**Additional Information:**

- The report will be updated on the 8<sup>th</sup> of each month of each month with underwriting data for loans securitized for the previous months. For un-securitized loans, the underwriting data will be updated every quarter.
- The report covers many data points; not all of which are applicable to every loan. As such, there may be some blank fields but this should not impact the integrity of the underwriting information provided.
- Access to the underwriting information is in sync with assessment access in PRS. Please contact [MF\\_Surveillance@freddiemac.com](mailto:MF_Surveillance@freddiemac.com) with any access request.

If you have any questions or issues with the underwriting report, please email [MF\\_Surveillance@freddiemac.com](mailto:MF_Surveillance@freddiemac.com).
