Servicing Requirements for Delegated TAH Mortgages

Currently, you are required to service Mortgages originated under the Delegated Underwriting Model (“Delegated TAH Mortgages”) according to the provisions of the Seller/Servicer Guide, as amended and supplemented by the TAH Guide. At this time, we are requiring Servicers of Delegated TAH Mortgages to comply only with the provisions of the Seller/Servicer Guide. The Servicing provisions of the TAH Guide are no longer applicable and will no longer be updated or maintained.

In making this change, it is not our intent to modify any of your obligations or requirements with respect to Delegated TAH Mortgages. Rather, our goal is to make it easier for you to access our requirements by eliminating any confusing back-and-forth references between the Seller/Servicer Guide and the TAH Guide and to emphasize that Freddie Mac’s single Servicing standard applies to all Mortgages, including Delegated TAH Mortgages.

Revisions to the Seller/Servicer Guide

In support of this change, we have revised the Seller/Servicer Guide to include any Servicing requirements unique to the Servicing of Delegated TAH Mortgages. These changes include the addition of:

- Freddie Mac contact information for Delegated TAH Mortgages
- Provisions applicable to letters of credit as security for a Seller/Servicer’s Reimbursement Obligations
- References to a Seller/Servicer’s Delegated TAH Master Agreement
- Remedies applicable to Delegated TAH Mortgages in the event that Freddie Mac requires repurchase or indemnification
- Loss-sharing provisions for Delegated TAH Mortgages

The most extensive revisions were made to Chapter 47: Repurchase; Indemnification. We recommend that you review Sections 47.1, 47.2, and 47.11 to ensure that you are familiar with the new location of these requirements, which were previously found in the TAH Guide.

We have also taken this opportunity to update Chapter 32 of the Seller/Servicer Guide to clarify the initial and final delivery requirements for Forward Commitments. See Sections 32.1(a), (b), and (c) for these changes.

Revisions to the TAH Guide

The TAH Guide remains in full force and effect and applies to all Mortgages purchases pursuant to Commitments executed prior to May 1, 2011 under the Delegated Underwriting Model, including the representations and warranties applicable to origination and underwriting.

To support the Servicing changes, we have revised the TAH Guide to state that Servicers of Delegated TAH Mortgages must comply with the Servicing provisions found in the Seller/Servicer Guide, and are deemed to have made the Servicing representations and warranties found in Chapter 5 of the Seller/Servicer Guide.
