

Processing Business Through Year-end 2020

A reminder of key delivery dates for fixed-rate and SOFR products:

- **November 24** – last day to deliver final underwriting packages for year-end seller close for loans under application on or before October 30
- **December 11** – last day to submit final delivery packages for year-end purchase

A reminder of key dates for LIBOR floating-rate products:

- **November 9** – last day to submit complete, full underwriting packages for LIBOR-indexed floating-rate loans
- **December 11** – last day* to submit complete, final delivery packages for LIBOR-indexed floating-rate loans
- **December 31** – last day we'll purchase LIBOR-indexed floating-rate loans, regardless of the loan application or note dates

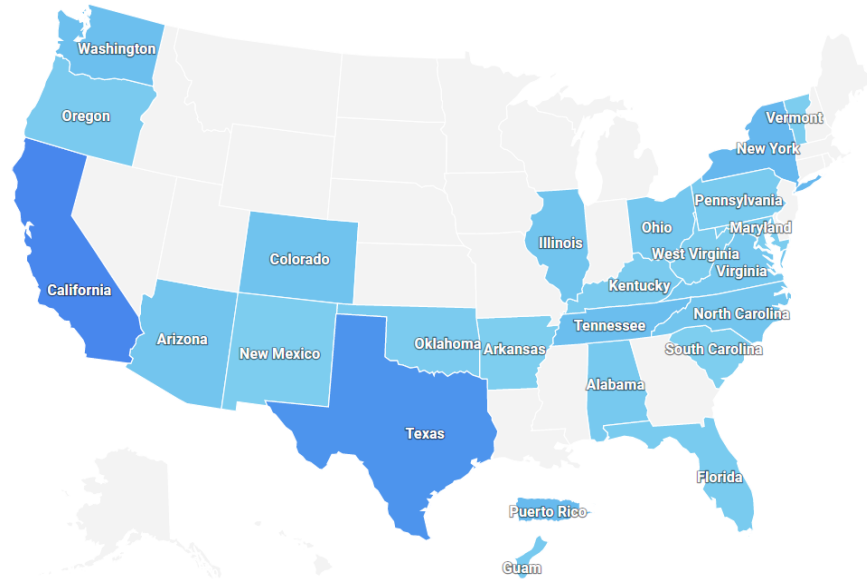

**Note: this date is an outside date; a specific LIBOR-indexed loan may be subject to an earlier deadline.*

Optigo Conference

We're glad many of you were able to join us for last week's Optigo 2020 annual conference, *All Roads Lead Home*. Those of you previously registered can continue to [catch up on sessions](#) you might've missed until Friday,

November 13. Please note that the session with Debby Jenkins and Emmanuel Acho was only available live during the conference.

Interactive LIHTC Map 3.0 Update

Our Low-Income Housing Tax Credit (LIHTC) equity investments total \$1.3 billion since 2017, supporting 11,270 affordable housing units across 23 states and two territories.

“People are going through a lot right now — they’re concerned for the health, safety and well-being of their families,” said Steve Gildersleeve, who leads our LIHTC effort as a Targeted Affordable Housing director. “Home — and having a place to live in that you can afford in uncertain times — that’s so important.”
