

## LIBOR to SOFR: Know the Dates, View Our Docs

Please make note of these critical dates to ensure we can get your deals across the finish line:

- **September 1:** all new floating-rate quotes will be for SOFR-indexed loans only
- **September 30:** last day to go **under app** for LIBOR-indexed floating-rate loans
- **November 9\*:** last day to **submit underwriting packages** for LIBOR-indexed floating-rate loans
- **December 11\*:** last day to **submit final delivery packages** for LIBOR-indexed floating-rate loans
- **December 31:** last day **we'll purchase** LIBOR-indexed floating-rate loans, regardless of the loan application or note dates

\*Note: these dates are outside dates; a specific LIBOR-indexed loan may be subject to earlier deadlines.

Your relationship manager will provide you a list of your LIBOR-based loans in the next week. If you have concerns that your deal will not meet these dates, please engage your relationship manager immediately as these dates are firm.
