

SBL UPDATE

Impact Sponsor Award Application

In February, Freddie Mac Multifamily announced the newly created [Impact Sponsor Award](#).

We're now accepting borrower applications over the next four weeks for the 2022 cohort of Impact Sponsors – and we need your help in spreading the word to your borrowers. We're looking for borrowers who are going further to make an impact by doing good business, supporting their multifamily communities and improving the lives of tenants.

For more information and benefits of the award, see [the news article](#).

To submit applications for the 2022 Impact Sponsor cohort, borrowers should:

1. Download and complete this [fillable PDF document](#). The PDF may not display in your browser, but can still be downloaded by clicking the save button in the upper right-hand corner of the screen.
2. When you have filled it in, email it along with any supportive imagery, video or other assets to FM_EIMH@freddiemac.com.

We appreciate your partnership in making the Impact Sponsor recognition a reality.

Underwriting Team Updates

We're excited to share that [Jessica Cohn](#) has joined the Northeast Underwriting team as a senior analyst and that [Michael Fetchet](#) will be relocating from the Southeast region to Phoenix to join the Western region. Along with this move, Mike has been promoted to professional underwriter.

Please join us in welcoming Jessica to the team and congratulating Mike on his promotion!

HAPPY MEMORIAL DAY WEEKEND
