

LIBOR-SOFR Presentation

View the [presentation](#) from our recent Teams Live training for lenders.

You can also visit the [LIBOR page](#) for a recap of our emails and important dates.

Optigo® 2020 Conference

We look forward to you taking part in our virtual annual customer conference October 27-29. We've got a lot to share in our interactive sessions. Plan for two to three hours in the afternoon, Eastern Time. Registration opens in early September.

Rental Affordability Reexamined

Our latest study shows that fewer than 10% of rental units are affordable to renter households earning 50% of median renter income. The study looks at a new way to measure affordability that factors in a boost in high-income renters.
