

## Servicing Fee Strategy Extension

Seller/Service providers may continue to choose the servicing fee to apply on a loan-by-loan basis through December 31. Please refer to the attached [document](#) for additional details.

## Premium Buyup Change

We made a change to our premium buyups, effective Tuesday, September 11. The new chart can be [found here](#).

## New Investment Brief Template Available

An updated version of the SBL Investment Brief, or Asset Summary Report, has been [published](#). Sellers are encouraged to adopt the new SBL Brief format, as it is a prototype of the future B2B data flow model and identifies key data elements required for digital loan processing. The adoption of this version also allows for better credit decision-making alignment between SBL partners and ensures improved deal processing times.
