Bring Us Your Deals

Bring us your low-income (LI), very low-income (VLI) and mission opportunities. Let's drive production and finish the year strong.

Year-End Deadlines

Lender Closing – Here is the deadline to submit a full and complete package to our TAH Underwriting team to rate lock in 2022:

- **TAH - Monday, November 14**

Please note that the ability to rate lock before year-end depends on (1) the quality of the package and (2) timely responses from the Optigo® lender and borrower.

For 2022 rate-lock, you must get prior approval from our Underwriting team to submit an underwriting package after our deadline.

Freddie Mac Funding – Thursday, December 15 is the last day to submit a final delivery package to Freddie Mac's Purchase team to ensure a loan is funded by Freddie Mac in 2022.

Pools must be discussed on an individual basis to confirm dates.
