

We're continuing our laser focus on mission-centric, immediate business and are set for an incredibly busy second half of 2020.

### **Optigo® 2020 Conference**

We're sending out a Save the Date next month for our annual conference October 27-29. It'll be virtual and interactive this year — and just a couple hours each day.

### **TAH Legal Team**

Guy Nelson has announced a new member of the TAH legal group [Maggie Everson-Fisher](#), who will focus on the retail business. Maggie has been an essential member of the Conventional and Seniors Housing legal teams for many years. Her commitment to affordable housing and deep knowledge of the multifamily business will be a great benefit to our TAH team and partners.

### **Housing Recovery with George Mason University's Emily Hamilton**

Listen to our [new podcast](#) on zoning changes and housing affordability.
