

SMALL BALANCE LOAN UPDATE

Reminder: PMT Application Requirements

Let's continue processing successful applications! As a friendly reminder on how to optimally manage SBL business, please remember that we have the following requirements:

- All executed applications must be entered in to the Pipeline Management Tool (PMT) within 24 hours after the borrower signs the application.
- If the 24-hr window ends on or after 5 p.m. ET on a Friday, the application must be entered into PMT by 12 p.m. ET the following Monday.

The SBL team will enforce these measures by rejecting, deferring, or repricing executed applications that fail to meet these requirements.
