Delivery of documents and notices to Freddie Mac: electronic delivery**

When this chapter requires electronic delivery of any document, the Servicer must submit all items required to be delivered to Freddie Mac by uploading the documents into the Document Management System (DMS) and using the “File Submission” link to notify:

- For Structured Transactions, Tax Exempt Bond Credit Enhancements, Acquisition Rehabilitation/Lease-Up/Moderate Rehabilitation loan products, or Credit Facilities, “*Structured Transactions*”
- For all other Mortgages, “*Borrower Transactions*”

CRT can also be used to upload any applicable documentation for the consent request rather than uploading the document directly into DMS.

- **Delivery of original documents to Freddie Mac.** Unless otherwise stated, when this chapter requires delivery of an original document with respect to any Mortgage, the Servicer must:

- Upload the document into DMS, and
- Deliver a hard copy to
 - For Structured Transactions, Tax Exempt Bond Credit Enhancements, Acquisition Rehabilitation/Lease-Up/Moderate Rehabilitation loan products, or Credit Facilities, Freddie Mac *Multifamily Asset Management, Structured Transactions*
 - For all other Mortgages, Freddie Mac *Multifamily Asset Management, Borrower Transactions*

- **Servicing responsibilities – insurance**

For non-SBL Mortgages, the following sections of Chapter 31 state the Servicer’s ongoing responsibilities with regard to insurance:

Section 31.8	Flood insurance requirements
Section 31.12	Ordinance and Law coverage
Section 31.22	Verification of required and continuing property and liability insurance coverage
Section 31.24	Ensuring continuous coverage and forced placed insurance

For SBL Mortgages, throughout the term of the SBL Mortgage, the Servicer must evaluate the insurance coverage and limits for each SBL Mortgage and determine, to its satisfaction, that

adequate property and liability insurance coverage is in place. Servicers must follow the requirements of Chapter 31 to ensure that they comply with their ongoing responsibilities with regard to evaluating and documenting adequate insurance coverage.

43.2 IRS Form 1098, Mortgage Interest Statement (09/28/12)

a. Completing IRS Form 1098 (05/06/05)

The Servicer must provide IRS Form 1098, Mortgage Interest Statement, to the IRS and the Borrower as required under section 6050H of the Internal Revenue Code. This reporting must be done for each Mortgage owned in whole or in part by Freddie Mac. The Servicer's name, address and federal identification number must be reported for "Recipient." The Borrower's name, address and Social Security number must be reported for "Payer."

b. Retention of IRS Form 1098 (05/06/05)

The Servicer must maintain copies of all statements and reports that Freddie Mac requires the Servicer to provide directly to the Borrowers and the IRS in compliance with section 6050H of the Internal Revenue Code and make such copies available for examination by Freddie Mac upon request.

c. Penalties (09/28/12)

The Servicer is responsible for any penalty levied by the IRS for not reporting timely, nonreporting or reporting of inaccurate information, as applicable, with respect to those statements and reports that Freddie Mac requires the Servicer to provide directly to the Borrowers and the IRS.

43.3 IRS Form 1099-A and 1099-C requirements (10/21/21)

Whenever Freddie Mac or a third party acquires an interest in a Property in full or partial satisfaction of Freddie Mac's Mortgage or when Freddie Mac or the Servicer knows or has reason to know that a Property has been abandoned, the Servicer must provide Internal Revenue Service (IRS) Form 1099-A, Acquisition or Abandonment of Secured Property. For all cancellations of mortgage debt on or after January 1, 2005 with respect to a Mortgage owned or guaranteed in whole or in part by Freddie Mac, the Servicer must report the cancellation of the Borrower's mortgage debt to the IRS on IRS Form 1099-C, Cancellation of Debt.

The Servicer must file Forms 1099-A and 1099-C with the IRS, the Borrowers and the States (as required). The Servicer must also notify Freddie Mac of its filings with the IRS on Freddie Mac Form 1065M, Report of IRS Form 1099-A and Form 1099-C Filings.

a. General instructions for filing IRS Forms 1099-A and 1099-C with IRS (10/21/21)

The Servicer must file all IRS Forms 1099-A and 1099-C with the IRS electronically. Paper filing is not an option as the number of forms that will be filed under Freddie Mac's tax identification number will exceed the maximum allowed for paper filing.

The Servicer must file its forms with the IRS no later than March 31 of the year following the calendar year that the Property is abandoned (Form 1099-A) or the debt is canceled (Form

1099-C). The Servicer must furnish the Borrower with a copy of any Forms 1099-A and 1099-C filed with the IRS on or before January 31 of the calendar year the form is filed with the IRS.

IRS requirements for filing electronically are set forth in IRS Publication 1220, Specifications for Electronic Filing of Forms 1097, 1098, 1099, 3921, 3922, 5498 and W2-G. A Servicer may obtain this publication by downloading it from the IRS website at www.irs.gov or by calling the IRS at 1-800-TAX-FORM (1-800-829-3676). Instructions for completing IRS Forms 1099-A and 1099-C are set forth in Freddie Mac Form 1065M.

The Servicer must insert appropriate header information on the electronic report it files with the IRS in accordance with the record descriptions in the following table:

Field Name	Data Description
Payer "A" Record	
Payer's TIN	For non-securitized loans, use 520904874 and for securitized loans, use the trust's TIN
First Payer Name Line	Federal Home Loan Mortgage Corporation
Payer Shipping Address	8200 Jones Branch Drive
Payer City	McLean
Payer State	VA
Payer ZIP Code	22102
Payer's Telephone Number & Extension	Servicer's telephone number
"B" Record	
Payee's TIN	Borrower's TIN
Payer's Account Number for Payee	The nine-digit Freddie Mac loan number followed by one space and the six-digit Seller/Servicer number
First Payee Name Line	First Borrower's name
Second Payee Name Line	Second Borrower's Name, if appropriate
Payee Mailing Address	Most recent address for Borrower
Payee City	Most recent address for Borrower
Payee State	Most recent address for Borrower
Payee Zip Code	Most recent address for Borrower

The Borrower's TIN is required to complete Forms 1099-A and 1099-C. If the Servicer does not have the Borrower's TIN, the Servicer must make a reasonable effort to obtain the TIN. Such request must clearly notify the Borrower that the IRS requires the Borrower to provide its TIN and that failure to do so subjects the Borrower to a \$50 penalty imposed by the IRS. To request the TIN, the Servicer must use IRS Form W-9, Request for Taxpayer Identification Number and Certification. However, the Borrower is not required to certify the TIN under penalties of perjury.

To correct or void previously submitted IRS Forms 1099-A or 1099-C, the Servicer must refer to IRS requirements to determine how to report either for electronic corrections or voids. To avoid or minimize penalties that may be imposed by the IRS, the Servicer must report corrections or voids to the IRS when an error is discovered.

The Servicer is responsible for completing the IRS Forms 1099-A and 1099-C and for providing the information to the IRS and to the Borrower in a timely and accurate manner. If the IRS penalizes Freddie Mac or assesses any fee for failure to produce such information or because a Servicer failed to file a report, or filed an untimely, incorrect or incomplete report, the Servicer must reimburse Freddie Mac for all costs incurred by Freddie Mac as a result of such penalty or assessment.

The Servicer must maintain copies of all statements and filings that Freddie Mac requires the Servicer to provide directly to the Borrowers and the IRS in compliance with the Internal Revenue Code. The Servicer must make such copies available for examination by Freddie Mac upon request until Freddie Mac agrees, in writing, that such records may be destroyed.

The Servicer must comply with the IRS's and the various States' requirements, as amended from time to time, for filing IRS Forms 1099-A and 1099-C. The Servicer is also responsible for providing a copy of any forms filed with the IRS to those States that have filing requirements. The Servicer should consult with its tax advisors, the States or the IRS concerning questions on such requirements.

b. Instructions for filing IRS Form 1099-A, Acquisition or Abandonment of Secured Property (06/29/17)

The Servicer must provide Form 1099-A to the IRS and the Borrower as required under Section 6050J of the Internal Revenue Code. This reporting must be done whenever Freddie Mac or a third party acquires an interest in a Property in full or partial satisfaction of Freddie Mac's secured debt or when Freddie Mac or the Servicer knows or has reason to know that a Property has been abandoned.

For the purposes of filing this report, the following instructions apply:

- Freddie Mac acquires an interest in the Property either:
 1. On the date of the foreclosure sale or the date the Borrower's right of redemption, if any, expires, whichever occurs later, or
 2. At the time a deed-in-lieu of foreclosure is recorded.
- A third party acquires an interest at the time of the foreclosure sale.
- Abandonment has occurred when Freddie Mac or the Servicer has reason to know from all the facts and circumstances concerning the status of the Property that the Borrower intended to and has permanently discarded the Property from use. If a Servicer determines that an abandonment has occurred and expects to commence foreclosure proceedings within three months, the reporting obligation generally arises at the end of the three-month period.

The following events trigger the reporting requirement:

- **Freddie Mac acquisition** – Freddie Mac acquires the Property at a foreclosure sale or by deed-in-lieu of foreclosure
- **Third party sale** – a third party acquires the Property at a foreclosure sale
- **HUD, RHS or VA acquisition** – the Property was acquired by HUD, RHS, or the VA
- **Abandonment** – the Property has been abandoned, three months have passed and foreclosure proceedings have not begun

A completed IRS Form 1099-A must be filed electronically with the IRS on or before March 31 of the year following the calendar year in which the reportable event occurred. A copy of the Form 1099-A must be mailed to each Borrower on or before January 31 of the same calendar year as the Form 1099-A was filed with the IRS.

See Section 43.3(c) in the event that both IRS Forms 1099-A and 1099-C may be filed as the result of a cancellation of debt in connection with a foreclosure or similar action in the same year for the same Borrower.

c. Instructions for filing IRS Form 1099-C, Cancellation of Debt (06/29/17)

The Servicer must report cancellations of Borrower's Mortgage debt on Internal Revenue Service (IRS) Form 1099-C as required under Section 6050P of the Internal Revenue Code for all cancellations of mortgage debt of \$600 or more occurring on or after January 1, 2005, with respect to Mortgages owned or guaranteed in whole or in part by Freddie Mac. Form 1099-C must be filed regardless of whether the Borrower must report the cancellation of debt as income.

If in the same calendar year, the Servicer cancels a debt in connection with a foreclosure or abandonment of the Property, it is not necessary to file both Forms 1099-A and 1099-C for the same Borrower. The Servicer will meet the filing requirement for Form 1099-A by completing boxes 4, 5, and 7 on Form 1099-C. However, the Servicer may complete both Forms 1099-A and 1099-C separately; in that case, the Servicer should not complete boxes 4, 5, and 7 on Form 1099-C. See Form 1065M for filing instructions for IRS Forms 1099-A and 1099-C.

Servicers are not required to report the following on IRS Form 1099-C:

- **Interest** - Servicers do not need to include interest as part of the canceled debt in box 2. However, if interest is reported as part of the canceled debt in box 2, show the interest separately in box 3.
- **Nonprincipal amounts** - Nonprincipal amounts include penalties, fines, fees and administrative costs.
- **Release of a Borrower** - IRS Form 1099-C does not need to be filed if one of the Borrowers on a Mortgage is released, as long as the remaining Borrowers remain liable for the full amount of the unpaid Mortgage.
- **Guarantor or surety** - A guarantor is not a debtor for purposes of Form 1099-C, even if demand for payment is made to the guarantor.

For Mortgages originated after 1994 that involve Borrowers who are jointly and severally liable for the Mortgage, the Servicer must report the entire amount of the canceled debt on each Borrower's Form 1099-C. Multiple Borrowers are jointly and severally liable for a debt if there is no clear and convincing evidence to the contrary. If the Servicer can show that joint and several liability does not exist, the Servicer must file Form 1099-C for each Borrower for whom the Servicer canceled a debt of \$600 or more.

For Mortgages originated before 1995, the Servicer must file Form 1099-C only for the primary (or first-named) Borrower. If the Servicer knows or has reason to know that the multiple Borrowers were husband and wife who were living at the same address when the debt was incurred, and the Servicer has no information that these circumstances have changed, the Servicer may file only one Form 1099-C.

For purposes of Form 1099-C, the following instructions apply:

- A debt may include all amounts owed, including stated principal, stated interest, fees, penalties, administrative costs and fines. However, only stated principal is required to be reported. If accrued interest is included in the amount of the stated debt in box 2, then it must be reported in box 3.
- A debt is canceled on the date an identifiable event occurs. An identifiable event is:
 1. Discharge in bankruptcy under Title 11 of the U.S. Code. The Servicer must report the debt canceled in bankruptcy for the later of the year in which the amount of canceled debt first can be determined, or the year in which the debt is canceled in bankruptcy.
 2. A cancellation or extinguishment making the debt unenforceable in a receivership, foreclosure or similar proceeding.
 3. A cancellation or extinguishment when the statute of limitations for collecting the debt expires, or when the statutory period for filing a claim or beginning a deficiency judgement proceeding expires. Expiration of the statute of limitations is an identifiable event only when the Borrower's affirmative statute of limitations defense is upheld in a final judgement or decision of a court and the appeal period has expired.
 4. A cancellation or extinguishment when deficiency rights were not preserved during the foreclosure process.
 5. A cancellation or extinguishment when Freddie Mac makes the determination not to pursue a deficiency action post-foreclosure and notifies the Servicer of such determination.
 6. A cancellation or extinguishment when Freddie Mac elects foreclosure remedies that by law end or bar the creditor's right to collect the debt. This event applies if collection is barred by local law after a "power of sale" in the Mortgage or deed of trust is exercised.
 7. A cancellation or extinguishment due to a probate or similar proceeding.
 8. A discharge of indebtedness under an agreement with the debtor to cancel the debt at less than full consideration (e.g. a short sale). Freddie Mac will advise the Servicer if

such an agreement is reached with a Borrower.

9. A discharge of indebtedness because of a decision or a defined policy of the creditor to discontinue collection activity and cancel the debt. A creditor's defined policy can be in writing or an established business practice. A practice to stop collection activity and abandon a debt when a particular nonpayment period expires is a defined policy.

Facts and circumstances indicating that a debt was not canceled include the existence of a lien relating to the debt (up to the value of the security) or the sale or packaging for sale of the debt by the creditor.

In the event of a foreclosure sale where deficiency rights were preserved, the Servicer must not initially file a Form 1099-C. Freddie Mac will determine whether to pursue collection of the deficiency of that Mortgage. If Freddie Mac makes a determination not to pursue collection of the deficiency, Freddie Mac will notify the Servicer and the Servicer must then file the IRS Form 1099-C.

Each Servicer must file its reports with the IRS not later than March 31 of the year following the calendar year in which the cancellation of debt occurs.

d. Instructions for filing Freddie Mac Form 1065M, Report of IRS Form 1099-A and Form 1099-C Filings (04/15/21)

The Servicer must notify Freddie Mac that the Servicer reported to the IRS electronically. When the Form 1099-A or Form 1099-C is sent to the IRS, the Servicer must submit Form 1065M to Freddie Mac. The Servicer should not send Freddie Mac copies of the Form 1099-A or Form 1099-C that it filed with the IRS.

When corrections or voids are submitted to the IRS, a copy of Form 1065M must be submitted to Freddie Mac. Form 1065M should indicate the number of corrected or voided IRS Forms 1099-A and 1099-C that were submitted to the IRS.

Form 1065M should be mailed to Freddie Mac at the address shown on the form.

43.4 IRS Form 1099-MISC, Miscellaneous Income, and IRS Form 1099-NEC, Nonemployee Compensation (08/18/22)

Servicers must not prepare or file IRS Form 1099-MISC, Miscellaneous Income, or IRS Form 1099-NEC, Nonemployee Compensation, using Freddie Mac's name or Taxpayer Identification Number (TIN). The Servicer should consult with its tax advisor to review its reporting obligations with regard to the filing of Forms 1099-MISC and 1099-NEC.

43.5 Continuation of Uniform Commercial Code (UCC) financing statements; termination (06/27/19)

a. UCC continuation statements (12/14/18)

During the term of the Mortgage, the Servicer must maintain the continuity of Freddie Mac's perfected security interest in personal property relating to the Property (including chattel and fixtures). The Servicer must monitor the expiration dates of financing statements filed and

recorded with respect to such personal property, and must ensure that all necessary continuation statements (including so-called "in-lieu" filings, if applicable) are filed in a timely manner and recorded with the proper office(s) in accordance with applicable law, prior to the expiration date. Promptly after filing or recordation, the Servicer must electronically deliver evidence of such continuation statements to Freddie Mac.

b. Termination statements (05/06/05)

Following payment in full of a Mortgage, the Servicer must promptly file and record termination statements evidencing the release of Freddie Mac's security interest in the personal property located on the Property. The Servicer must file such termination statements, at the Servicer's expense, in each office in which a financing statement has been filed or recorded.

c. Freddie Mac signature (05/31/12)

In instances where the Servicer determines that Freddie Mac's signature is required by local law in order for a continuation or termination statement to be accepted for filing or recordation, or to be effective, the Servicer must forward the completed continuation or termination statements to Freddie Mac *Multifamily Asset Management, Borrower Transactions* for signature by Freddie Mac. Freddie Mac will return the signed forms to the Servicer, and the Servicer must then file and record them at its own expense. If Freddie Mac has provided written authorization to the Servicer to execute continuation or termination statements on behalf of Freddie Mac, it is unnecessary for the Servicer to send the statements to Freddie Mac for signature.

d. Copies to Freddie Mac (09/28/12)

Promptly following recording or filing, the Servicer must electronically deliver to Freddie Mac a copy of the continuation or termination statement showing all recording or filing information (recorder's stamp, book and page numbers, or instrument number).

e. Limited power of attorney (06/27/19)

A Servicer may elect to request a limited power of attorney from Freddie Mac that enables the Servicer to execute continuation and termination statements on behalf of Freddie Mac. The Servicer must request this limited power of attorney in writing from Freddie Mac *Multifamily Asset Management, Borrower Transactions*.

This limited power of attorney is not available to a Servicer that is not a member of the Optigo Lender network.

43.6 Unauthorized transfers (04/18/24)

The Servicer must be alert to unauthorized Transfers of Ownership. Section 41.8 or Section 41SBL.8, if applicable, describes what the Servicer must do if it learns of an unauthorized Transfer of Ownership. In order to determine whether and under what circumstances a Borrower may carry out a Transfer of Ownership, the Servicer must first determine what actions the Loan Documents permit. Chapter 41 fully describes the requirements with regard to Transfers of Ownership.

43.7 Late charges; default interest (04/18/24)

a. Mortgages originated on or after July 8, 1992 (06/30/16)

For Mortgages originated on or after July 8, 1992, the Servicer must remit collected late charges and default interest to Freddie Mac as described below:

- For fixed-rate Mortgages, other than TAH bond credit enhancement Mortgages, the Servicer may retain all late charges collected by the Servicer within 30 days after the Due Date of the related installment. The Servicer must remit to Freddie Mac *Multifamily Loan Accounting* 50 percent of any late charges collected by the Servicer more than 30 days after the Due Date of the related installment. Freddie Mac reserves the right to waive any late charge, in its discretion.
- For ARMs, the Servicer must remit to Freddie Mac *Multifamily Loan Accounting* 50 percent of all late charges collected by the Servicer. Freddie Mac reserves the right to waive any late charge, in its discretion.
- For SBL Hybrid ARM Mortgages:
 - During the period in which the fixed interest rate is in effect, the Servicer may retain all late charges collected by the Servicer within 30 days after the Due Date of the related installment. The Servicer must remit to Freddie Mac *Multifamily Loan Accounting* 50 percent of any late charges collected by the Servicer more than 30 days after the Due Date of the related installment.
 - During the period in which the adjustable interest rate is in effect, the Servicer must remit to Freddie Mac *Multifamily Loan Accounting* 50 percent of all late charges collected by the Servicer.
 - Freddie Mac reserves the right to waive any late charge, in its discretion.
- The Servicer must remit all collected default interest to Freddie Mac *Multifamily Loan Accounting*.

b. Mortgages originated prior to July 8, 1992 (08/30/13)

For Mortgages, other than TAH bond credit enhancement Mortgages, originated prior to July 8, 1992, the Servicer may retain late charges and default interest as additional Servicing compensation. In imposing late charges and/or default interest, the Servicer

- May collect increased interest (default interest) during Delinquencies or other defaults only to the extent expressly provided for in the Note
- May not impose any late charge for any monthly installment received within 10 days after the payment is due (If the grace period ends on a weekend or holiday, it is extended to the next Business Day.)
- May not impose a late charge in an amount more than five percent of the monthly principal and interest installment that is late (or any lesser amount specified in the Note)

c. Collection of late charges and default interest (04/30/13)

To the extent permitted by applicable law, the Servicer must use its best efforts to collect unpaid late charges and default interest. For example, if allowable under local law, the Servicer must require the Borrower to pay such amounts prior to release of the Mortgage.

For all Mortgages, regardless of the date of origination or any provision to the contrary in the Loan Documents, the Servicer may not use any of the following methods to collect due and unpaid late charges or default interest:

- Charging the Borrower's Reserves
- Deducting from a regular payment of the monthly installment
- Deducting from a payment made to partially or fully cure a Delinquency
- Adding to the outstanding principal balance of the Mortgage
- Bringing a legal collection action against the Borrower, unless
 - The Servicer projects that the expected recovery will exceed the cost of the action, and
 - The Servicer obtains the prior written consent of Freddie Mac for such action

d. Waiver of the collection of a late charge (04/18/24)

For all fixed-rate Mortgages, the Servicer has the authority to waive, without the consent of Freddie Mac, the collection of a late charge for a payment received less than 30 days after the scheduled payment date. The Servicer may grant this waiver up to three times during the life of a Mortgage, provided that:

- The Servicer determines that the Borrower has a justifiable reason for the request,
- The late payment is not due to cash flow problems, and
- The Mortgage:
 - Has not been late within the last 12 months,
 - Has a Risk Rating of six or less
 - Is not in default,
 - Has not been securitized, and
 - Is not credit-enhanced by a third party.

If the late payment is due to cash flow problems, the Seller/Servicer may not waive the late charge and must contact Freddie Mac *Multifamily Asset Management, Borrower Transactions*

or, for Structured Transactions, Multifamily Asset Management, Structured Transactions, to approve this request.

The Servicer may only agree to a third waiver request if the Borrower agrees to, or in the case of a fixed-rate SBL Mortgage, is already required to, auto-debit the required payment for a minimum of the next 12 months.

The waiver must be approved by a supervisor or a higher-level manager of the Servicer and the Servicer must notify Freddie Mac of any actions taken under the delegated approval within 30 days of the effective date of the approval by electronically delivering to Freddie Mac the General Servicing Request, along with any supporting documentation.

The Servicer must document the waiver and retain evidence of the waiver in the Mortgage File. The Servicer may not waive collection of any late charge payable under the Note for an ARM, an SBL Hybrid ARM, or a TAH bond credit enhancement Mortgage.

e. Request for waiver (04/18/24)

After a Servicer has granted three waivers of the collection of late charges per Section 43.7(d), or if Section 43.7(d) otherwise does not permit the Servicer to approve a waiver request, if the Servicer determines that a waiver is necessary or desirable, the Servicer must take the following actions:

1. Enter the waiver request into CRT. The CRT record should be created with the selection that Freddie Mac approval is required for Mortgages owned by Freddie Mac.
2. Electronically deliver the General Servicing Request form, including any necessary supporting documentation.

43.8 Casualty losses and natural disaster losses (09/14/23)

a. Form 1140, Hazard Loss Notification (09/14/23)

1. Form 1140, Part I – Notification

The provisions of Section 43.8(a)(1) apply to a Mortgage secured by a Property that suffers a loss or damage and meets any of the following conditions:

- There has been an event of default under the Loan Documents
- Death or serious injury has resulted from the event
- The Mortgage is an SBL Mortgage and the estimated loss is greater than \$25,000
- The Mortgage is a non-SBL Mortgage and the estimated loss is greater than \$50,000

As soon as possible, but in no event more than 14 calendar days after a Servicer learns that a loss or damage has occurred with respect to a Property, regardless of whether the Borrower plans to submit an insurance claim, the Servicer must

- Complete Form 1140, Part I - Notification

- Upload the completed form to the Document Management System (DMS), using the “File Submission” link to “Submit to Hazard Loss”

If the restoration is already 100 percent complete, the Servicer must upload a fully completed Form 1140, Part I – Notification and either a fully completed Part I – Follow Up or Part II – Restoration Plan for Approval (depending on whether Freddie Mac approval is required under Section 43.8(a)(3)) to DMS and use the “File Submission” link to “Submit to Hazard Loss”.

2. Form 1140, Part I – Follow Up

If none of the Freddie Mac approval conditions listed in Section 43.8(a)(3) exist, then within 90 calendar days after the Servicer submitted Part I – Notification, or earlier upon Freddie Mac request, the Servicer must upload a fully completed Part I – Follow Up to the corresponding Property Reporting System (“PRS”) entry.

3. Form 1140, Part II – Restoration Plan for Approval:

If none of the Freddie Mac approval conditions listed below exist, then the Servicer is not required to complete Part II of Form 1140.

If one or more of the following conditions exists, Freddie Mac approval of the Borrower’s restoration plans is required:

- There has been an event of default under the Loan Documents
- Death or serious injury has resulted from the event
- The percentage of units that sustained any damage is 10 percent or more of the Property’s total units
- The estimated loss amount is greater than \$500,000 or 10 percent of the outstanding UPB
- For non-SBL Mortgages, the estimated loss exceeds the Borrower Proof of Loss Maximum (as defined in the Loan Agreement)
- The Mortgage has not been securitized, has a Risk Rating greater than six and the estimated loss is greater than \$50,000
- The Borrower’s insurance coverage is insufficient to cover the loss to the Property or loss of rents/business income and the estimated loss amount is greater than \$50,000

If Freddie Mac approval is required for the Borrower’s restoration plans, the Servicer must complete Form 1140, Part II – Restoration Plan for Approval within 90 calendar days after the Servicer submitted Part I – Notification, and provide it to Freddie Mac as follows:

- If the Servicer has not previously submitted Form 1140, Part I – Notification, the Servicer must upload the completed Part I – Notification and Part II to DMS and use the “File Submission” link to “Submit to Hazard Loss”
- If the Servicer has previously submitted Form 1140, Part I – Notification, the Servicer must upload Part II – Restoration Plan for Approval directly to the corresponding PRS entry

Freddie Mac will review the Servicer's recommendations and provide its approval or directions for alternate action. Under most circumstances, Freddie Mac will delegate responsibility for managing and approving disbursement requests to the Servicer. If delegation of disbursement requests is not approved, the Servicer must submit Form 1140-DR to the corresponding PRS entry.

If the Servicer is requesting approval to permit the Borrower to pay down the Mortgage in lieu of restoring all or a portion of the damaged Property, the Servicer must make a Consent Request Tracker (CRT) entry and submit corresponding consent request approval documentation to Freddie Mac.

b. Reserved (03/30/12)

c. Use of insurance proceeds (06/30/16)

1. The Servicer must require the Borrower to obtain either a "repair or replacement" settlement to use the insurance proceeds to rebuild/repair the damaged Property or to obtain an "actual cash value" settlement to pay down the principal balance of the Mortgage; the type of settlement required for the Mortgage will be determined in Freddie Mac's discretion in accordance with the applicable terms of the Loan Documents, and additionally for SBL Mortgages, in accordance with Sections 43.8(c)(3) and 43.8(c)(4). If, in its discretion, Freddie Mac requires that the Borrower obtain an actual cash value settlement to use the proceeds to pay down the principal balance of the Mortgage, the Borrower may request that the Servicer and Freddie Mac review current income and expense information to assess the economic viability of the Property and reconsider the decision regarding the use of the proceeds.
2. Unless the Loan Documents provide otherwise, if the Borrower uses the proceeds to pay down the principal balance of the Mortgage, no prepayment premium will be assessed with respect to that payment. If 20 percent or more of a building or Property is damaged or destroyed and Freddie Mac agrees to allow the use of the proceeds to repair or rebuild the Property, Freddie Mac may, in its discretion, require that the Servicer hold the proceeds in escrow and disburse them as work is completed in a workmanlike manner, bills are presented and the work is inspected.
3. For SBL Mortgages, if none of the conditions set forth in Section 43.8(c)(4) exist, then following a casualty that results in damage to the Property for which the cost of repairs will be less than \$100,000, the Servicer may authorize the Borrower to make proof of loss and adjust and compromise the claim without the prior consent of Freddie Mac, and the Servicer must hold the applicable insurance proceeds to be used to reimburse the Borrower for the cost of restoration of the Property and will not apply such proceeds to the payment of the principal amount of the SBL Mortgage.
4. For SBL Mortgages, Freddie Mac may require the Servicer to apply insurance proceeds to pay down the principal balance of the SBL Mortgage if Freddie Mac determines, in Freddie Mac's discretion, that any of the following conditions are exist:
 - An event of default (or any event, which, with the giving of notice or the passage of time, or both, would constitute an event of default) has occurred and is continuing.

- There will not be sufficient funds from insurance proceeds, anticipated contributions of the Borrower of its own funds or other sources acceptable to Freddie Mac to complete the restoration.
- The rental income from the Property after completion of the restoration will not be sufficient to meet all operating costs and other expenses, deposits to reserve funds required by the Loan Agreement and loan repayment obligations relating to the Property.
- The restoration will be completed less than (i) six months prior to the maturity date of the loan if re-leasing will be completed prior to the maturity date, or (ii) 12 months prior to the maturity date if re-leasing will not be completed prior to the maturity date.
- The restoration will not be completed within one year after the date of the loss or casualty.
- The casualty involved an actual or constructive loss of more than 30 percent of the fair market value of the Property, and rendered untenable more than 30 percent of the residential units of the Property.
- After completion of the restoration the fair market value of the Property is expected to be less than the fair market value of the Property immediately prior to such casualty (assuming the affected portion of the Property is re-let within a reasonable period after the date of such casualty).
- Leases covering less than 35 percent of the residential units of the Property will remain in full force and effect during and after the completion of restoration.

d. Servicer responsibilities following a casualty loss (09/14/23)

Upon learning of loss or damage to the Property, the Servicer must

1. Verify the extent of the loss or damage to the Property, including any impact on the habitability of units, health and safety of residents, condition of common areas, and the expected effect on the occupancy and financial strength of the Property.
2. Complete and submit Parts I and II of the Form 1140, Hazard Notification and Plan, in accordance with Sections 43.8(a) and (b) above.
3. Ensure that the Borrower has taken all necessary and timely steps to
 - a. Secure the Property
 - b. Give adequate notice of the loss to the insurance carriers
 - c. Process the claim
 - d. If applicable, file for any disaster relief aid and notify Freddie Mac of the filing
4. Ensure that all insurance proceeds are delivered to the Servicer in the form of checks or drafts made jointly payable to Freddie Mac in care of the Servicer and to the Borrower.

Freddie Mac hereby grants the Servicer authority to endorse such checks or drafts on Freddie Mac's behalf.

5. Ensure the judicious disbursements of insurance proceeds. The Servicer may only disburse insurance proceeds to a Borrower or release the proceeds from escrow upon the Servicer's verification that the work the funds will pay for has been satisfactorily completed.

If Freddie Mac approval of the Servicer's recommendation is required, the Servicer may not make any disbursements of insurance proceeds to the Borrower until Freddie Mac has given its written approval to the Servicer regarding the handling of the loss or damage.

- Under most circumstances, the Servicer will be responsible for managing and approving disbursement requests. However, if Freddie Mac approval of disbursement requests is required, the Servicer must complete and submit to Freddie Mac Form 1140-DR, Hazard Loss Disbursement Request, for each draw request. The Servicer may not make any disbursements of insurance proceeds to the Borrower until Freddie Mac has received this form and has provided Freddie Mac's written approval to the Servicer of the Servicer's recommendations regarding the disbursement of insurance proceeds. For an SBL Mortgage, the Servicer's recommendation must include a confirmation that none of the conditions set forth in Section 43.8(c)(4) exist. The first Form 1140-DR, Hazard Loss Disbursement Request, may be submitted with Part II – Restoration Plan for Approval of the Form 1140, Hazard Loss Notification and Plan, if the situation requires simultaneous review of the hazard loss recommendations and the first Disbursement Request.
 - If Freddie Mac approval of disbursements is not required, the Servicer is not required to complete or submit the Form 1140-DR.
 - The Servicer is responsible for monitoring the repair or restoration of the Property, including, when appropriate or in Freddie Mac's discretion, the employment of a qualified inspector or physical engineer to inspect the repairs or restoration.
6. Protect the priority of the Mortgage by obtaining, when the Servicer deems it necessary in the exercise of its prudent judgment or when required by Freddie Mac, waivers or releases of liens from all contractors and suppliers supplying labor or materials for the repairs and restorations.
 7. Record in the servicing loss file details of the loss or damage, the repairs or restoration to the Property, and disposition of insurance proceeds. Include any inspection reports (with photographs) completed by Servicer or third parties of the initial damage, progress inspections and completion inspection.

e. Freddie Mac Annual Inspection Form (AIF) (06/28/13)

In any subsequent AIF the Servicer must report on the status of the loss until it is fully resolved.

f. Notice of completion of restoration of the Property (09/14/23)

The Servicer must use its prudent judgment in determining whether all loss or damage has been resolved or repaired, as applicable. The Servicer may take the following actions, as appropriate,

to ensure full remediation has taken place:

- Employing a qualified inspector or physical engineer to inspect the repairs or restoration
- Obtaining waivers or releases of liens from all contractors and suppliers supplying labor or materials for the repairs and restorations
- Requiring the Borrower to submit the Freddie Mac Multifamily Completion of Restoration Certificate when Freddie Mac restoration plan for approval is required

Within 30 days after the Servicer determines and documents that full remediation has occurred, the Servicer must provide written notification to Freddie Mac *Multifamily Asset Management, Surveillance Compliance* via email at MF_Loan_Compliance@freddiemac.com or upload to the corresponding Loan Item Tracking (“LIT”) in the Property Reporting System (“PRS”). If the Servicer reports closure of the item in any other report to *Multifamily Asset Management*, the Servicer is held to the same standard regarding ensuring full remediation of the loss or damage.

g. Servicer responsibility following a natural disaster loss (09/14/23)

When a Servicer learns of a natural disaster (hurricane, earthquake, flood, tornado, etc.) via media or otherwise, the Servicer must take the following steps:

- Review its Freddie Mac Servicing portfolio and identify Properties potentially impacted by a Federal Emergency Management Agency (FEMA) Major Disaster declaration authorizing Individual Assistance
- Contact the Borrower for each potentially impacted Property to determine if the Property suffered any damage due to a natural disaster and if so, the extent of such damage

Note that FEMA Major Disaster areas authorized for Individual Assistance are designated by county and a Property may not be specifically located within the area of the county actually impacted by a disaster (wildfires for example).

Therefore, the Servicer should:

- Perform additional due diligence and assess and monitor local information available to determine if damage could have occurred at a Property; and
- Contact a Borrower in instances where the Servicer is unable to determine if a Property lies within an area of a FEMA designated county actually impacted by a natural disaster
- Promptly send an email to *Multifamily Asset Management, Surveillance Compliance* via email at MF_Loan_Compliance@freddiemac.com listing the potentially impacted Properties and initial details as to whether damage occurred

If the natural disaster has resulted in losses or damage to a Property the Servicer must

1. Verify the extent of the losses or damages

2. Secure any abandoned Property
3. Assist the affected Borrower in filing for any disaster relief aid available
4. Notify Freddie Mac *Multifamily Asset Management, Surveillance Compliance* via email at MF_Loan_Compliance@freddiemac.com to determine appropriate follow-up actions and instructions regarding repairs

43.9 Reserved (06/30/16)

43.10 Easements (04/18/24)

This Section 43.10 does not apply to Infrastructure Agreement Servicing Requests, as described in Section 43.32.

a. Easements the Servicer is permitted to approve (04/18/24)

1. During any period in which Freddie Mac owns the Mortgage, the Servicer may approve the types of easements described in Section 43.10(a)(3) if all the following conditions are satisfied:
 - The Servicer determines, in its discretion, that the easement will not materially affect the operation or value of the Property or Freddie Mac's interest in the Property.
 - The Borrower is not requesting that Freddie Mac subordinate the lien of its Mortgage to the easement. For any such Borrower request, see Section 43.10(e).
 - The Servicer has not received notification from Freddie Mac that the Mortgage has been designated for inclusion in a Securitization.
 - The Mortgage does not back a Freddie Mac Multifamily Participation Certificate, a Freddie Mac Bond Credit Enhancement transaction or a Freddie Mac tax-exempt or taxable Multifamily bond securitization.
 - There are no investors who have provided credit enhancements for the Mortgage other than a Seller/Servicer, the Borrower or an Affiliate of the Borrower.
2. The Servicer must enter the Borrower request into the Consent Request Tracker as required by Section 36.25. The Consent Request Tracker record should be created with the selection that Freddie Mac approval is not required for Mortgages owned by Freddie Mac.
3. For any Mortgage which meets the requirements of Section 43.10(a)(1), the Servicer may approve the following types of easements:
 - A. Easements for local residential distribution of gas, water, electricity or other public utilities that do not have any adverse effect on the value of the Property.
 - B. Infrastructure Agreements constituting easements that Servicer is permitted to approve under Section 43.32.

- C. Easements for the benefit of a third party (other than for local residential distribution of gas, water, electricity or other public utility) if all the following conditions are satisfied:
- i. The Servicer has determined that there is no material adverse impact on the Property's value, operation, access, marketability, or on the income production of units or other income-producing improvements.
 - ii. The Property secures a Mortgage having a UPB of \$30 million or less as of the date of the Borrower's easement application with the Servicer.
 - iii. The Property secures a Mortgage with a Risk Rating of six or less.
 - iv. The Mortgage is current, with no evidence of default.
 - v. Compensation for the easement is less than the lesser of 0.5 percent of the UPB or \$100,000.

The Servicer must electronically deliver a copy showing the required information as soon as such information is available.

Freddie Mac will determine whether to approve the proposed partial release and will advise the Servicer, in writing, of that decision. Freddie Mac may require that any consideration being paid to the Borrower for the released land be applied to the UPB of the Mortgage to obtain an LTV Ratio no higher than the LTV Ratio of the Mortgage immediately before the partial release or to reduce the LTV Ratio (if Freddie Mac determines that the intended use of the released land would adversely affect the value of the remaining Property).

The approval letter will set forth any further requirements and will require the Servicer to collect a counsel fee to reimburse Freddie Mac for the fees, expenses and costs of Freddie Mac's legal counsel, including its in-house counsel. The Servicer must remit the counsel fee by wire transfer to Freddie Mac at the same time it submits the approval letter that the Servicer executes and returns to evidence its acceptance of the terms, or as otherwise instructed in the approval letter. The Servicer must deliver a copy showing the required information as soon as such information is

available.)

- Advise Freddie Mac whether either of the following circumstances exists:
 - The Property will be taken in whole and the consideration to be paid to the Borrower will be insufficient to satisfy the UPB of the Mortgage
 - The Property will be taken in part and the ratio of the UPB of the Mortgage to the current appraised value of the remaining Property is higher than the LTV Ratio of the Mortgage immediately before the taking, even after applying any consideration to reduce the UPB of the Mortgage.

b. Additional requirements applicable to SBL Mortgages (06/30/16)

Subject to the terms of the Loan Agreement (including Section 6.11(c) of the Loan Agreement), in the event of a partial condemnation of the Property, if the Servicer has determined that no event of default, or any event which, with the giving of notice or the passage of time, or both, would constitute an event of default, has occurred and is continuing, then in the event of a partial condemnation resulting in proceeds or awards in the amount of less than \$100,000, the Servicer may authorize the Borrower to make proof of loss, adjust and compromise the claim and collect and receive any proceeds directly without the approval or prior consent of Freddie Mac so long as the proceeds or awards are used solely for the restoration of the Property.

In the event of a partial condemnation of the Property resulting in proceeds or awards in the amount of \$100,000 or more and subject to the terms of the Loan Agreement, Freddie Mac may require the Servicer to apply condemnation proceeds to the principal balance of the Mortgage if Freddie Mac, in Freddie Mac's discretion, determines that any of the following conditions is met:

Guide Bulletin Update [04/18/24](#) [10/17/24](#) Chapter 43 – Page 31

- An event of default (or any event, which, with the giving of notice or the passage of time, or both, would constitute an event of default) has occurred and is continuing.
- There will not be sufficient funds from condemnation proceeds, anticipated contributions of Borrower of its own funds or other sources acceptable to Freddie Mac to complete the restoration.
- The rental income from the Property after completion of the restoration will not be sufficient to meet all operating costs and other expenses, deposits to Reserve funds and Mortgage repayment obligations relating to the Property.
- The restoration will not be completed at least one year before the maturity date of the Mortgage (or six months before the maturity date if re-leasing of the Property will be completed within such six-month period).
- The restoration will not be completed within one year after the date of the condemnation.
- The condemnation involved an actual or constructive loss of more than 15 percent of the fair market value of the Property, and rendered untenable more than 25 percent of the residential units of the Property.
- After restoration the fair market value of the Property is expected to be less than the fair market value of the Property immediately prior to the condemnation (assuming the affected portion of the Property is re-let within a reasonable period after the date of the condemnation).
- Leases covering less than 35 percent of residential units of the Property will remain in full force and effect during and after the completion of restoration.

43.13 Maturing Mortgages (04/18/24)

As a Mortgage approaches its maturity date, the Servicer must maintain contact with the Borrower and must keep Freddie Mac informed about the Borrower's plans regarding payoff of the Mortgage. Approximately six months prior to the maturity date of the Mortgage, *Multifamily Special Servicing* may request the Servicer to complete a Form 1101, Legal Referral Form, and provide certain other information. The Servicer must return the completed Form 1101 and any other requested information to Freddie Mac within 10 days of the request.

a. Refinance candidates (06/27/19)

The Servicer must evaluate each maturing Mortgage to determine whether the Mortgage may qualify for refinancing under a Freddie Mac purchase program or product and whether the Borrower is interested in pursuing such a refinance. The Servicer must advise Freddie Mac of the results of its analysis. Additional action to be taken depends upon whether the Servicer is a member of the Optigo Lender network.

1. If the Servicer is a member of the Optigo Lender network

If the Mortgage appears to qualify for a refinancing under a Freddie Mac purchase program

Guide Bulletin Update 04/18/24 10/17/24 Chapter 43 – Page 32

or product and the Borrower is interested, the Seller/Servicer must contact the Applicable Freddie Mac *Multifamily Regional Office* to initiate a transaction.

2. If the Servicer is not a member of the Optigo Lender network

Freddie Mac may, in its sole discretion, elect to provide the Borrower with a list of Optigo Lenders for the geographic region in which the Property is located.

b. Monitoring of payoff plans (04/18/24)

The Servicer must keep Freddie Mac informed of the Borrower's efforts to secure alternate refinancing or to market and sell the Property to pay off the maturing Mortgage.

1. Letters to Borrower

The Servicer must send letters to the Borrower at the following times, requesting information about the Borrower's plans to pay off the Mortgage at maturity:

- Nine months prior to maturity
- Six months prior to maturity, if the Borrower has not responded to the previous letter
- Three months prior to maturity, if the Borrower has not responded to any prior letters

The Servicer may send each letter by certified mail, return receipt requested or via email. A copy of the Servicer's letter and any Borrower response must be sent to the assigned *Multifamily Asset Resolution Analyst* upon request.

Each letter listed above must emphasize that Freddie Mac expects that the Mortgage will be paid in full in accordance with its terms on or before the maturity date and that a failure to do so will constitute a default under the terms of the Mortgage.

2. Additional contacts with Borrower

If the Servicer has received no response from the Borrower within 30 days following its letter sent six months prior to the maturity date, the Servicer must attempt to contact the Borrower by telephone or in person to request the information regarding the Borrower's plans to pay off the Mortgage at maturity.

If the Servicer has not received a request for a payoff statement by the 30th day prior to the maturity date of the Mortgage, the Servicer must attempt to contact:

- The Borrower by telephone to confirm Borrower's source of funds to pay off the Mortgage at maturity, or
- The new lender directly for confirmation of its commitment to the Borrower, in the case of a third-party refinance.

3. Extensions

On a case-by-case basis, Freddie Mac may consider extension of a Mortgage to enable a Borrower to obtain funds to pay off a maturing Mortgage. Any extension will be on conditions specified by Freddie Mac. Those terms may include payment of an extension fee, an increase in the Mortgage interest rate, revised amortization, a paydown of the loan amount, and payment of all administrative costs in connection with the extension.

c. Transfer of Servicing of a matured Mortgage (10/07/08)

If a Mortgage has not been paid in full by its maturity date, Freddie Mac may, in its sole discretion, transfer Servicing of that Mortgage to another Servicer. If Freddie Mac elects to transfer Servicing of the matured Mortgage, the existing Servicer will not be compensated and must cooperate fully with Freddie Mac and the transferee Servicer.

43.14 Modification; release; waivers (06/17/21)

a. Limits on Servicer (04/30/13)

The Servicer must not modify, waive or release any term of any Note, Security Instrument or other Loan Document, accept any prepayment, or consent to any postponement of performance by any Borrower of any obligation under a Note, Security Instrument or other Loan Document except as authorized by the Purchase and Servicing Documents.

b. Collateral release (06/17/21)

For the requests listed below, the Servicer must complete and electronically deliver to Freddie Mac a written request and recommendation using the Release/Extension of Monetary Collateral Request, attaching any necessary supporting documentation to include:

1. Release or reduction of Guaranty
2. Release of Rental Achievement Agreement
3. Release of Letter of Credit
4. Release of other Reserve

c. Waivers (06/17/21)

The Servicer must complete and submit a waiver request via the Freddie Mac Insurance Compliance Tool (ICT), which must include the Servicer's analysis along with the Servicer's recommendation for action, to request any waiver of the insurance requirements if the right to grant such a waiver has not been delegated to the Servicer. A certificate executed by a Chief Servicing Officer will not be required for any such request.

For any other type of waiver or requested adjustment to the Loan Documents, the Servicer must complete and submit a General Servicing Request and a certificate executed by a Chief Servicing Officer, both of which are available at <https://mf.freddie.com/lenders/guide/> under Forms for Asset Management.

43.15 Rate Reset Mortgages (04/30/19)

a. Submission of information to Freddie Mac (04/30/19)

Within 10 days following receipt of notice that the Borrower wishes to exercise its option to extend the term of a Rate Reset Mortgage and reset the interest rate, the Servicer must notify Freddie Mac *Multifamily Asset Management, Structured Transactions*. The Borrower must notify the Servicer of its intent to exercise the Rate Reset option no earlier than 180 days, and no later than 110 days prior to the maturity date of the original term. The Servicer must deliver the following items to Freddie Mac *Multifamily Asset Management, Structured Transactions*:

1. A copy of the Borrower's notice to the Seller
2. A certificate in a form acceptable to Freddie Mac, stating the following for each Borrower and Borrower Principal:

 - Default experience with respect to any Mortgage made by the same Borrower and held by Freddie Mac during the original Mortgage term
3. An AIF, dated within 60 days prior to submission
4. The Servicer's written analysis of whether the Borrower meets all requirements specified in the applicable Loan Documents for approval of the request to extend the Mortgage term and to reset the interest rate

The Servicer must remit the Rate Reset fee received from the Borrower by wire transfer. Unless otherwise specified in the Loan Documents, the fee must be equal to the amount set forth in Exhibit 10. The Servicer must obtain wire transfer instructions from Freddie Mac *Multifamily Asset Management, Structured Transactions*. The Servicer must send the wire transfer to the attention of *Multifamily Cash Management*. The wire transfer must reference the Property name, the Freddie Mac contact person and the Freddie Mac loan number.

Freddie Mac will review the materials submitted by the Servicer and will make its determination whether the Borrower meets the applicable requirements for extension of the Mortgage term and resetting of the interest rate.

c. Notification and determination of eligibility for Rate Reset and extension (05/06/05)

Within 30 days after receipt of all documents from the Servicer as specified in Section 43.15(a), Freddie Mac will make a determination on whether the Borrower is eligible to extend the Mortgage term and reset the interest rate, and will deliver written notice of its determination to the Servicer.

1. Adverse determination

If Freddie Mac determines that the Borrower has not met all conditions for exercise of the option, Freddie Mac will return the Borrower's Rate Reset fee to the Servicer.

2. Approval determination

If Freddie Mac determines that the Borrower has met all conditions for exercise of the option, the Borrower's Rate Reset fee will be nonrefundable, and the notice will specify

- The period that is not more than 70 days or less than 60 days prior to the original maturity date of the Mortgage during which the Servicer must lock the interest rate for the extended term, and
- The procedure that the Servicer must use to lock the reset interest rate

d. Execution of extension documentation (05/06/05)

After the Servicer locks the rate for the extended term, Freddie Mac will deliver to the Servicer the documentation (with instructions for completion) to be executed by the Borrower to evidence the reset interest rate effective during the extended term, the new monthly payment amount and the new maturity date of the Mortgage. The Servicer must arrange for the prompt execution and recording of the required documents.

e. Delivery of extension documentation to Freddie Mac (05/31/12)

The Servicer must deliver the following to Freddie Mac *Multifamily Asset Management, Structured Transactions* at least 30 days prior to the maturity date of the original term of the Mortgage:

- Originals of any other documents required by Freddie Mac, and
- If required by Freddie Mac, an endorsement to the title insurance policy in a form acceptable to Freddie Mac and at no expense to Freddie Mac, insuring the continuing First Lien priority of the Mortgage following the extension of the Mortgage term and resetting of the interest rate

If required by Freddie Mac, the Servicer must deliver the original recorded documents to Freddie Mac *Multifamily Asset Management, Structured Transactions* as soon as the Servicer receives them from the recorder or clerk.

f. Reimbursement of Servicer's costs (05/06/05)

The Servicer may obtain from the Borrower reimbursement of the Servicer's actual costs incurred in connection with the execution and recording of the documents evidencing the terms of the extended Mortgage, including attorneys' fees, recording costs and other out-of-pocket expenses.

g. Borrower's failure to complete extension process (05/06/05)

If the Borrower fails to complete the extension and Rate Reset process following a determination by Freddie Mac that the Borrower satisfies all conditions for exercise of the extension option, then Freddie Mac will retain the Borrower's Rate Reset fee, and the Mortgage will be due and payable in full on its original maturity date.

43.16 Risk detection and notification; Risk Ratings and monitoring responsibilities (06/29/17)

a. Loan compliance and risk detection responsibilities (05/01/14)

Upon receipt of the email notification, a representative from Freddie Mac will contact the Servicer to discuss the OFAC match and any potential next steps. Freddie Mac may also require the Servicer to provide documentation or additional information regarding the OFAC match.

Notifying Freddie Mac of a confirmed match against the OFAC SDN List or Consolidated Sanctions List does not absolve the Servicer from its responsibility to file any reports with OFAC, as required by OFAC Regulations.

43.29 Subordinate Financing for non-SBL Mortgages (04/18/24)

a. Conditions for Freddie Mac approval of Subordinate Financing for a non-SBL Mortgage (06/30/16)

For any Mortgage purchased for Securitization, Freddie Mac does not permit Subordinate Financing other than Subordinate Financing pursuant to the Freddie Mac Multifamily Supplemental Mortgage Product.

For any other Mortgage, Freddie Mac may, in its sole discretion, consider allowing Subordinate Financing if Freddie Mac determines that the Property would benefit from the Subordinate Financing. If the Loan Documents either require the noteholder's consent to place any Subordinate Financing on the Property or prohibit Subordinate Financing (but Freddie Mac has agreed to consider the Borrower's request), then the Servicer must electronically deliver to Freddie Mac a written request and recommendation for such modification using the General Servicing Request, attaching documentation addressing each item required in Section 43.29(b).

Freddie Mac may reject a request for Subordinate Financing at its discretion. Freddie Mac will consider consenting to Subordinate Financing only if the request meets the following conditions (However, the fact that the Subordinate Financing meets these requirements does not mean that Freddie Mac is obligated to consider or approve the Subordinate Financing.):

1. The subordinate lender must enter into the standard Freddie Mac Subordination Agreement, which provides, among other things, that the subordinate lender will
 - Provide notice of default to Freddie Mac,
 - Give Freddie Mac the right (but not the obligation) to cure defaults, and
 - Not exercise its remedies under the Subordination Agreement for the period specified in the Subordination Agreement after notice to Freddie Mac in which it sets forth the specific remedy that the subordinate lender intends to exercise.
2. The Subordination Agreement must be recorded in the land records of the jurisdiction in which the Property is located.
3. The combined debt may not result in a Loan-to-Value (LTV) Ratio that exceeds 85 percent and the combined debt service may not result in a Debt Coverage Ratio (DCR) that is below 1.20x.
4. The Subordinate Financing must be based on a fixed interest rate for the entire term or an adjustable interest rate with a rate cap for the entire term.
5. If the Subordinate Financing is not fully amortizing, the maturity of the Subordinate Financing must be at least equal to the maturity of the Freddie Mac Mortgage.
6. The Servicer must perform a refinance test acceptable to Freddie Mac on the combined debt.
7. All tax and insurance Reserves must be in place, or the Borrower must agree to establish such Reserves.
8. The Servicer must analyze any Replacement Reserve based on the current condition of the Property. If the Property is not being properly maintained, Freddie Mac will reject the Subordinate Financing request unless at least one of the following conditions is met:
 - The Borrower's monthly Replacement Reserve deposit is increased to a sufficient level to adequately maintain the Property, or
 - A Replacement Reserve is established with ongoing funding requirements, and/or
 - The Borrower makes identified repairs prior to incurring the Subordinate Financing.
9. The Subordinate Financing must not provide for recourse against the Borrower or a third-party guarantor by a Borrower Principal.
10. The Borrower must be a single asset entity. If the Loan Documents for the Freddie Mac Mortgage do not require the Borrower to be a single asset entity, then Freddie Mac will require the Borrower to amend the Loan Documents to include such a requirement.

11. The Property must have an acceptable operating history and the Borrower must have an acceptable Mortgage payment history during the period the Borrower has owned the Property. No event of monetary or nonmonetary default may have occurred during the term of the Mortgage.
12. The Servicer's counsel must have provided a preliminary legal issues memorandum meeting the requirements of Section 6.4.

b. Information required with a request for Freddie Mac approval of Subordinate Financing (04/13/23)

If a Borrower requests Freddie Mac's approval of Subordinate Financing, the Servicer's package must include:

1. A nonrefundable review/processing fee in the amount specified in the Loan Documents, or, if no amount is specified, in the amount set forth in Exhibit 10 (The Servicer may retain 50 percent of the review/processing fee and must remit the remaining 50 percent to Freddie Mac when submitting the application for the Subordinate Financing. The Servicer must remit the fee by wire transfer and obtain wire transfer instructions from Freddie Mac *Multifamily Asset Management, Borrower Transactions* or Freddie Mac *Multifamily Asset Management, Structured Transactions*, as applicable. The Servicer must send the wire transfer to the attention of *Multifamily Cash Management*. The wire transfer must reference the Property name, the Freddie Mac contact person and the Freddie Mac loan number. The Servicer may not charge the Borrower any additional fees for processing a request for Subordinate Financing.)
2. The Servicer's charge to the Borrower of a nonrefundable counsel fee of \$500 (The counsel fee is for the legal fees, expenses and costs of Freddie Mac's legal counsel, including its in-house counsel, and may exceed \$500 for complex transactions. Freddie Mac will collect the remainder of the fee, if applicable, after Freddie Mac issues the approval letter, and the Servicer must remit its payment by wire transfer. The Servicer must obtain wire transfer instructions from Freddie Mac *Multifamily Asset Management, Borrower Transactions* or Freddie Mac *Multifamily Asset Management, Structured Transactions*, as applicable. The Servicer must send the wire transfer to the attention of *Multifamily Cash Management*. The wire transfer must reference the Property name, the Freddie Mac contact person and the Freddie Mac loan number.)
3. A copy of a completed General Servicing Request. The Request must include the Servicer's analysis of the Subordinate Financing along with the Servicer's recommendation for action.
4. A copy of the signed commitment from the proposed subordinate lender, containing the Subordinate Financing amount, interest rate (including the factors relating to a floating rate), term to maturity and anticipated amount of annual debt service
5. Copies of the proposed Subordinate Financing loan documents that have been completed with the applicable loan amount, interest rate, payment schedules and all other transaction-related information (All Subordinate Financing loan documents must be approved by Freddie Mac prior to execution.)
6. Payment histories for any existing Subordinate Financing on the Property, including the amount of annual debt service

7. A description of the proposed use of the Subordinate Financing proceeds
8. Information about the proposed subordinate lender and its financial strength
9. A Freddie Mac Annual Inspection Form (AIF) dated within 180 days. (If the most recent AIF was not conducted within the previous 180 days, the Servicer must complete and submit an AIF.) The AIF can be found at <https://mf.freddiemac.com/lenders/asset/> under PRS Assessment.
10. An assessment by the Servicer of the Property condition, whether the funds held in the Replacement Reserve are adequate, and whether an increase in Replacement Reserve deposits and/or establishment of a Repair Reserve is required, based on the condition of the Property
11. Current credit report on any Borrower or Guarantor that is an individual. Credit reports must comply with the requirements set forth in Chapter 55
12. Financial statements for the Borrower and each Key Borrower Principal. Financial statements must comply with the requirements set forth in Chapter 55
13. Current property financial statements meeting the requirements set forth in Chapter 55, along with Servicer's DCR and LTV analysis
14. Current rent roll meeting the requirements set forth in Chapter 55
15. Title update report dated no earlier than 45 days before the date of the Subordinate Financing request
16. For all transactions in which the Borrower is a Cooperative (Co-op), an analysis of the potential impact of Subordinate Financing on the cash flow associated with any non-owner-occupied units (The Servicer must also analyze increased maintenance fees to owner-occupied units.)

c. Freddie Mac approval (04/30/19)

Freddie Mac will determine whether to approve the proposed Subordinate Financing and will advise the Servicer, in writing, of that decision. The approval letter will set forth any further requirements and will notify the Servicer if any additional counsel fee is due. The Servicer must remit any additional counsel fee by wire transfer at the same time the Servicer executes and returns the approval letter to Freddie Mac to evidence its acceptance of the terms. The Servicer must obtain wire transfer instructions from Freddie Mac *Multifamily Asset Management, Borrower Transactions or Structured Transactions as applicable*. The Servicer must send the wire transfer to the attention of *Multifamily Cash Management*. The wire transfer must reference the Property name, the Freddie Mac contact person and the Freddie Mac loan number.

If Freddie Mac approves the Subordinate Financing, the Servicer must deliver any document that must be signed by Freddie Mac, including the Subordination Agreement, in accordance with the approval letter issued by Freddie Mac.

**d. Documents required after settlement of Subordinate Financing (04/18/24)**

Within the time specified in the Freddie Mac approval letter, the Servicer must electronically deliver to Freddie Mac a copy, a certified copy or an original (as noted) of the following executed Subordinate Financing documents listed below.

If the provisions of this subsection require delivery of a certified copy of a filed or recorded document, the copy must show the recorder's stamp, book and page numbers or instrument numbers. If recorder or clerk delays make it impossible to effect timely delivery of a copy showing the required information, the Servicer may provide a copy that the Title Company or closing attorney has certified as a "true and correct copy of the recorded/filed original." The Servicer must then deliver to Freddie Mac a copy of the recorded/filed original showing the required information as soon as the copy becomes available.

1. Recorded Subordination Agreement (certified copy)
2. Subordinate note (copy)
3. Recorded Subordinate Financing security instrument (certified copy)
4. Any third-party guaranties executed in connection with the Subordinate Financing (copy)
5. Recorded or filed subordinate UCC financing statements (certified copy)
6. Settlement statement (copy)
7. Any new Replacement Reserve Agreement or Repair Reserve Agreement (original)
8. Modifications to any existing Freddie Mac Loan Documents, if required (original of any unrecorded modifications and certified copies of any recorded modifications)
9. A satisfactory endorsement to the title insurance policy covering the Freddie Mac Mortgage, effective as of the date of recordation of the security instrument for the Subordinate Financing, that insures that the lien of the Freddie Mac Mortgage is superior to the lien of the Subordinate Financing (The endorsement must also reflect the recordation of the security instrument for the Subordinate Financing and the Subordination Agreement.)

e. Warranties (09/28/18)

When a Servicer delivers the final Subordinate Financing documentation, the Servicer will be deemed to have made the warranties in Section 5.2, 5.4 and 5.5 as of the date of delivery to Freddie Mac of the documentation for the Subordinate Financing.

f. Unauthorized Subordinate Financing (08/30/13)

The Servicer must carry out Freddie Mac's instructions in dealing with proposed Subordinate Financing and must be alert to the unauthorized placement of Subordinate Financing on the Property. If the Servicer learns that unauthorized Subordinate Financing has been, or is about to be, placed on the Property, it must immediately notify Freddie Mac in writing.

43.30 Subordinate Financing for SBL Mortgages (04/18/24)

a. Conditions for Freddie Mac approval of Subordinate Financing for an SBL Mortgage (06/30/16)

For any SBL Mortgage securitized in an SBL Securitization, Subordinate Financing is permitted provided that each of the following conditions set forth below is met:

1. The subordinate lender is a Freddie Mac-approved Seller/Servicer at the time of origination of the Subordinate Financing.
2. The subordinate lender has not accepted applications from the Borrower for Subordinate Financing until after the settlement of the SBL Securitization that includes the SBL Mortgage.
3. If the Directing Certificateholder of the applicable SBL Securitization has the right to consent to the Subordinate Financing, the Directing Certificateholder has provided such consent within the time periods and under the conditions specified in the applicable Pooling and Servicing Agreement.
4. The Borrower pays all fees and other expenses of the Servicer of the SBL Mortgage required by such Servicer in connection with the Subordinate Financing.
5. The SBL Mortgage is not in default and is in good standing with satisfactory payment history.
6. The SBL Mortgage has three years or more remaining in its loan term.
7. The Subordinate Financing is not less than \$750,000.
8. The Subordinate Financing has a loan term equal to or longer than the remaining loan term of the SBL Mortgage but cannot exceed 30 years.
9. The start of any open or par period for the Subordinate Financing begins on or after the date of any open or par period for the SBL Mortgage.
10. The combined loan amount after the making of the Subordinate Financing does not result in a Loan-to-Value (LTV) Ratio that exceeds 80 percent and the combined debt service after the making of the Subordinate Financing does not result in a Debt Coverage Ratio (DCR) that is below 1.25x, using the following to calculate the LTV and DCR:
 - The combined loan amount used to calculate the LTV must be the aggregate outstanding principal balances of all of the following:
 - The SBL Mortgage
 - Any other previously originated subordinate financing
 - The proposed loan amount of the Subordinate Financing

- The value used to calculate the LTV is the value for the Property determined by using the as-is market value conclusion for the Property set forth in a third party current Appraisal that meets the requirements of Section 60.12.
 - When calculating the DCR and determining whether the DCR requirement has been met, the combined debt service must be the aggregate of the annual principal and interest payable on all of the following:
 - The SBL Mortgage
 - Any other previously originated subordinate financing
 - The proposed loan amount of the Subordinate Financing
 - Amortization Period: An interest only debt service calculation can only be used if the applicable loan term is full term interest only. In the case of partial interest only, the applicable amortization debt service is used even if the Mortgage is in an interest only period. For a fully amortizing Mortgage, the applicable amortization debt service must be used.
 - Interest Rate: For any Mortgage that has a fixed interest rate for its entire loan term, the debt service is calculated using the fixed interest rate then in effect. For any Mortgage that has an adjustable interest rate for any portion of its loan term and has entered into an adjustable interest rate period, debt service is calculated using the interest rate then in effect plus 100 basis points.
 - Net Operating Income (NOI) for DCR Calculation

The NOI is calculated using the year one pro forma net operating income at the Property using the direct capitalization approach concluded in a third party current Appraisal that meets the requirements of Section 60.12.
11. If the Borrower is required to be an SPE under the terms of the SBL Mortgage, then the Borrower's organizational documents have been amended to permit the Borrower to incur additional debt in the form of the Subordinate Financing.
 12. The Subordinate Financing loan documents contain a cross-default provision requiring a default under the SBL Mortgage to constitute an event of default under the Subordinate Financing.
 13. The Subordinate Financing does not provide for recourse against the Borrower or the Guarantor.
 14. The subordinate lender has entered into Freddie Mac's Intercreditor Agreement.
 15. The Intercreditor Agreement will be recorded in the land records of the jurisdiction in which the Property is located.
 16. If the subordinate lender requires the Borrower to fund Reserves for taxes, insurance premiums or ground rents under the Subordinate Financing, the Servicer of the SBL

Mortgage may require the collection of any such Reserves that are currently deferred under the SBL Mortgage. The collection of such Reserves under the SBL Mortgage will commence on the date that the Subordinate Financing is originated and continue for so long as the Subordinate Financing is outstanding.

If all of the conditions above are met, a subordinate lender may place one or more Subordinate Financings against the Property.

The requirements of this Section 43.30 are not to be construed to require the Servicer of the SBL Mortgage to agree to any changes to the SBL Mortgage other than to permit the Subordinate Financing to be placed against the Property and to meet the requirements of Section 43.30(a)(12).

b. Information required with a request for Subordinate Financing (06/30/16)

If a Borrower requests Subordinate Financing, the subordinate lender's package to the Servicer must include at a minimum:

1. A copy of the signed commitment from the proposed subordinate lender, containing the Subordinate Financing amount, interest rate (including the factors relating to a floating rate), term to maturity and amount of annual debt service.
2. A certification to the Servicer of the SBL Mortgage that the combined LTV/DCR requirements set forth in Section 43.30(a) have been satisfied.
3. Copies of the proposed Subordinate Financing loan documents that have been completed with the applicable loan amount, interest rate, payment schedules and all other transaction-related information.
4. The Intercreditor Agreement required by Section 43.30(a) executed by the subordinate lender.

c. Approval of the Subordinate Financing (06/30/16)

The Servicer of the SBL Mortgage must verify that the requirements of Section 43.30(a) have been met, then countersign the Intercreditor Agreement and return it to the subordinate lender within five days of such verification.

d. Documents required after settlement of Subordinate Financing (04/18/24)

The subordinate lender must electronically deliver to the Servicer of the SBL Mortgage a copy, a certified copy or an original (as noted) of the executed Subordinate Financing documents listed below.

If the provisions of this subsection require delivery of a certified copy of a filed or recorded document, the copy must show the recorder's stamp, book and page numbers or instrument numbers. If recorder or clerk delays make it impossible to effect timely delivery of a copy showing the required information, the subordinate lender may provide a copy that the Title Company or closing attorney has certified as a "true and correct copy of the recorded/filed original". The subordinate lender must then deliver to the servicer of the SBL Mortgage a copy

of the recorded/filed original showing the required information as soon as the copy becomes available.

1. Recorded Intercreditor Agreement (certified copy)
2. Subordinate Financing note (copy)
3. Recorded Subordinate Financing security instrument (certified copy)
4. Loan Agreement, if applicable (copy)
5. Any third-party guaranties executed in connection with the Subordinate Financing (copy)
6. Recorded or filed subordinate UCC financing statements (certified copy)
7. Settlement statement (copy)
8. Any new replacement reserve agreement or repair reserve agreement (copy)
9. Modifications to any existing SBL Mortgage Loan Documents, if required (original of any unrecorded modifications and certified copies of any recorded modifications)
10. A satisfactory endorsement to the title insurance policy covering the SBL Mortgage, effective as of the date of recordation of the security instrument for the Subordinate Financing, that insures that the lien of the SBL Mortgage is superior to the lien of the Subordinate Financing (The endorsement must also reflect the recordation of the security instrument for the Subordinate Financing and the Intercreditor Agreement.)
11. A copy of third party Appraisal
12. Copies of environmental analysis, if applicable

e. Unauthorized Subordinate Financing (06/30/16)

The Servicer of the SBL Mortgage must be alert to the unauthorized placement of Subordinate Financing on the Property. If the Servicer of the SBL Mortgage learns that unauthorized Subordinate Financing has been, or is about to be, placed on the Property, it must immediately notify Freddie Mac in writing.

43.31 General Servicing requirements for Credit Facilities (revolving lines of credit) (06/29/17)

NOTE: This section is not applicable to a Credit Facility with a Servicing Agreement.

If there is a conflict in terms between the Guide and the applicable Credit Agreement, then the terms used in the Credit Agreement will govern. Whenever used in this Section 43.31, the following words and phrases will have the meanings found in Section 43.31(a), below, unless the context requires otherwise.

**a. Defined terms (06/29/17)**

1. **Accounting Cutoff Date.** The Accounting Cutoff Date is defined in Section 50.8 of the Guide.
2. **Borrower.** Individually or collectively, as the context may require, each person or entity identified as “Borrower” in any Credit Agreement.
3. **Credit Agreement.** Individually or collectively, the applicable Credit Agreement or Credit Agreements, which has/have been assigned to Freddie Mac, and/or any subsequent Credit Agreement entered into by an affiliate of the Sponsor (as defined in the Credit Agreement) and Freddie Mac (or the Servicer, to be assigned to Freddie Mac). Parties to the Credit Agreement include the Borrower and the Servicer (as “Lender”).
4. **Credit Facility.** A revolving credit loan in a specified amount issued to the Borrower by a Servicer (as “Lender”) pursuant to the Credit Agreement.
5. **Credit Facility Documents.** The Loan Documents, as defined in the Credit Agreement, and all other documents evidencing, securing, perfecting and governing, whether delivered now or in the future, in connection with the Credit Facility, all of which have been assigned to Freddie Mac.
6. **Mortgaged Property.** Individually or collectively, as the context may require, the land, improvements and fixtures defined in the Credit Agreement as the Collateral Pool Property.
7. **Seller.** Servicer, in its capacity as Seller under the Commitment.
8. **Servicing Spread.** The fee set forth in the Commitment, calculated monthly on the aggregate principal balance of the Credit Facility outstanding during the previous month.

b. Undertaking to Service (06/29/17)

The Servicer will service the Credit Facility and the Credit Facility Documents in accordance with the Guide. Except as set forth in Sections 43.31(c)-(q), all references in the Guide to “Mortgage” or “Mortgages” will include the Credit Facility and all references in the Guide to “Loan Documents” will mean the Credit Facility Documents.

c. Additional collateral (06/29/17)

If any Borrower or any Proposed Borrower proposes to add additional Mortgaged Property to the Collateral Pool, then the Servicer must provide Freddie Mac with all applicable fees and materials required under the Addition of a Collateral Pool Property section of the Credit Agreement, and all documents and reports required to underwrite such additional collateral pursuant to Chapter 17 of the Guide.

No such addition of collateral will be effective unless and until Freddie Mac has reviewed, approved and executed the final forms of all documents to be delivered in connection with any such addition. The Servicer must collect from the Borrower all costs and expenses of Freddie Mac in connection with the addition of any such collateral, and remit those funds to Freddie Mac.

Upon delivery of the documents and fees to Freddie Mac as required under the Credit Agreement, the Servicer will have been deemed to have made to Freddie Mac all of the representations and warranties required under the Guide pertaining to a newly originated Mortgage as if the Servicer were assigning such documents to Freddie Mac pursuant to a sale of a Mortgage under the Guide, as modified by the terms of the Credit Agreement.

d. Release (06/29/17)

If a Borrower requests a release of a Collateral Pool Property that it is entitled to have released pursuant to the Release of a Collateral Pool Property section of the Credit Agreement, then the Servicer must provide Freddie Mac with a certification (“Servicer’s Release Certification”) at least five Business Days prior to the date on which Freddie Mac is required to effect the release, confirming each of the following to the best of the Servicer’s knowledge:

1. At the time of the request for such release, no Event of Default or Potential Default exists under the Credit Facility,
2. After giving effect to such release, no Event of Default or Potential Default exists, and
3. The Borrower is in compliance with the Sublimits.

If the Borrower will not be in compliance with the Sublimits absent a prepayment of the Loan, a release of a Collateral Pool Property or an addition of collateral prior to or simultaneously with the proposed release, then the Servicer’s Release Certification must

1. Set forth the method by which the Borrower will cause itself to be in compliance with the Sublimits, and
2. Be supplemented prior to such release with a separate certification of the Servicer that the Borrower has taken all necessary action to cause itself to be in compliance with the Sublimits subsequent to the release.

Within five Business Days after any Borrower’s request for a release of a Collateral Pool Property, the Servicer must provide notice of such request to Freddie Mac. If Freddie Mac approves the Borrower’s request, then the Servicer must provide a “payoff letter” to the Borrower with respect to the to-be-released Collateral Pool Property pursuant to the terms of the Credit Agreement. In connection with the release of a Collateral Pool Property, the Servicer must collect from the Borrower all amounts and reasonable fees and expenses of Freddie Mac in connection with the release and deliver Freddie Mac’s portion of such amounts, fees and expenses to Freddie Mac.

e. Release of a Collateral Pool Property followed by a Securitized Loan (06/29/17)

If the Borrower requests a release of Lender’s lien on a Collateral Pool Property and a conversion to a Securitized Loan pursuant to the Credit Agreement, then the Servicer must deliver to Freddie Mac each of the following within five Business Days following the Servicer’s receipt of such fees and documents:

1. A copy of the Borrower’s request

2. Any fees required to be paid by the Borrower under the Credit Agreement or the Guide
3. The appropriate underwriting package and completed application required under the Guide
4. All the documents and reports required to underwrite each Collateral Pool Property proposed by the Borrower to be subject to the Securitized Loan, pursuant to Chapter 17 of the Guide (defined in the Credit Agreement as the “Underwriting Materials”)

Freddie Mac will only release the lien of the Security Instrument with respect to the Collateral Pool Property in connection with a conversion upon the receipt of the Servicer’s Release Certification required under above Section 43.31(c). For such a conversion to a Securitized Loan, the Servicer may collect from the Borrower and retain all fees and expenses set forth in the Credit Agreement.

f. Annual Property valuations (06/29/17)

Pursuant to the Valuations section of the Credit Agreement, the Servicer must, within 30 days after its receipt of the rent rolls and operating statements for the Mortgaged Properties, provide to Freddie Mac all assessments for each of the Mortgaged Properties. Freddie Mac will perform the valuation for each Collateral Pool Property, and will provide the Servicer with written notice of the results of the Valuation. If the Valuation for the Collateral Pool Properties discloses that the Market Value or Net Operating Income of any Collateral Pool Property has decreased below the previously established Market Value or Net Operating Income of such Mortgaged Property, and such reduction will cause the Borrower to be in non-compliance with the Sublimits set forth in the Credit Agreement, then within one Business Day after receipt of the Valuation from Freddie Mac, the Servicer must notify the Borrower to cure such non-compliance pursuant to the Credit Agreement.

g. Annual Borrower and Guarantor evaluation (06/29/17)

Annually, as prescribed in the Credit Agreement, the Servicer must notify the Borrower to deliver the items set forth in the Credit Agreement. The Servicer must deliver all such items to Freddie Mac within 30 days following receipt from the Borrower.

h. Material Adverse Change to Borrower or Mortgaged Property (06/29/17)

If the Servicer receives notification from any Borrower or Freddie Mac of a Material Adverse Change affecting a Collateral Pool Property, then the Servicer must deliver to Freddie Mac a current rent roll (dated no more than 30 days prior to delivery to Freddie Mac) and a trailing 12-month operating statement for each of the Collateral Pool Properties. Following receipt of the required financial information, Freddie Mac will conduct a Valuation in accordance with the valuation requirements set forth in the Credit Agreement. If the Valuation discloses that the Market Value or Net Operating Income of the Mortgaged Property has decreased so that the Borrower fails to comply with the Sublimits of the Credit Agreement, then, within one Business Day, the Servicer must notify the Borrower to cure such non-compliance pursuant to the Credit Agreement.

If the Servicer receives notification from the Borrower or Freddie Mac or otherwise becomes aware of a Material Adverse Change affecting the Borrower or any Guarantor, then the Servicer must promptly notify Freddie Mac and must (i) collect and deliver to Freddie Mac all documents required to be provided pursuant to the Credit Agreement and (ii) in the instance of a Material

Guide Bulletin Update [04/18/24](#) 10/17/24 Chapter 43 – Page 62

Adverse Change affecting the enforceability of any Credit Agreement or any other Credit Facility Documents, collect and/or prepare, as may be appropriate, all appropriate replacement documents and opinions required pursuant to the Credit Agreement, each in form and substance acceptable to Freddie Mac, naming Freddie Mac as lender and executed by all appropriate parties.

i. Debt Service Coverage Ratio (06/29/17)

The Servicer must determine and re-determine the Property/Facility DSCR when required under the Credit Agreement and change the Margin as necessary in accordance with the terms of the Credit Agreement, if applicable. If the Property/Facility DSCR determination results in a ratio below the Sublimit requirement, then the Servicer must collect from the Borrower and remit to Freddie Mac any additional payment obligations set forth in the Non-Compliance with Sublimits section of the Credit Agreement.

j. Loan to Value Ratio (06/29/17)

The Servicer must determine and re-determine the Property/Facility LTV Ratio when required under the terms of the Credit Agreement. If the Property/Facility LTV Ratio determinations result in a ratio above the Sublimit requirement, then the Servicer must collect from the Borrower and remit to Freddie Mac any additional payment obligations set forth in the Non-Compliance with Sublimits section of the Credit Agreement.

k. Transfers (06/29/17)

If the Borrower requests lender's consent to a Transfer, as defined in the Loan Documents, and Freddie Mac approves the Transfer, then the Servicer must collect from the Borrower and remit to Freddie Mac each of the following:

1. A Transfer Processing Fee in the amount set forth in the Loan Documents
2. The amount of Freddie Mac's out-of-pocket costs and attorney's fees incurred in reviewing the Transfer request
3. Any Transfer Fee prescribed in the Loan Documents

l. Monitoring of Borrower Covenants (06/29/17)

The Servicer must monitor each Borrower's obligations set forth in the Covenants section of the Credit Agreement, collect and review any required documentation, and immediately report to Freddie Mac any violations of those Covenants.

m. Expansions (06/29/17)

If the Borrower elects to increase the amount of the Loan pursuant to the terms of the Credit Agreement, then the Servicer must do each of the following:

1. Collect from the Borrower the Expansion Fee in the amount set forth in the Credit Agreement,

2. Retain the portion of the Expansion Fee due to the Servicer and remit to Freddie Mac the portion of the Expansion Fee due to Freddie Mac under the terms of the Credit Agreement,
3. Collect from the Borrower and remit to Freddie Mac the amount of Freddie Mac's costs and expenses (including attorney's fees) incurred in connection with such increase, and
4. Collect and review any required documentation evidencing the increase.

n. Contractions (06/29/17)

If the Borrower elects to contract the Loan pursuant to the Credit Agreement, then the Servicer must (i) collect from the Borrower and remit to Freddie Mac the amount of Freddie Mac's costs and expenses (including attorney's fees) incurred in connection with such contraction, and (ii) collect and review any required documentation evidencing such contraction.

o. Commitment fees (06/29/17)

The Servicer will be entitled to retain its portion of each of the Addition Fees and the Expansion Fees as set forth in the Credit Agreement.

p. Servicing requests (06/29/17)

For all Servicing-related Borrower requests, including Releases, Transfers, Expansions and Contractions, the Servicer must electronically deliver to Freddie Mac a written request for Freddie Mac's approval, using the General Servicing Request Form available via mf.freddie.com/lenders/asset, attaching all applicable supporting documentation.

q. Credit Agreements (06/29/17)

The Servicer must perform all other obligations required to be performed by the Servicer under the Credit Agreements and the Credit Facility Documents.

43.32 Infrastructure Agreement Servicing Requests (04/18/24)

This Section applies only to Borrower consent requests with respect to Infrastructure Agreements, as defined in Section 8.22, and Solar Agreements, as defined in Section 8.21 ("Infrastructure Agreement Servicing Requests"), which may be comprised of any combination of the following:

- Leases or licenses
- Any other possessory interest in or right to occupy or control the Property
- Any option to purchase the Property or an interest in the Property
- Easements, restrictive covenants or other encumbrances
- Other covenants, conditions, restrictions, rights, profits or interests running with the land and binding upon subsequent transferees of the Property

a. Permitted Infrastructure Agreements not requiring consent (04/18/24)

Infrastructure Agreements only involving licenses, personal agreements or other interests binding solely on the parties (and non-binding upon future transferees of the Property) do not fall within the meaning of Infrastructure Agreement Servicing Requests and are permitted without Freddie Mac or Servicer approval (“Permitted Infrastructure Agreements”). For example, a marketing support agreement or revocable license agreement that is a personal agreement between the Borrower and the service provider and that does not bind a subsequent transferee of the Property will not require Freddie Mac consent even if the definition of “Lease” in the Loan Agreement includes “any license.”

The Servicer must determine, in consultation with its counsel, as appropriate, whether the proposed instrument will require (Freddie Mac and/or Servicer) consent because it falls within the meaning of an Infrastructure Agreement Servicing Request, but a PLIM is not necessarily required for this preliminary determination. For example, an agreement captioned as a “license” (for which consent is not typically required) may also contain other legal terms that instead render the instrument a covenant or easement that will attach to the Property and bind subsequent owners (for which Freddie Mac and/or Servicer consent is always required). Examples include “license agreements” that (i) include express granting language, (ii) include language indicating that the instrument “runs with the land” or (iii) require substantial investment by licensee in reliance on the license.

Without preparing a PLIM, Servicer’s counsel may review the document and send an email to Servicer (with a copy to Freddie Mac at the mailbox specified below) confirming that the proposed Infrastructure Agreement constitutes a Permitted Infrastructure Agreement under this Section 43.32 (“Permitted Infrastructure Agreement Determination”). Upon receipt (and electronic delivery to Freddie Mac at the mailbox specified below) by Servicer of a Permitted Infrastructure Agreement Determination, no further action is required:

- For structured transactions, Tax Exempt Bond Credit Enhancement Mortgages, acquisition rehabilitation/lease-up/moderate rehabilitation loan products, Targeted Affordable Housing Mortgages or credit facilities, to mf_structured_transactions@freddiemac.com
- For all other Mortgages, to mf_borrower_transactions@freddiemac.com

b. Infrastructure Agreement Servicing Requests the Servicer is permitted to approve (04/18/24)

During any period in which Freddie Mac owns the Mortgage, the Servicer may approve an Infrastructure Agreement Servicing Request only if the proposed Infrastructure Agreement meets each of the following requirements:

- It satisfies all applicable Loan Document requirements relating to the approval of easements, non-residential leases and other encumbrances
- It will not be recorded against the Property
- It will be subordinate to the lien of the Mortgage

- The Infrastructure Agreement Servicing Request does not include a request to subordinate the lien of the Mortgage or a request for the lender to enter into a non-disturbance agreement
- It is not a Solar Agreement
- The “lender” is not named as a party to, nor is it being requested to sign, the agreement or any related document
- It is compatible with the use of the Property
- It contains terms and provisions, including compensation, that are customary for the market in which the Property is located
- It does not impose on the Property owner any financial obligations equal to or greater than \$100,000
- It will not have any material adverse impact on the Property value, operations, access, income, or marketability
- If the Infrastructure Agreement Servicing Request involves a lease, the tenant is not an Affiliate of Borrower, any Borrower Principal or any Guarantor
- It does not reduce the income from any residential units or other income-producing improvements
- It does not impose any financial obligations on any mortgagee, and/or subsequent owner by foreclosure, deed in lieu of foreclosure or other conveyance (including reimbursement of any up-front fee paid by the provider to the Property owner upon termination of the agreement)
- The Servicer has not received notification from Freddie Mac that the Mortgage has been designated for inclusion in a Securitization
- The Mortgage does not back a Freddie Mac Multifamily Participation Certificate, a Freddie Mac Bond Credit Enhancement transaction or a Freddie Mac tax-exempt or taxable Multifamily bond securitization
- There are no investors who have provided credit enhancements for the Mortgage other than a Seller/Servicer, the Borrower or an Affiliate of the Borrower

Generally, Freddie Mac will not require delivery of a preliminary legal issues memorandum (PLIM) for an Infrastructure Agreement Servicing Request that satisfies the above requirements; however, the Servicer may request that its counsel prepare a PLIM to confirm the requirements set forth above in this Section 43.32(b) or to address a material legal issue that Servicer has identified.

The Servicer may require the Borrower to pay or reimburse the Servicer upon demand for all costs and expenses, including all attorneys’ fees and costs, incurred by the Servicer in connection with the review of the Telecommunications Agreement Servicing Request.

c. Documentation for an Infrastructure Agreement Servicing Request not requiring Freddie Mac approval (04/18/24)

Upon receiving an Infrastructure Agreement Servicing Request, the Servicer must take the following actions:

- Enter the Borrower request into the Consent Request Tracker as required by Section 36.25. The Consent Request Tracker record should be created with the selection that Freddie Mac approval is not required for Mortgages owned by Freddie Mac.
- Within 30 days after the Servicer's approval of an Infrastructure Agreement Servicing Request, the Servicer must notify Freddie Mac of any actions taken under the delegated approval by electronically delivering the Borrower's request, along with a copy of the fully executed Infrastructure Agreement.

d. File retention requirements for an Infrastructure Agreement Servicing Request not requiring Freddie Mac approval (04/18/24)

The Servicer must maintain a file that contains the following information relating to a delegated Infrastructure Agreement Servicing Request approval:

- Borrower's original request for approval and required information
- Evidence of the Servicer's analysis and approval of the request
- Copies of the Servicer's notification of the approval to the Borrower and Freddie Mac
- Copies of the executed Infrastructure Agreement

The Servicer must maintain the file in accordance with the requirements set forth in Section 34.4.

e. Infrastructure Agreement Servicing Request requiring Freddie Mac approval (04/18/24)

For any Infrastructure Agreement Servicing Request for which the Servicer is not delegated approval authority under Section 43.32(b), the Servicer must take the following actions:

- Enter the Infrastructure Agreement Servicing Request into the Consent Request Tracker as required by Section 36.25
- Promptly upon receipt of all applicable items listed in 1 - 4 below, electronically deliver those items to Freddie Mac, together with the Borrower's request and the Servicer's recommendation

The Servicer must deliver each of the following documents:

1. A completed General Servicing Request or Easement Request, as applicable, which must include the Servicer's analysis and recommendation for action

2. A copy of the proposed Infrastructure Agreement and any additional documents or instruments associated with the Borrower Request
3. A PLIM addressing each issue under 43.32(b) raised by the Infrastructure Agreement Servicing Request (e.g., Borrower fails to satisfy one of the applicable Loan Document requirements) and any other legal issue that Servicer determines is raised by the Infrastructure Agreement Servicing Request. In addition, if the proposed Infrastructure Agreement will not be subordinate to the lien of the Mortgage or if the Infrastructure Agreement Servicing Request includes a request for non-disturbance protection, the PLIM must also analyze the proposed instrument under Section 8.22 (Infrastructure Agreements), Chapter 29 (title policy and endorsement requirements), and if applicable, Section 8.21 (Solar Agreements), Section 43.10 (Easements), Section 8.11(g) (Non-Residential Leases), Section 43.24 (Non-Residential Leases), Section 43.12 (Easement in lieu of condemnation), or other applicable Guide provisions. If Freddie Mac determines that the transaction raises legal issues (or inadequately addresses any of the Section 43.32(b) items), Freddie Mac may request a supplementary PLIM. Unless instructed otherwise, the appropriate PLIM form is the Short Form PLIM (Infrastructure Agreements) available via mf.freddie.com/lenders/legal.
4. Any other information requested by Freddie Mac

If Freddie Mac approves the Borrower request, Servicer must submit to Freddie Mac an execution-ready form of any document or instrument that must be executed by the lender. Before submitting documents to Freddie Mac for signature, the Servicer and its counsel must review the documents to ensure that they

- Are in the proper form
- Contain the proper signature lines and acknowledgments
- Correctly describe the Infrastructure Agreement or related instrument approved by Freddie Mac, including the legal description (if applicable)

For all Infrastructure Agreement Servicing Requests that require Freddie Mac approval, the Servicer must charge the Borrower a nonrefundable review fee in the amount specified in the Loan Documents, or, if no amount is specified, in the amount set forth in Exhibit 10. The Servicer must remit to Freddie Mac 50 percent of the review fee, if any, and may retain the remaining 50 percent. The Servicer may not charge the Borrower any additional fees for processing an application for approval of an Infrastructure Agreement Servicing Request.

At the time of delivery of the Borrower request to Freddie Mac, the Servicer must remit to Freddie Mac the Freddie Mac portion of any review fee. The Servicer must

- Obtain wire transfer instructions from Freddie Mac *Multifamily Asset Management, Borrower Transactions or Multifamily Asset Management, Structured Transactions*, as applicable
- Send the wire transfer to the attention of *Multifamily Cash Management*

- Reference the Property name, the Freddie Mac contact person and the Freddie Mac loan number.

NOTE: Review fees for Infrastructure Agreement Servicing Request are only payable under rare circumstances (such as an easement request for a Loan originated prior to July 1, 2014).

f. Recordation of an Infrastructure Agreement requiring Freddie Mac approval (04/18/24)

If applicable, Servicer must comply with all local recording requirements and arrange for recordation of the Infrastructure Agreement and any other applicable document at no cost to Freddie Mac.

g. Required documentation for an Infrastructure Agreement Servicing Request requiring Freddie Mac approval (04/18/24)

Within the time specified in the Freddie Mac approval letter, the Servicer must electronically deliver to Freddie Mac a copy of

- The final, executed Infrastructure Agreement and any related document or instrument executed in connection with the Infrastructure Agreement Servicing Request
- Any other document required by the Freddie Mac approval letter.

43.33 Deadlines in Article I (Key Loan Terms) and Exhibits and Riders to the Loan Agreement (10/20/22)

Article I and Exhibits and Riders to the Loan Agreements may contain deadlines for various loan requirements that the Borrower must address. Servicers must notify Borrowers of these deadlines. Freddie Mac’s Property Reporting System (PRS) is a tool for Servicers to identify such loan requirements and deadlines. If a deadline extension is needed, then 10 Business Days prior to the deadline, Servicers must submit an extension request to Freddie Mac via Document Management System (DMS) and Consent Request Tracker (CRT), and update PRS Loan Item Tracking (LIT) regarding submitted extension requests.

43.34 Reporting of Property and Borrower news and events (04/18/24)

If the Seller/Servicer becomes aware of any news articles or recent events within the last 12 months that could reflect adversely upon the Borrower, any Borrower Principal or the Property, the Seller/Servicer must report such information within five Business Days to Freddie Mac via email at MF_Loan_Compliance@freddiemac.com.

a. Preparing an underwriting package (12/14/23)

1. Due Diligence – Chain of Custody.

- A. All source documentation, due diligence and other underwriting documentation relating to the Property, the Borrower and the Borrower Principal(s) to be submitted as part of the underwriting package as set forth in this chapter (other than Freddie Mac required third-party reports), must be delivered directly to the Seller/Servicer by the Borrower and/or the Borrower Principal or the member, partner, director or employee of the Borrower or Borrower Principal's firm authorized to deliver such documentation on behalf of the Borrower or Borrower Principal.

- A. The Seller must obtain wire transfer instructions from
 - *Multifamily TAH Production* or the *Multifamily TAH Underwriter*, for TAH Seller/Servicers, or
 - The *Applicable Freddie Mac Multifamily Regional Office*, for all other Seller/Servicers.

- Freddie Mac's Letter of Commitment, if the Seller failed to accept the Letter of Commitment within the time period specified, or
- Freddie Mac's acceptance of the early rate-lock application, if the Seller failed to sign and return Exhibit A of the early rate-lock application within the time required.

c. Preparing documentation required for a Transfer of Ownership (06/29/17)

Instructions for the preparation of documentation for a Transfer of Ownership can be found in Chapter 41.

d. Notification requirements regarding updates to the underwriting package (02/16/23)

The Seller/Servicer must notify the Freddie Mac personnel primarily responsible for the underwriting of a Mortgage if there is new or revised documentation following Rate Lock or issuance of an Acceptance Letter for an early rate lock application. The mere delivery of documentation to Freddie Mac or inaction by Freddie Mac after receipt of documents will not constitute an approval of such documents or for any change or modification to, or waiver of, any requirements of the Letter of Commitment or the Guide.

e. Ability to request additional information (04/13/23)

Notwithstanding the documentation requirements in Section 55.2 and Section 55.3, Freddie Mac reserves the right to request any document identified in Section 55.2 and Section 55.3 from any Borrower Principal.

55SBL.1 Use of Chapter 55SBL (12/14/23)

This Chapter 55SBL applies to SBL Mortgages originated under Chapter 18SBL. In this Chapter 55SBL, SBL Seller/Servicers are referred to as “Seller,” and SBL Mortgages are referred to as “Mortgages.”

Chapter 55SBL is to be used in the preparation of an underwriting package for an SBL Mortgage, and in the preparation of documentation to be submitted to Freddie Mac in connection with a Transfer of Ownership, as indicated in Chapter 41SBL.

a. Preparing an underwriting package (12/14/23)

1. Due Diligence – Chain of Custody.

- A. All source documentation, due diligence and other underwriting documentation relating to the Property, the Borrower and the Borrower Principal(s) to be submitted as part of the underwriting package as set forth in this chapter (other than Freddie Mac required third-party reports) must be delivered directly to the Seller/Servicer by the Borrower and/or the Borrower Principal or the member, partner, director or employee of the Borrower or Borrower Principal’s firm authorized to deliver such documentation on behalf of the Borrower or Borrower Principal.
- B. By submission of the underwriting package to Freddie Mac, Seller/Servicer will be deemed to represent and warrant to Freddie Mac that it has complied with the due diligence and underwriting documentation chain of custody requirement.

2. Documentation Delivery. At the Seller’s expense, the Seller must deliver the documents to Freddie Mac and remit any required fees to Freddie Mac by wire transfer, subject to Freddie Mac’s approval.

- A. The Seller must obtain wire transfer instructions from the *Applicable Freddie Mac Multifamily Regional Office*.
- B. The Seller must send the wire transfer to the attention of *Multifamily Cash Management*. The wire transfer must reference the Property name, the Freddie Mac contact person in Production or Underwriting, and the Freddie Mac loan number.
- C. With respect to each delivery:
 - The Seller must deliver the documents simultaneously.
 - The Seller may not make any changes to forms prescribed by Freddie Mac without prior written authorization from Freddie Mac.

If the delivery is incomplete, if the documents have not been properly prepared, or if the documents do not, or the delivery does not, otherwise conform to Freddie Mac requirements, Freddie Mac cannot process the package.

b. Preparing documentation required for a Transfer of Ownership (06/29/17)

Instructions for the preparation of documentation for a Transfer of Ownership can be found in Chapter 41SBL.

c. Notification requirements regarding updates to the underwriting package (02/16/23)

The Seller/Serviceicer must notify the Freddie Mac personnel primarily responsible for the underwriting of a Mortgage if there is new or revised documentation following Rate Lock. The mere delivery of documentation to Freddie Mac or inaction by Freddie Mac after receipt of documents will not constitute an approval of such documents or for any change or modification to, or waiver of, any requirements of the Letter of Commitment or the Guide.

d. Ability to request additional information (04/13/23)

Notwithstanding the documentation requirements in Section 55SBL.2, Freddie Mac reserves the right to request any document identified in Section 55SBL.2 from any Borrower Principal.

any applicable Purchase Contract. All of a Seller/Servicer's obligations to service Mortgages for Freddie Mac will be considered to constitute, and will be performed pursuant to, a unitary, indivisible master Servicing contract, and the Servicing obligations assumed under any Purchase Contract will be deemed to be merged into, and will be performed under, the same unitary, indivisible master Servicing contract. In such case, the separate agreement shall be deemed to be one of the "Purchase and Servicing Documents," which constitute the unitary, indivisible master Servicing contract.
