Appraisal Update

Freddie Mac
MULTIFAMILY

Chris Alfaro
Director & Chief Appraiser
Multifamily Appraisals

We've updated the Multifamily Restricted Vendor List and have added a new category called "Vendors Under Review".

Optigo® lenders should review the current lists to confirm compliance with Freddie Mac Multifamily requirements. As a reminder, the Multifamily Restricted Vendor List and the list of Vendors Under Review are considered "confidential information" under the *Freddie Mac Multifamily Seller/Service Guide section 2.8*.
