<sup>3</sup> When determining the categorization of Mission Driven scoring for a loan, that loan may fall into multiple Mission Driven categories. For presentation purposes, in the "2025 Volume (\$B)" column, the loan will fall exclusively into the first Mission Driven category under which it qualifies in accordance with the "Mission Driven Scoring Priority Order" column. Separately, we present the aggregate amount of each Mission Driven category in the "Gross Mission Driven Volume (\$B)" column whether or not it was presented in a previous Mission Driven category. As a result, the same loan may appear in multiple Mission Driven categories in the "Gross Mission Driven Volume (\$B)" where it is only present once in the "2025 Volume (\$B)" column.
