

Site Enhancement Seller Call

We're making it easier to originate loans with buildings located on multiple parcels. Confused about what non-contiguous buildings are allowable in a SBL loan? We were too, so we're innovating to make it simpler. Hear about the first phase during this call.

Job Aid for OnSite Inspection Mobile App

Our SBL OnSite Inspection App is fully live and available to all Sellers through our app partner, HappyCo. Our new [Job Aid](#) on our site will help you download the app and go through the inspection process.

If you have any technical difficulties, please contact the [Service Desk](#) at 1-866-MultiFM (1-866-685-8436) so they can assist, track and monitor the request. You should only use the regional point of contacts to coordinate Non-Top Market Inspections or inspections that Freddie Mac needs to jointly inspect with you.
