SBL UPDATE

Change of Plans: SBL Optigo® Essentials Workshop – Chicago Only

Since announcing the workshops last week, we've changed our plans and will cancel the second workshop session on May 17 in McLean, Virginia for Small Balance Loans (SBL) only. If you're interested in joining us this year, we're hosting a national overview workshop for SBL lenders in Chicago on May 4.

[Add to Calendar: May 4](#)

During the workshop, we will walk through the latest processes and best practices for the SBL business, focusing on maintaining the best execution from end to end. Take advantage of this opportunity to learn and connect with industry colleagues and your regional Freddie Mac Multifamily team.

This workshop is open to all experience levels at your lender shop. Registration and event details will be available soon.

We hope to see you there!
